Whispers of The Holy Spirit: Revitalization; The Art of Restoration Moses Elisha Johnson,2022-06-15 This book is FREE and a token of God's love. Moses considers this book an effectual composition of love letters; letters of difficult truths, letters of growth, letters of compassion, and letters of encouragement. It is a continuation of the Revitalization series that is thought to be a mix between religion, her story of transformation, and helping others. Her currently published book titled, Eyedentity kicks off this book series by tackling components of sexuality, issues of the Christian life, social injustices, and many other things that were placed upon her heart after having an encounter with God. This book, however, is noted to be more simplistic in its aims; impactfully sharing more parts of her own story of brokenness and change through the thoughtful composition of letters written by her with the help of the Holy Spirit. She hopes that those who read will be positively impacted and that they will ultimately find the same pleasure, love, pure joy, peace, and restoration that she also found in Jesus.

Magic of Believing Collection Dr. Robert C. Worstell,Claude M. Bristol,2015-02-06 DON'T READ this book and expect your life to be the same. This one book contains the secret behind Think and Grow Rich, and other bestsellers' successes. It can tell you why you are or aren't successful. It can tell you why you are rich or poor. It can give you the reason why something you really want to change - isn't and won't. But you have to read it, first. As recommended by Earl Nightingale, this book has been long out of print and is now recovered and published just so you could change your life. Edited and formatted for easy reading, this classic is a must for anyone who seriously wants to improve some chronic condition - FOREVER. Not for the faint-at-heart, this book contains techniques a hard-nosed police reporter dug up from a lifetime of work and study into the workings of the mind. Countless millions use these techniques - as a simple matter of daily living. You can, too. Resolve any problems by changing your beliefs and thoughts. Get Your Copy Today!
