Patriarchal Lineages in 21st-Century Christian Courtship Elizabeth L. Shively, 2020-08-10 Drawing from a study of courtship media and ethnographic work at purity retreats and home-school conventions across the Midwest, this is the first

inquiry into modern Christian courtship, an alternative to dating that asks young people to avoid both romance and sex until they are ready to be married. Bridging sociological and historical studies of American Christianity with youth and girlhood studies literatures, Elizabeth Shively finds that the courtship system is designed to shore up the patriarchal nuclear family structure at the center of conservative Christianity and ensure predictability in the face of emerging adulthood: single young women work to embody ideals of “luminous femininity” and model themselves after archetypes such as the “Proverbs 31 woman,” the “stay-at-home-daughter,” and the “mission-minded girl,” and courting couples strive to “guard their hearts” against premature emotional intimacy. Nonetheless, participants report that courtship, like other relationships, inevitably carries an element of risk, and it ultimately fails to offer a substantial challenge to the to the sexist realities of youth dating culture.

Coming Home Kathy Spiciarich, 2022-10-23 *Coming Home*, a teaching memoir, was written for any spiritual seeker searching for a Power greater than ourselves. Author Kathy Spiciarich shares the revelations, truths and powerful spiritual experiences leading to her own enlightenment, as she relays the steps necessary to make the life-changing connection to the Spirit, to Higher Power, to God within. She teaches you how, by embracing the spiritual landscape, the Spirit within will naturally guide you and direct your steps. Life is a juggling act between deep material hunger and spiritual thirst, and if you feed only the material, your thirst will never be quenched. Once you find God, your soul starts to awaken and flourish. If you listen harder and search deeper you find that no boundaries can confine the Spirit within. You find your own extraordinary path, leading you to your many homes.

Just Like Us Caitlin E. Lawson, 2022-12-09 *In Just Like Us: Digital Debates on Feminism and Fame*, Caitlin E. Lawson examines the rise of celebrity feminism, its intersections with digital culture, and its complicated relationships with race, sexuality, capitalism, and misogyny. Through in-depth analyses of debates across social media and news platforms, Lawson maps the processes by which celebrity culture, digital platforms, and feminism transform one another. As she analyzes celebrity-centered stories ranging from “The Fappening” and the digital attack on actress Leslie Jones to stars’ activism in response to #MeToo, Lawson demonstrates how celebrity culture functions as a hypervisible space in which networked publics confront white feminism, assert the value of productive anger in feminist politics, and seek remedies for women’s vulnerabilities in digital spaces and beyond. *Just Like Us* asserts that, together, celebrity culture and digital platforms form a crucial discursive arena where postfeminist logics are unsettled, opening up more public, collective modes of holding individuals and groups accountable for their actions.
