*The Silver Bayonet: Egypt: Shadow of the Sphinx* Joseph A. McCullough, 2024-05-23 Face dangerous new foes, recruit new soldiers, and uncover the mysterious treasures of Ancient Egypt in two new campaigns, one competitive and one for solo or cooperative play. Somewhere beneath the shifting sands lies the forgotten knowledge of the pharaohs - magic granting

power over wind and rain, life and death, and even time itself. Napoleon didn't cross the Mediterranean simply to conquer Egypt, he sought these ancient secrets. No one knows what he found, but his military victories since then speak for themselves. Now, as Bonaparte continues to burn his way through Europe, desperate nations have sent their own special units across the sea to search for a counter and end his rampage. Egypt: Shadow of the Sphinx is a supplement for The Silver Bayonet, in which the players' special units explore the mysteries of this great land, venturing into lost cities, forbidden ruins, and even beneath the Pyramids themselves. Contained within are two campaigns, one competitive and one for solo or cooperative play. Also included is a new recruitment list as well as a number of new soldier types, and the equipment that might give them an edge, but they will still have to face an array of terrifying foes, including mummies, werejackals, and serpopards, many not known to the living for more than 3,000 years...

*Wargaming Campaigns* Henry Hyde, 2022-07-20 An authoritative reference guide to building wargaming campaigns, featuring a full set of campaign rules, tips on creating maps, and more. Most miniature wargames take the form of simulating a single battle with the opponents either winning or losing and that's that until the next game. Such games can be a fun test of tactical skill, but it can be even more rewarding if they form part of a wider campaign. In a campaign, the players commanding the forces have to make the decisions at the strategic level that determine the context of any battles that occur. The outcome of these battles will, in turn, have strategic consequences for the ongoing campaign. Although campaigns can be very rewarding, many wargamers are deterred by the need to produce maps and devise mechanisms for strategic movement, Intelligence, logistics, recruiting reinforcements, keeping track of casualties etc. Henry Hyde's excellent book greatly eases this task with masses of sound advice, concrete suggestions and even a full set of campaign rules useful for any period. Whatever historical or fantasy setting you prefer, Henry shows that even simple campaigns can add extra fun to your gaming. Praise for *Wargaming Campaigns* "This big, thick tome contains everything you'd ever want to know about creating and running a wargame campaign." —Historical Miniatures Gaming Society

**Stargrave: Dead or Alive** Joseph A. McCullough, 2024-06-27 A *Stargrave* supplement devoted to generating and running solo scenarios in which players hunt bounties across the Ravaged Galaxy... or perhaps become hunted themselves! It's hard to live with a price on your head, especially in the Ravaged Galaxy, where bounty hunters can be found on every planet. Most are amateurs, folk with a gun and an eye for a payday, but some are deadly professionals. A few aren't even motivated by the reward, but by vengeance, redemption, some notion of justice, or the pure thrill of the hunt. They're the truly dangerous ones. No matter what drives them, once a new bounty is posted, the hounds take up the chase and, more often than not, it all ends in violence... *Dead or Alive* gives *Stargrave* players all the tools they need to generate solo bounty-hunting scenarios, including a variety of different settings and locations, a host of complications to be faced, and, of course, a large rogues' gallery of unique outlaws. With the random scenario generators in this volume, players can set up a great number of games

of Stargrave with no two being the same... all without an opponent!

**Hairfoot Jousting** Joseph A. McCullough, 2025-05-29 A fast-paced miniatures game of whimsical fantasy jousting. While the Hairfoot halflings typically prefer eating and drinking to strenuous exercise, one thing that is sure to stir them from their armchairs is the noble sport of Hairfoot Jousting. Small teams take to the field on the backs of various unruly mounts - pigs, turkeys, sheep, and more - to tilt against their rivals, striving to knock them to the ground with their blunt lances. For the victors: fame, glory, and perhaps a new pair of gardening gloves. For the defeated team... well, everyone loves an underdog! Hairfoot Jousting is a quick and simple tabletop miniatures game in which players seek to lead their teams of three to victory in tournaments or over the course of a season. Play on some of the most famous pitches to grace the sport, such as Baker's Run, The Puddles, and Barrel Bottom, each with their own special challenges. Point your jousters in the direction of their opponents and hope their mounts don't have their own ideas! In Hairfoot Jousting, sportsmanship and a sense of humour are as valuable as skill or luck - after all, it's joust a bit of fun.

**Stargrave: Hope Eternal** Joseph A. McCullough, 2022-09-29 Take on the pirate fleets in this campaign for Stargrave, featuring full rules for playing the game solo or cooperatively. Since the end of the Last War, the great pirate fleets have roamed the ruins of the galaxy, pillaging, extorting, and enslaving. No one has had the power to stand against them, and the desperate few who have tried, have been quickly and brutally crushed. However, when the independent crews are hired for a simple hostage rescue, it leads to a dangerous opportunity to strike a blow against tyranny. Two of the largest and most vicious pirate fleets are meeting for a parlay near the ruins of an ancient research station... one that once experimented with 'supernova-level events'. If the crews can locate the station, slip past the pirates, and infiltrate the facility, it might be possible to release such an event just as the fleets have gathered... Hope Eternal is a solo and cooperative expansion for Stargrave. Along with full rules for playing the game in this new style, the book contains an intricate campaign of connected scenarios. Whether you brave the perils of the campaign alone, or enlist the aid of another independent crew, this is your chance to bring back a little hope to the ravaged galaxy!

**Frostgrave: Fireheart** Joseph A. McCullough, 2022-07-21 This supplement for Frostgrave provides players with new tools to build, animate, field, and face constructs in their games. In the glory days of Ancient Felstad, artisans competed to produce the most beautiful, the most functional, and the most enduring constructs. These living works of art could be seen everywhere in the city, fulfilling many of the day-to-day tasks that kept the magical metropolis running. They provided transportation and security, worked on construction and cleaning, exterminated vermin, butchered animals, and tended furnaces. Then came the cataclysm. The ice and snow not only buried and destroyed most of the constructs active in the city, but nearly wiped out the knowledge of their creation. Certainly, the constructs animated by the explorers of the Frozen City are crude in both form and function compared to what once existed. This supplement for Frostgrave: Fantasy Wargames in

the Frozen City provides a study of constructs, offering expanded rules for their creation, modification, and even re-animation. It examines enchanters' workshops, detailing new magic items and base modifications that aid in the animation process, and also includes a bestiary full of new constructs. Of course, much of the knowledge that was once lost still exists in the frozen ruins, so the book also features several scenarios set in the once-great factories where the art of construct creation reached its pinnacle.

**Frostgrave: The Wildwoods** Joseph A. McCullough, 2023-06-22 This supplement brings a new dimension to games of *Frostgrave*, allowing players to lead expeditions into the wilderness north of the city, searching for undiscovered ruins and facing the perils of the Wildwoods. For years, spellcasters have flocked to the Frozen City, braving the perils of its ruins in the hunt for relics and forgotten magic. While the city still holds many such secrets, newly arrived wizards must delve deeper

and fight harder to make their mark. A few turn from the city, seeking instead the remote settlements that surrounded ancient Felstad. Such expeditions are not without their own dangers, however – in the vast forests of the Wildwoods, death lurks in the empty cookpot and torn waterskin, in the cold of night and the looming storm, and in the teeth and claws of the beast behind the next tree... This supplement for Frostgrave: Fantasy Wargames in the Frozen City takes players beyond the ruins with rules for running expeditions in search of secret places and forgotten treasures in the dark Wildwoods. New soldiers and magic items may improve wizards' chances of survival, but dwindling supplies, the hostile environment, and terrifying new creatures will push them to their limits in a range of scenarios set in these deep, foreboding forests.

**Frostgrave: Blood Legacy** Joseph A. McCullough, 2021-12-09 In the days of ancient Felstad, vampires kept to the shadows, their small numbers no match for the power of the city's wizards. But when the cataclysm struck, the wizards were destroyed, while the deathless vampires went into a frozen hibernation. Now, as the city thaws, so too do its undead inhabitants. The masters of the night are rising again: reoccupying their hidden strongholds, reforming their old cabals, and finding new victims to serve as their thralls. The destruction of the old city has brought one other boon to the vampires – giant's blood. While giants used to live out of reach to the far north, in the intervening millennium, they have descended on the city in large numbers. Their blood is like an elixir to the vampires, filling them with strength and magical power. A new war is forming between these two ancient races, and once again, the wizards of Frostgrave are caught in the middle. This supplement for Frostgrave: Fantasy Wargames in the Frozen City presents greatly expanded information about the vampires and the giants that occupy the frozen ruins, including rules for vampiric magic and a breakdown of the different tribes of giants. Also included are rules for a new type of soldier, the giant-blooded. These huge men and women have the blood of giants running through their veins, granting them great strength unseen in normal men. Finally, the book contains a section on playing Frostgrave with high-level wizards and includes two mini-campaigns to challenge these experienced spellcasters.

Frostgrave: Ghost Archipelago: Cities of Bronze Joseph A. McCullough, 2019-06-27 The islands of the Ghost Archipelago are covered in the ruins of ancient civilizations, but there is one group whose culture still thrives and whose power still grows – the Dricheans. Divided into many small kingdoms and city-states that wage near-constant war with snake-men, native tribes, and with each other, the Dricheans are renowned for the gleaming bronze of their weapons and armour, and their martial prowess. Organized and militaristic, these formidable warriors pose a new threat to adventurers exploring the Lost Isles. This supplement for Frostgrave: Ghost Archipelago examines the scattered realms of the Dricheans, presenting players with three new mini-campaigns featuring these bronze-armed warriors. Also included are additional rules for using Drichean Crew and Soldiers as well as guidelines for creating your own Drichean kingdoms.

**Frostgrave: Advanced Spellcraft** Joseph A. McCullough, 2025-09-04 Expand your spellbook with Advanced Spellcraft, featuring new options for wizards and a ten-scenario competitive campaign. While today's wizards are not as gifted as those

who ruled Felstad, the recent discovery of the fabled Bibliosepulchre promises to change all that. It was in this great library-crypt that ancient librarians were interred, each clutching a rare grimoire. Who knows what strange energies have seeped from those tomes over the centuries or what shadows and ghosts stalk the dark catacombs? Only those truly obsessed with magic and the power it offers would dare to find out! Advanced Spellcraft offers numerous new rules and ideas that bring more spellcasting possibilities to games of Frostgrave. Critical successes and failures for each basic spell are introduced, as are spell-specific flourishes that can be learned to enhance your magic. Create a Furious Quill that leaps from target to target, cast a Draining Word that affects an entire school of magic, or ensnare multiple zombies with Control Undead. Such flourishes take their toll, however, and to even learn such secrets will require you to venture into the Bibliosepulchre itself in a ten-scenario competitive campaign. With hundreds of new tricks for wizards to learn, Advanced Spellcraft is the largest supplement to date, and is presented in celebration of Frostgrave's 10th anniversary.

**Frostgrave: Thaw of the Lich Lord** Joseph A. McCullough, 2015-11-20 A campaign supplement for Frostgrave, offering new scenarios, an expanded bestiary and additional warband options.

**Frostgrave: Ghost Archipelago: Gods of Fire** Joseph A. McCullough, 2018-09-20 In the shifting labyrinth of the Ghost Archipelago, there is one group of islands that can almost always be found; the Islands of Fire. Surrounded by a grey haze of sooty smoke, the islands contain numerous active volcanoes. Despite the constant threat of annihilation, many tribal groups call these islands home, building their villages on the rocky slopes or in the black jungles of gnarled and stunted trees that surround the mountains. In this supplement for Frostgrave: Ghost Archipelago, the Heritors lead their crew to these blighted isles in search of clues to the location of the Crystal Pool. Containing a host of new scenarios, crewmen types, creatures, and treasure, this volume also includes guidelines for building unique tribes to use as adversaries in scenarios or as allies to the Heritors in their quest.

**Frostgrave: Second Edition** Joseph A. McCullough, 2020-08-20 This new edition of the multi-award-winning fantasy skirmish wargame offers improved rules based on years of player feedback, a revised spell list, and a host of brand-new scenarios. It remains fully compatible with all previously published Frostgrave supplements, allowing players to revisit past adventures as well as face new challenges. Choose a wizard from one of ten schools of magic, and select from a list of eighty spells. Hire a warband filled with soldiers, from lowly thugs and thieves to mighty knights and barbarians, then lead your men into the frozen ruins of the magic city of Frostgrave on the hunt for ancient treasures and the secrets of lost magic. Be warned – it is a deadly place, filled with rival wizards, wandering monsters, animated constructs, and demonic entities. Do you dare enter the Frozen City one more time?

**Frostgrave: The Red King** Joseph A. McCullough, 2020-12-10 Fires rage throughout the Frozen City as an inhuman army pours out of the cracks between realities. In the distant past, a cabal of city elders sought to save their lives by making a pact

with a demon prince... and now the Red King has come to collect what he is owed, claiming Frostgrave as his own. Many have already fled before the Red King's demonic hordes, while others seek to weather the storm, turning their bases into makeshift fortresses. The wizards of Frostgrave must choose – do they stand and fight, or do they abandon this great repository of mystical knowledge to the ravages of unearthly fire? The Red King is the first supplement designed for Frostgrave: Second Edition. In this sprawling, epic campaign, wizards will be pushed to their limits, fighting not only against one another and the perils of the Frozen City, but also against an invading army. As the Red King's power grows, the laws of magic and nature will start to bend. Can the wizards put aside their differences long enough to oppose this common foe, or will greed and mistrust doom them all?

Frostgrave: The Frostgrave Folio Joseph A. McCullough, 2017-03-23 The Frostgrave Folio is the complete collection of all previously released Frostgrave mini-ebook supplements in one printed volume. This includes Hunt for the Golem, a three-scenario campaign in which the warbands hunt down a rogue golem, Sellsword, which introduces rules for experience-gaining captains to help lead warbands, Dark Alchemy, which expands the rules for potions and potion brewing, and Arcane Locations which gives additional options for bases and base upgrades. The book also includes a completely new mini-supplement, The Ravages of Time. Collecting nearly two years' worth of Frostgrave material, this collection is a necessary addition to any wizard's library.

**Frostgrave: Mortal Enemies** Joseph A. McCullough, 2024-03-28 Enhance your Frostgrave campaigns with recurring villains that grow more powerful over time and give your wizards somewhere to hide with expanded rules for bases. On the violent and deadly streets of the Frozen City, feuds and vendettas are commonplace. Wizards may start out focused on discovery and exploration, fighting when necessary for survival or to win possession of some long-lost artefact or grimoire, but such battles can swiftly become intensely personal. Competitors become adversaries and, as the cycle of violence continues, some wizards lose sight of their original goals and focus their efforts on the elimination of their hated foes – their mortal enemies. This supplement for Frostgrave: Fantasy Wargames in the Frozen City presents rules for creating recurring villains in both competitive and solo campaigns. These characters are unique individuals who return over the course of a campaign to plague the players' wizards, gaining experience, recruiting allies, and becoming more deadly with each appearance. Against such threats, a wizard's base becomes as much hideout as headquarters, and an expanded range of options for enhancing bases is provided, as are rules for defending your own... and attacking those of your rivals!
