

Role Of Deacon In Baptist Church

Charles W. Deweese

The Emerging Role of Deacons Charles W. Deweese, 1979 A summary of the biblical, historical, and practical role of deacons in the church.

Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life. Most Baptist individuals and churches have strongly opposed women deacons. Some Baptist associations have even disfellowshipped churches that have approved women deacons. And women in general have been suppressed by many recent actions of the Southern Baptist Convention, thereby affecting women deacons. However, thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions. The book presents arguments on both sides of the topic, but lands squarely in support of women deacons.

What Do Deacons Do? Juan R. Sanchez, 2022-03-14 Concise, Scripture-Centered Guide Addresses Common Questions about Diaconal Service in the Church Many new believers have questions about what it means to live as a Christian in the context of a local church, and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life. Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life. Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment. In this concise booklet, Juan Sanchez explains the essential role deacons play in the life of the church. He addresses topics such as why churches need deacons, how deacons carry out their role, who is eligible to be a deacon, and how diaconal service exemplifies the character of Christ. Valuable for church leaders and members alike, this resource helps readers understand what the Bible has to say about this important church office and why its ministry is indispensable. A Great Resource for Congregations and New Believers: Helps readers think more biblically about the Christian life and faithfulness in a local church Accessible and Practical: Small, shareable booklet includes helpful applications for individuals and churches Part of the Church Questions Series Created in Partnership with 9Marks

The Baptist Deacon Robert E. Naylor, 1998-11 This book comes straight from the heart of a pastor who has had deacons for breakfast, dinner, and supper for as long as he can remember. The son of a Baptist minister, Dr. Naylor was influenced from childhood by men in this noble office of divine origin. His own twenty-five years in the Baptist ministry and his

successful work with deacons in many churches, large and small, well qualify him to write this long needed book.

Deacons Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church? Deacons are essential to a church's health—yet confusion abounds regarding their biblical job description. What's their God-given role in a local congregation and how do they relate to the church's overall mission? In this short book, Matt Smethurst makes the case that deacons are model servants called to meet tangible needs, organize and mobilize acts of service, preserve the unity of the flock, and support the ministry of the elders. Clearing away common misconceptions, Smethurst offers practical guidance for deploying deacons and helping churches to flourish.

Deacons Henry Webb, 2001-10-01 After nineteen years in print and over 200,000 copies sold, Broadman & Holman is publishing an updated edition of *Deacons: Servant Models in the Church*. Henry Webb deals with every aspect of the roles and offices of deacons in the church, including the deacon's marriage, wife, children, family life, conduct, priorities, and other pertinent aspects of deacons as role models of servant leadership in the church.

The Seven Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon? Is this office in the church still relevant today? Dr. Lonnie Davis Wesley believes that deacons have an important role to play, but that church traditions and failures in leadership and education have often made deacons ineffective, or given them tasks to which they are not called and for which they are not equipped. He goes back to the first deacons, chosen and set apart in Acts 6, for a model for the ministry of deacons in the modern church. In doing so, he finds that we need to re-learn and re-apply the lessons of scripture and history so that the church can be fully effective in ministry. *The Seven: Taking a Closer Look at What It Means to Be a Deacon* is a comprehensive guide to reforming and recharging your church's deacon ministry. It includes guides to help you develop an education program to prepare deacons for ministry, and to aid your congregation in supporting that ministry. This book may be read by individuals, but it will find its greatest use as a tool for building a strong deacon ministry in any congregation.

The Role of the Deacon in the Black Baptist Church ; Putting God Into Every Situation George Calvin McCutchen, 1991

Descriptive Duties of Deacons Russell R. Cook, 2017-09-25 Almost every church in America has selected and ordained Deacons for service to their congregations. Most of these Deacons have learned their duties by on-the-job experiences. However, many Deacons, even years after their ordination, still ask the question, What am I supposed to do? This book, *Descriptive Duties of Deacons*, answers that question in clearly definitive ways. You need not feel overwhelmed, unsuited for certain areas of service, or burdened by watching other Deacons in your church and thinking you have to do everything they do. This guidebook shows numerous options for ministry that can fit with your spiritual gifts, talents, training, and personality. These ministry options will help you find your niche in God's work. God does not intend for you to do everything nor to do your duties by yourself. He has placed you in a local church where a Pastor, ministry staff, and numerous

volunteers can serve with you. The various duties described here will help you to better understand what both you and your fellow Deacons need to be doing individually and together. Follow this guidebook, and you may never again ask the question, What am I supposed to do as a Deacon?

Deacons as Leaders Robert Sheffield, 1991 Deacons as Leaders, by Robert Sheffield, portrays various leadership roles of the deacon: in the biblical leadership model for church and community ministry, as a change agent, as a leader in times of transition, and as a leader with the pastor and staff.

Now That You're a Deacon Howard B. Foshee, 1975-10-16 A combination of practical guidance and inspiration on character, relationship to church and pastor, stewardship, missions and more.

Pastor & Deacons Carl Herbster, Ken Howerton, 2010-09-10 How should a church be organized? What functions do the pastors, deacons, and congregation serve? How does a congregation biblically address problems? The authors answer these important questions and many more. As fellow servants in the same church, the authors have collaborated in the writing of this book.

The Role of the Deacon in the Pastoral Ministry of a Baptist Church Curtis J. Cofield, 1979

Selected Case Studies of Effective Deacon Ministries in Large Southern Baptist Churches Mark S. Hudgins, 2009 The thesis of this dissertation is that practices that produce effective deacon ministries exist and can be discovered in selected large Southern Baptist churches. The body of the dissertation is divided into three portions. A literature review examines the New Testament words and texts related to the diaconate and the practice of deacon ministry from the first century to the present day. The research procedure communicates the rationale for choosing the case-study research methodology, the selection of the case study churches, and the means of studying the selected churches. The case-studies demonstrate the practices that produce effective deacon ministries. Many Southern Baptist churches have deacon boards that function as an administrative board of the church rather than as a body of ministering servants. Many contemporary churches and Christian authors regard such a practice as a misapplication of the apparent intent of Scripture and desire a more biblically-informed and functionally beneficial model of deacon ministry. The case-studies of the selected large Southern Baptist churches reveal healthy and effective forms of deacon ministry. These churches define the role of deacon scripturally as a role of service, possess carefully constructed job descriptions for which deacons are trained, hold deacons accountable for their assigned roles, and reward or affirm deacons for faithful service in the church. Churches that adopt these practices have the opportunity to develop, enhance, or transform a deacon ministry. Such an application of this role in the church will provide deacons a meaningful ministry, assist and alleviate the pastor and staff so that they can give priority time and energy to the ministry tasks for which they are best suited, and practically meet needs of hurting members of congregations.

The Deaconship Robert Boyte Crawford Howell, 1851

Deacon Relationships Through the Body of Christ Donald E. Ledbetter, 2009-05 Be the leader God intended you to be! Churches often elect deacons and fail to give them the training they need to accomplish their task, assuming that if one is qualified to become a deacon, he doesn't need training. This assumption has proven injurious both to the individual deacon and to the body of Christ. Dr. Ledbetter is one of the most qualified leaders in the Southern Baptist Convention to assist deacons in becoming the leader God intended them to be. As a pastor, he worked with deacons in four growing churches. Since entering evangelism in January 1984, he has conducted several hundred deacon retreats in both small and large churches across America, in addition to conducting revivals. To be an effective leader, a deacon must have a right relationship with Christ, his family, his church, his pastor, and with himself. This book discusses each of these relationships and provides spiritual insights that will help not only deacons, but every Christian leader to become all God intended them to be.

Descriptive Duties of Deacons Russell R. Cook, 2017-09-25 Almost every church in America has selected and ordained Deacons for service to their congregations. Most of these Deacons have learned their duties by on-the-job experiences. However, many Deacons, even years after their ordination, still ask the question, What am I supposed to do? This book, *Descriptive Duties of Deacons*, answers that question in clearly definitive ways. You need not feel overwhelmed, unsuited for certain areas of service, or burdened by watching other Deacons in your church and thinking you have to do everything they do. This guidebook shows numerous options for ministry that can fit with your spiritual gifts, talents, training, and personality. These ministry options will help you find your niche in God's work. God does not intend for you to do everything nor to do your duties by yourself. He has placed you in a local church where a Pastor, ministry staff, and numerous volunteers can serve with you. The various duties described here will help you to better understand what both you and your fellow Deacons need to be doing individually and together. Follow this guidebook, and you may never again ask the question, What am I supposed to do as a Deacon?

The Ministry of a Baptist Deacon Paul Chappell, 2010-11-15 A godly deacon is a great asset to the work of God. His servant leadership benefits the entire church family, and his support and care for the pastor is invaluable. The Ministry of a Baptist Deacon is written for local church deacons who desire to invest themselves in the work of God and give themselves to the service of God's people. It is designed as a handbook to equip deacons as servant leaders. This two-part manual scripturally defines the office and responsibilities of a deacon as well as providing practical helps for local church ministry. This book also includes several appendices with sample forms, financial procedures, and a sample church constitution.

The Spirit-Led Baptist Deacon Roger B. Sr. Lotson, Roger R. Lotson, Jr., 2011-07-01 The Spirit-Led Baptist Deacon focus and purpose is to strengthen deacons and pastors as they work to develop a ministry to reach the lost and encourage believers. Using the Bible and early church history as its guide, it provides details about the selection, qualifications, duties,

and on-going training of these valuable servant-leaders of the church. It speaks to the biblical role of deacons without regard to the tradition of men or church doctrine not supported by Scripture. Equally important, it seeks to educate deacons on what it means to be spirit-led. The Spirit-Led Baptist Deacon highlights the importance of deacons to both pastors and ministries, and stresses the need for deacons to be led by the spirit and subject to the authority of the pastor. There are many questions about the responsibilities and roles of deacons, such as: Who is responsible for what; when is it going to be performed; how is it going to be performed; what are the specific rules within the Deacon Ministry; and what are the biblical bases for these answers? The Spirit-Led Deacon answers these and many other questions often asked by deacons and pastors.

The Deacon Ministry Handbook Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick as they care and pray for those in need. Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to understanding what a deacon is. Through this book, Alan Witham, Steve Rice, and their teammates bring clarity to the role of deacon by providing a practical guide that serves as *The Deacon Ministry Handbook*. The authors bring decades of local church experience having served as deacons, pastors, and consultants.
