

St Jerome Cause Of Death

Augustin Largent

The Sacred Writings of St. Jerome St. Jerome, 2017 St. Jerome owes his place in the history of exegetical studies chiefly to his revisions and translations of the Bible. The literary activity of St. Jerome, although very prolific, may be summed up under a few principal heads: works on the Bible; theological controversies; historical works; various letters; translations. This edition includes his letters and his most essential writings.

An Exposition of the Epistles of Saint Paul and of the Catholic Epistles: Volumes 1 & 2 Rev. John Macevilly D.D., Aeterna Press, Besides supplying the intelligent Catholic with additional means of giving, in due circumstances, an account of "the hope that is in him" (1 Peter, 3:15)—the chief object of the present work—and furnishing the Ecclesiastical Student with a compendious Treatise, briefly setting forth the sense of these divine oracles, the study of which will form a portion of his daily occupation in the sacred ministry, to draw therefrom useful materials for "teaching, reproving, correcting, and instructing in justice, and to be rendered perfect, furnished to every good work" (2 Tim. 3:16), it is humbly conceived, that the publication of this and other such works, clearly setting forth the sense of the Sacred Scriptures, and fully carrying out the wholesome requisition of the Church, on this vitally important subject, will serve as a further practical confirmation of the arguments, whereby is abundantly demonstrated the anxious desire of the Catholic Church, to have the Holy Scriptures, communicated to her children.

Mary for Protestants R. Divozzo, 2019-06-12 Have you ever wondered about Mary, Jesus' mother? Is she important beyond having given birth to Christ? Is there more to her relationship to Jesus than simply being his biological mother? If you have wondered what Mary is all about, then you will be interested in what this book has to tell you about her. It is a theological and scriptural reflection on Mary as we find her in the biblical record and will help the Protestant reader understand Mary in her relation to Christ according to the ancient wisdom and profound richness of the Catholic tradition

The Principal Works of St. Jerome St. Jerome,2023-03-20 St. Jerome's importance lies in the facts: (1) That he was the author of the Vulgate Translation of the Bible into Latin, (2) That he bore the chief part in introducing the ascetic life into Western Europe, (3) That his writings more than those of any of the Fathers bring before us the general as well as the ecclesiastical life of his time. It was a time of special interest, the last age of the old Greco-Roman civilization, the beginning of an altered world. It included the reigns of Julian (361-63), Valens (364-78), Valentinian (364-75), Gratian (375-83), Theodosius (379-95) and his sons, the definitive establishment of orthodox Christianity in the Empire, and the sack of Rome by Alaric (410). It was the age of the great Fathers, of Ambrose and Augustine in the West, of Basil, the Gregories, and Chrysostom in the East.
