

The Haunting Of Alejandra

Katherine Kenny, Mia Harrison, Anthony K J Smith

The Haunting of Alejandra V. Castro, 2023-04-18 A woman is haunted by the Mexican folk demon La Llorona in this “utterly terrifying and wholly immersive . . . story about generational trauma, colonization, systemic oppression, and the horror at the heart of motherhood” (Library Journal, starred review). “Castro is one of the most exciting genre authors on the scene right now, and this might be her most powerful book yet.”—Paste A POPSUGAR AND CRIMEREADS BEST BOOK OF THE YEAR Alejandra no longer knows who she is. To her husband, she is a wife, and to her children, a mother. To her own adoptive mother, she is a daughter. But they cannot see who Alejandra has become: a woman struggling with a darkness that threatens to consume her. Nor can they see what Alejandra sees. In times of despair, a ghostly vision appears to her, the apparition of a crying woman in a ragged white gown. When Alejandra visits a therapist, she begins exploring her family’s history, starting with the biological mother she never knew. As she goes deeper into the lives of the women in her family, she learns that heartbreak and tragedy are not the only things she has in common with her ancestors. Because the crying woman was with them, too. She is La Llorona, the vengeful and murderous mother of Mexican legend. And she will not leave until Alejandra follows her mother, her grandmother, and all the women who came before her into the darkness. But Alejandra has inherited more than just pain. She has inherited the strength and the courage of her foremothers—and she will have to summon everything they have given her to banish La Llorona forever.

Entiendes? Emilie L. Bergmann, 1995 ¿Entiendes? is literally translated as Do you understand? Do you get it? But those who do get it will also hear within this question a subtler meaning: Are you queer? Are you one of us? The issues of gay and lesbian identity represented by this question are explored for the first time in the context of Spanish and Hispanic literature in this groundbreaking anthology. Combining intimate knowledge of Spanish-speaking cultures with contemporary queer theory, these essays address texts that share both a common language and a concern with lesbian, gay, and bisexual identities. Using a variety of approaches, the contributors tease the homoerotic messages out of a wide range of works, from chronicles of colonization in the Caribbean to recent Puerto Rican writing, from the work of Cervantes to that of the most outrageous contemporary Latina performance artists. This volume offers a methodology for examining work by authors and artists whose sexuality is not so much open as an open secret, respecting, for example, the biographical privacy of writers like Gabriela Mistral while responding to the voices that speak in their writing. Contributing to an archeology of queer

discourses, *¿Entiendes?* also includes important studies of terminology and encoded homosexuality in Argentine literature and Caribbean journalism of the late nineteenth century. Whether considering homosexual panic in the stories of Borges, performances by Latino AIDS activists in Los Angeles, queer lives in turn-of-the-century Havana and Buenos Aires, or the mapping of homosexual geographies of 1930s New York in Lorca's Ode to Walt Whitman, *¿Entiendes?* is certain to stir interest at the crossroads of sexual and national identities while proving to be an invaluable resource.

Sex and Sexuality in Latin America Daniel Balderston, Donna Guy, 1997-02 Organized around three central themes - control and repression; the politics and culture of resistance; and sexual transgression as affirmation of marginalized identity - this intriguing collection will challenge and inform conceptions of Latin American sexuality.

Immortal Pleasures V. Castro, 2024-04-16 An ancient Aztec vampire roams the modern world in search of vengeance and love in this seductive dark fantasy from the author of *The Haunting of Alejandra*. "Hauntingly rendered and decadently written, *Immortal Pleasures* is a surprising and fantastical portrait of one of history's most fascinating (and perhaps most misunderstood) figures."—Eric LaRocca, author of *Things Have Gotten Worse Since We Last Spoke* Hundreds of years ago, she was known as La Malinche: a Nahua woman who translated for the conquistador Cortés. In the centuries since, her name has gone down in infamy as a traitor. But no one ever found out what happened to La Malinche after Cortés destroyed her people. In the ashes of the empire, she was reborn as Malinalli, an immortal vampire. And she has become an avenger of conquered peoples, traveling the world to reclaim their stolen artifacts and return them to their homelands. But she has also been in search of something more, for this ancient vampire still has deeply human longings for pleasure and for love. When she arrives in Dublin in search of a pair of Aztec skulls—artifacts intimately connected to her own dark history—she finds something else: two men who satisfy her cravings in very different ways. For the first time she meets a mortal man—a horror novelist—who is not repelled by her strange condition but attracted by it. But there is also another man, an immortal like herself, who shares the darkness in her heart. Now Malinalli is on the most perilous adventure of all: a journey into her own

desires.

Timescapes of Health, Illness and Care Katherine Kenny, Mia Harrison, Anthony K J Smith, 2025-10-18 This book brings together cutting-edge theoretical work across a range of disciplines in service of developing better understandings of the nature and experience of time in relation to health, illness and care. While the passage of time – smooth or otherwise – is a universal experience, it is often felt acutely in relation to compromised health and/or the need for care. These are key sites for understanding how time is managed and made meaningful in healthcare settings and in everyday life. *Timescapes of Health, Illness and Care* takes an interdisciplinary and international approach to understanding how considerations of time – its ontological standing, normative value, and embodied and intersubjective experience – are vital to understanding experiences of health and illness, the governance of healthcare institutions, and the cultures that circulate around (and often obscure) informal care.
