A Cell Call from Paul David Waddell, 2022-03-18 Author David Waddell continues his thematic writing in Taking the Bible Personally. In this book he relates the issues Paul dealt with in communicating with three churches and one individual. The topics of that day send a definite message to our current culture in what defines our identity in Christ.

Sex, Lies & Dreams David G Bickler, 2018-03-27 Sex, Lies & Dreams By: David G Bickler Sex, Lies & Dreams opens up the truth about our mixed species planet and was prompted by our current world of chaos. It is author David G Bickler's personal birth mission to unite our world in oneness and openness. This book is a new path to a better world, realism as a function, and the truth as the path. David believes in a world at peace. His goal is to unite our nations. His life is built on loving, caring, and sharing. His idea of a government is based on truth, fact, and environment. Transparency is key in our world today.

Have a Beautiful, Terrible Day! Kate Bowler, 2024-01-23 NEW YORK TIMES BESTSELLER • Witty, honest, and wise spiritual reflections that invite readers to embrace the bad, not just the good—from the four-time New York Times bestselling author of Everything Happens for a Reason (And Other Lies I've Loved) Kate Bowler believes that the cultural pressure to be cheerful and optimistic at all times has taken a toll on our faith. But what if we could find better language than forced positivity to express our hopes and our anxieties? *Have a Beautiful, Terrible Day!* is packed with bite-size reflections and action-oriented steps to help you get through the day, be it good, bad, or totally mediocre. This is a devotional for the rest of us—which is to say, the people who don't have magical lives that always work out for the best. As she composed these meditations during a season of chronic pain, Bowler understands how every day can be an obstacle course. She encourages us to develop our capacity to feel the breadth of our experiences. The better we are at identifying our highs and lows, the more resilient we become. Like modern-day psalms, Bowler's spiritual reflections look for the ways we can expand our capacity for courage, love, and honesty—while discovering divine moments with God. With bonus sections to use during the seasons of Advent and Lent, this is an easy book to read along with other people too. If you want to build your daily habit of spiritual attentiveness, this book is here to say: May all your days be lovely. But for those that aren't, have a beautiful, terrible day!

Ignite Your Beacon Brad Johnson, 2015-06-24 Ignite Your Beacon is about uncovering truth, living with intention, and

contributing your gifts to the world. It is Tony Robbins meets Rich Mullins. It is a combination of a self-help and others-help book, an empowerment tool seeking to help individuals uncover potentially long-neglected tools and skills that were contained since birth, and encourage them to employ these skills in new and powerful ways. The book talks about disassembling fear one brick at a time, employing the deep drives that have composed the threads of your spirit from your youth, approaching life with courage on a daily basis, and experiencing the synergistic existence that is a natural by-product of helping others to do all of the above, as well. Most non-fiction books cover ground in relation to a handful of topics, but they may not show how these topics are connected, let alone why they matter to the reader, and what to do about it. Ignite Your Beacon is a book aimed at solving this problem. It is a book that not only informs, but equips the reader to render themselves 180 degrees within the most valuable and actionable arenas of life. This book is a great read for anyone that is interested in motivational non-fiction and is a fan of Tony Robbins, Jim Rohn, Rich Mullins, Dale Partridge, Zig Ziglar, Dale Carnegie, Dale Partridge, Robert Kiyosaki, Donald Trump, Malcolm Gladwell and Nick Vujicic.

Do Your Om Thing Rebecca Pacheco, 2015-03-03 Yoga, Meet Life. Sometimes an hour-long yoga class is the only chance we get to connect meaningfully with our bodies and our minds during a week otherwise full of work, family, and the daily grind. Have you ever wondered how would it feel to bring that experience of awareness and calm out of the yoga studio and into your everyday life? After all, we know that practicing yoga can give us a leaner body and more sculpted limbs, but isn't its most important benefit the way it makes us feel? In *Do Your Om Thing*, master yoga teacher and creator of the popular blog OmGal.com Rebecca Pacheco shows us that the true practice of yoga is about much more than achieving the perfect headstand or withstanding an hour-long class in a room heated to 100 degrees. Yoga is not about performance, she tells us, it's about practice, on your mat and in your life. If you want to get better at anything what should you do? Practice. Confidence, compassion, awareness, joy—if you want more of these—and who doesn't?—yoga offers the skills to practice them. In her warm, personal, and often hilarious prose, Rebecca translates yogic philosophy for its twenty-first-century devotees, making ancient principles and philosophy feel accessible, relatable, and genuinely rooted in the world in which we live today. And by illuminating how the guiding principles of yoga apply to our modern lives, Rebecca shows us that the true power of a yoga practice is not physical transformation, but mental and spiritual liberation.

How to Ikigai Tim Tamashiro, 2019-01-31 Live Your Best Life Ancient, time-tested wisdom: Okinawa, Japan is a tiny, tiny island south of the Japanese mainland where people live their life's purpose every day. How is it possible for so many to live each day in such meaningful ways? The Okinawan concept of Ikigai. How to Ikigai describes the lifestyle choices that have led to an island full of fulfilled, long-living people. Magical reality come to life: Examples of ikigai in action are often magical. Take David Michiels. David stuttered severely well into his adulthood. In clinical terms, his stutter was difficult to treat. But

David started to work in a liquor store. Before long, his focus turned to one specific section of the sales floor: the scotch section. As he spent more of his days learning about scotch, he began to share his knowledge with customers. Eventually, David noticed that his stutter vanished when he talked to anyone about scotch. Over time, David's passion led to a new life. Today, he is a renowned whiskey expert, traveling the world tasting and purchasing whiskey on behalf of his employer. He feels his life is meaningful because of ikigai. A humble look at happiness: Bringing together an exploration of joy not unlike that of *The Book of Joy* by the Dalai Lama and Archbishop Desmond Tutu, a look inward reminiscent of *The Untethered Soul* by Michael A. Singer, and deep truths like those explored by Singer in *The Surrender Experiment*, *How to Ikigai* describes the concept of Ikigai with clarity and meaning. *How to Ikigai* explains a simple but abstract map for living a meaningful life. After reading this book, you will understand how to implement Ikigai's four directions in your own life: • Do what you love • Do what you're good at • Do what the world needs • Do what you can be rewarded for
