AN Whitehead

Forced Marriage With The Ruthless Alpha Loner Hades, 2023-04-19 You are my mate, Caroline. My heart flutters when Alex says my name, I love it when he says my full name. Alex ... I am your sister. I said quietly. Are you crazy? You still don't understand, Cara? Haven't you noticed all this time when I threatened every boy who wanted to approach you? When I hit Joseph because he almost kissed you? You are mine, Cara. All her life, Caroline used to believe werewolves are fantasy creatures. Not until her 18th birthday was Caroline told that she was adopted and to make her feel worse, she was adopted into a werewolf family. More importantly, she was her stepbrother's mate and her stepbrother is an Alpha. Just when Caroline was blending into the situation, she was found by a man who told her he is her real cousin. She was also told her identity as a Lycan- werewolf's most hated enemy and the only way to live is to escape. What happens after Cara found out that her mate's grandfather is the one that murdered her parents? Although her mate is one of the leaders in the academy, what if other leaders did not accept Lycans? Will Caroline run from the academy or will she fight against them to be with her mate? Book 1 of The Lycan And Her Stepbrother Mate Series

The Window Blind Patricia Colton, 2011-10-11 Caterina Cammino is an attractive and reclusive thirty-five-year-old woman whose nightly ritual is to go to the beach and drink wine from the bar of her car. Though alcohol is her crutch and companion, it can't erase the memory of the summer of 1988 when she lost her innocence--and awoke to a scream. Tyler Beck is an intellectually gifted eighteen-year-old loner who has an invisible, magical cord above his right shoulder; he is also a former drug addict who was rehabilitated with the help of a counselor named Robie. After Robie dies, however, a distraught Beck exits his friend's funeral and seeks refuge at the beach and in heroin. Their lives collide when Caterina's car strikes a trashcan that crashes into the semi-conscious Beck. When they both ask aloud for help, the grieving parts of themselves are transported to another dimension called 10-17. Caterina arrives in this dimension as her seventeen-year-old self, Cat, and there she meets Beck, whom she nicknames Ty. Once in this new world, set against a backdrop of Italy, they meet a Watcher named Miranda who tells them that they are in 10-17 for healing, even while their parallel lives are continuing on Earth. Miranda explains that the dimensions are spaced like slats on a window blind; she also tells the teenagers about a place called Thare, an Earth-like dimension populated by humans, but without suffering or addiction. While Beck readily embraces his love for the mature Caterina, she is conflicted over her feelings for a man half her age. Meanwhile, in Dimension 10-17, as

Cat and Ty complete their lesson, they are torn over the choice that Miranda offers them: To go to the perfect world of Thare and leave the Earth and their families behind, or to return wholly to their Earthly selves...

SOCIETY RULES Katherine Whitley,2010-01-08 Forty year old Indie Taylor had long ago given up wondering why she was different. On her wedding day, a little over ten years before, Indie decided to focus her restless energy on creating the image of the perfect wife to her husband, Will, and later, mother to her beloved and eagerly awaited twins. However, things were surfacing that she could no longer ignore. First, was the simple fact that she'd seemed to stop aging. This, coupled with her well-hidden secret from childhood, that she never actually slept, was testing Indie's ability to live the lie. But she was trying. And then he found her. The man who'd searched for her for a lifetime, to tell her of her incredible ancestry, and the serious nature of the job she was born to perform; the protection of Humanity. But Jackson Allen had another mission. He had come to claim what belonged to him; and what he claimed . . . was Indie!

Prythvii: the Forgotten Heirs Ali Hasanali,2011-05-25 The boy remained silent as his uncle looked back down at him. The boy felt uncomfortable as he gazed into the green eyes of a man who had just been introduced as family. The uncles green eyes fell over the boys countenance and focused on the small gray statue that hung on a black string around the young boys neck. The statue was barely longer than an inch and had a mythical lizards tail ensnaring a deep red stone, as if the creature was protecting something sacred. The man with green eyes looked up and smiled slyly at the young boy. Ahh How could I forget? I am in the presence of the youngest Zilsrion heir? It was supposed to be a dream, not a recollection. It was supposed to be just a necklace, not a secret gift of an ancient royal family. He was supposed to be Nasser Salim, not a man without an identity. That was before meeting the eldest Elder. Blessed and cursed by his Prythvii, Nasser must discover his purpose and understand his destiny if the man with the green eyes is ever to be stopped.

young William Shakespeare in this tour de force historical thriller (Publishers Weekly). Rebecca Lopez enjoys a life of privilege in Elizabeth's England, yet she guards secrets that would be anyone's undoing. The beautiful, tempestuous daughter of the queen's own physician, Rebecca is also a converso -- a Jew who practices her banned religion clandestinely. And to court danger further, she helps others of her faith escape persecution and death. Rebecca's risky endeavors often take her to the bustling streets of London disguised in male garb. But one such outing is leading her into a dangerous viper's nest built of intrigue and foul murder. Accompanying her every step of the way is a dashing young actor who inflames her romantic passions—a charming and fearless would-be playwright who calls himself Will Shakespeare.
