## Christina Henry

Looking Glass Christina Henry, 2020-04-21 Collection of four dark novellas set in the Alice series universe. Lovely Creature In the New City lives a girl with a secret: Elizabeth can do magic. But someone knows her secret--someone who has a secret of his own. That secret is a butterfly that lives in a jar, a butterfly that was supposed to be gone forever, a butterfly that used to be called the Jabberwock... Girl in Amber Alice and Hatcher are just looking for a place to rest. Alice has been dreaming of a cottage by a lake and a field of wildflowers, but while walking blind in a snowstorm she stumbles into a house that only seems empty and abandoned... When I First Came to Town Hatcher wasn't always Hatcher. Once, he was a boy called Nicholas, and Nicholas fancied himself the best fighter in the Old City. No matter who fought him he always won. Then his boss tells him he's going to battle the fearsome Grinder, a man who never leaves his opponents alive... The Mercy Seat There is a place hidden in the mountains, where all the people hate and fear magic and Magicians. It is the Village of the Pure, and though Alice and Hatcher would do anything to avoid it, it lies directly in their path...

*Alice* Christina Henry, 2024-04-02 From the national bestselling author of *Ghost Tree* comes a mind-bending novel inspired by the twisted and wondrous works of Lewis Carroll... In a warren of crumbling buildings and desperate people called the Old City, there stands a hospital with cinderblock walls which echo the screams of the poor souls inside. In the hospital, there is a woman. Her hair, once blond, hangs in tangles down her back. She doesn't remember why she's in such a terrible place. Just a tea party long ago, and long ears, and blood... Then, one night, a fire at the hospital gives the woman a chance to escape, tumbling out of the hole that imprisoned her, leaving her free to uncover the truth about what happened to her all those years ago. Only something else has escaped with her. Something dark. Something powerful. And to find the truth, she will have to track this beast to the very heart of the Old City, where the rabbit waits for his Alice.

**Red Queen** Christina Henry, 2016-07-12 The author of *Alice* takes readers back down the rabbit hole to a dark, twisted, and fascinating world based on the works of Lewis Carroll... The land outside of the Old City was supposed to be green, lush, hopeful. A place where Alice could finally rest, no longer the plaything of the Rabbit, the pawn of Cheshire, or the prey of the Jabberwocky. But the verdant fields are nothing but ash—and hope is nowhere to be found. Still, Alice and Hatcher are on a mission to find his daughter, a quest they will not forsake even as it takes them deep into the clutches of the mad White Queen and her goblin or into the realm of the twisted and cruel Black King. The pieces are set and the game has already

begun. Each move brings Alice closer to her destiny. But, to win, she will need to harness her newfound abilities and ally herself with someone even more powerful—the mysterious and vengeful Red Queen...

**Looking Glass** Christina Henry, 2020-04-21 In four new novellas, Christina Henry returns to the world of Alice and Red Queen, where magic runs as freely as secrets and blood. *Lovely Creature* In the New City lives a girl with a secret: Elizabeth can do magic. But someone knows her secret--someone who has a secret of his own. That secret is a butterfly that lives in a jar, a butterfly that was supposed to be gone forever, a butterfly that used to be called the Jabberwock... *Girl in Amber* Alice and Hatcher are just looking for a place to rest. Alice and Hatcher are just looking for a place to rest in *Girl in Amber*, but what they find won't help them. *When I First Came to Town* tells of Hatcher when he was nothing but a boy called Nicholas, who fancied himself the best fighter in the Old City, and in *The Mercy Seat*, Alice and Hatcher would do anything to avoid a place in the mountains where people hate and fear magic, but it stands right in their path.

**The Girl in Red** Christina Henry, 2019-06-18 From the national bestselling author of *Alice* comes a postapocalyptic take on the perennial classic *Little Red Riding Hood*...about a woman who isn't as defenseless as she seems. It's not safe for anyone alone in the woods. There are predators that come out at night: critters and coyotes, snakes and wolves. But the woman in the red jacket has no choice. Not since the Crisis came, decimated the population, and sent those who survived fleeing into quarantine camps that serve as breeding grounds for death, destruction, and disease. She is just a woman trying

not to get killed in a world that doesn't look anything like the one she grew up in, the one that was perfectly sane and normal and boring until three months ago. There are worse threats in the woods than the things that stalk their prey at night. Sometimes, there are men. Men with dark desires, weak wills, and evil intents. Men in uniform with classified information, deadly secrets, and unforgiving orders. And sometimes, just sometimes, there's something worse than all of the horrible people and vicious beasts combined. Red doesn't like to think of herself as a killer, but she isn't about to let herself get eaten up just because she is a woman alone in the woods....

The Ghost Tree Christina Henry, 2025-08-26 When people go missing in the sleepy town of Smith's Hollow, the only clue to their fate comes when a teenager starts having terrifying visions, in a chilling horror novel from national bestselling author Christina Henry. When the bodies of two girls are found torn apart in the town of Smiths Hollow, Lauren is surprised, but she also expects that the police won't find the killer. After all, the year before her father's body was found with his heart missing, and since then everyone has moved on. Even her best friend, Miranda, has become more interested in boys than in spending time at the old ghost tree, the way they used to when they were kids. So when Lauren has a vision of a monster dragging the remains of the girls through the woods, she knows she can't just do nothing. Not like the rest of her town. But as she draws closer to answers, she realizes that the foundation of her seemingly normal town might be rotten at the center. And that if nobody else stands for the missing, she will.

Alice Unsigned HB Christina Henry, 2024-09-17 A mind-bending novel inspired by the twisted and wondrous works of Lewis Carroll... Horseman Christina Henry, 2021-09-28 In this atmospheric, terrifying novel that draws strongly from The Legend of Sleepy Hollow, the author of Alice and The Girl in Red works her trademark magic, spinning an engaging and frightening new story from a classic tale. Everyone in Sleepy Hollow knows about the Horseman, but no one really believes in him. Not even Ben Van Brunt's grandfather, Brom Bones, who was there when it was said the Horseman chased the upstart Crane out of town. Brom says that's just legend, the village gossips talking. More than thirty years after those storied events, the village is a quiet place. Fourteen-year-old Ben loves to play Sleepy Hollow boys, reenacting the events Brom once lived through. But then Ben and a friend stumble across the headless body of a child in the woods near the village, and the discovery makes Ben

question everything the adults in Sleepy Hollow have ever said. Could the Horseman be real after all? Or does something even more sinister stalk the woods?

*Good Girls Don't Die* Christina Henry, 2023-11-14 A sharp-edged, supremely twisty thriller about three women who find themselves trapped inside stories they know aren't their own, from the author of *Alice* and *Near the Bone*. Celia wakes up in a house that's supposed to be hers. There's a little girl who claims to be her daughter and a man who claims to be her husband, but Celia knows this family—and this life—is not hers... Allie is supposed to be on a fun weekend trip—but then her friend's boyfriend unexpectedly invites the group to a remote cabin in the woods. No one else believes Allie, but she is sure that something about this trip is very, very wrong... Maggie just wants to be home with her daughter, but she's in a dangerous situation and she doesn't know who put her there or why. She'll have to fight with everything she has to survive... Three women. Three stories. Only one way out. This captivating novel will keep readers guessing until the very end.

**The Mermaid** Christina Henry, 2018-06-19 From the author of *Lost Boy* comes a beautiful historical fairy tale about a mermaid who leaves the sea, only to become the star attraction of history's greatest showman. Once there was a mermaid called Amelia who could never be content in the sea, a mermaid who longed to know all the world and all its wonders, and so she came to live on land. Once there was a man called P. T. Barnum, a man who longed to make his fortune by selling the wondrous and miraculous, and there is nothing more miraculous than a real mermaid. Amelia agrees to play the mermaid for Barnum and walk among men in their world, believing she can leave anytime she likes. But Barnum has never given up a money-making scheme in his life, and he's determined to hold on to his mermaid.

*Near the Bone* Christina Henry, 2021-04-13 A woman trapped on a mountain attempts to survive more than one kind of monster, in a dread-inducing horror novel from the national bestselling author Christina Henry. Mattie can't remember a time before she and William lived alone on a mountain together. She must never make him upset. But when Mattie discovers the mutilated body of a fox in the woods, she realizes that they're not alone after all. There's something in the woods that wasn't there before, something that makes strange cries in the night, something with sharp teeth and claws. When three strangers appear on the mountaintop looking for the creature in the woods, Mattie knows their presence will anger William. Terrible things happen when William is angry.

Canon Fanfiction Christine Schott, 2023-01-30 Several scholarly fields investigate the reuse of source texts, most relevantly adaptation studies and fanfiction studies. The limitation of these two fields is that adaptation studies focuses narrowly on retelling, usually in the form of film adaptations, but is not as well equipped to treat other uses of source material like prequels, sequels, and spinoffs. On the other hand, fanfiction studies has the broad reach adaptation studies lacks but is generally interested in underground production rather than material that goes through the official publication process and thus enters the literary canon. This book sits in the gap between these fields, discussing published novels and

their contribution to the scholarly engagement with their pre- and early modern source material as well as applying that creative framework to the teaching of literature in the college classroom.

*Lost Boy* Christina Henry, 2017-07-04 From the national bestselling author of *Alice* comes a familiar story with a dark hook—a tale about Peter Pan and the friend who became his nemesis, a nemesis who may not be the blackhearted villain Peter says he is... There is one version of my story that everyone knows. And then there is the truth. This is how it happened. How I went from being Peter Pan's first—and favorite—lost boy to his greatest enemy. Peter brought me to his island because there were no rules and no grownups to make us mind. He brought boys from the Other Place to join in the fun, but Peter's idea of fun is sharper than a pirate's sword. Because it's never been all fun and games on the island. Our neighbors are pirates and monsters. Our toys are knife and stick and rock—the kinds of playthings that bite. Peter promised we would all be young and happy forever. Peter lies.

*The Place Where They Buried Your Heart* Christina Henry, 2025-11-04 A woman must confront the evil that has been terrorizing her street since she was a child in this gripping haunted house novel from the national bestselling author of *The House That Horror Built* and *Good Girls Don't Die*. On an otherwise ordinary street in Chicago, there is a house. An abandoned house where, once upon a time, terrible things happened. The children who live on this block are told by their parents to stay away from that house. But of course, children don't listen. Children think it's fun to be scared, to dare each other to go inside. Jessie Campanelli did what many older sisters do and dared her little brother Paul. But unlike all the other kids who went inside that abandoned house, Paul didn't return. His two friends, Jake and Richie, said that the house ate Paul. Of course adults didn't believe that. Adults never believe what kids say. They thought someone kidnapped Paul, or otherwise hurt him. They thought Paul had disappeared in a way that was ordinary, explainable. The disappearance of her little brother broke Jessie's family apart in ways that would never be repaired. Jessie grew up, had a child of her own, kept living on the same street where the house that ate her brother sat, crouched and waiting. And darkness seemed to spread out from that house, a darkness that was alive—alive and hungry.

## **Alice By Christina Henry Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Alice By Christina Henry has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alice By Christina Henry has opened up a world of possibilities. Downloading Alice By Christina Henry provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alice By Christina Henry has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited

financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alice By Christina Henry. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alice By Christina Henry. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alice By Christina Henry, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alice By Christina Henry has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
