**Who or What Is It All About?: A Worshipping Musician's Guide to Theology** Lawrence Cooke,2012-11-04 This book is a comprehensive and detailed overview of the main aspects of the Christian faith and lifestyle treated in a style which is simple to understand without being simplistic. In more than 95 essays, Lawrence ranges across the breadth and depth of Christian theology. Using the questions: Who Is It? or What Is It? the author proceeds to analyse across a spectrum of topics. Included amongst the 95 essays are answers to the following questions: Who is God? Who is Jesus Christ? Who is The Trinity? Who is The Messiah? Who is a Human Being? Who is a Male? Who is Satan? Who is The Son of Man? Who is God the Father? Who is the Word? Who is a Female? Who is the Antichrist? What is Revelation? What is Creation? What is the Truth? What is The Law? What is Praise? What is Glory? What is Prophecy? What is Healthy Living? What is Love? What is Holiness? What is the Tongue? What is Fear?

**National Security, Democracy, and Good Governance in Postmilitary-Rule Nigeria, Volume Two** Dr. Dan

Mou,2017-01-12 This book shows that the security, economic, political, and social problems challenging national security, democracy, and good governance currently in Nigeria would get better or worse, depending on what happens to the 71 percent of Nigerias population still living below the poverty line. This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades. It reveals that one does not need to be a political prophet to predict that if these challenges are not successfully addressed through good governance and inclusive growth, this country will witness worse civil disobedience, violence, revolts, militancy, breakdown of law and order, more kidnappings, and more of the citizens trying to check out of the country to other parts of the world in the future. It concludes, however, that under such intense pressures, the Government of Nigeria, even if it is simply for its self-preservation, will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria. These are the ones who have, for long, captured and hijacked state power and the resources of the country for their exclusive use. There is this perception that Nigerians dont write and read. This perception is deep-seated, even among intellectuals who see our authors as shallow researchers. But Dr. Dan Mou has debunked that myth and shown that Nigerians can write well-researched and detailed books. It is quite prophetic in its assessment of the Nigerian State (Agbo Agbo, deputy editor, The Nation). Dr. Dan Mou has proven himself a world-class scholar and an intellectual colossus. His reputation as an internationally renowned public policy expert has continued to soar. I congratulate him for these remarkable achievements (Professor Justice Abdul Fatai Kuti, first justice of Abuja High Court and former dean, faculty of law, University of Ado Ekiti, Ekiti State of Nigeria). Dr. Mou is certainly one of the best scholars we have on the African continent. As an educationist myself, before I became a traditional ruler, I agree totally with his analysis and conclusions. I share the optimism Dr. Mou has expressed . . . that once the recommendations therein are adopted and meticulously implemented, with proper monitoring and evaluation of such resultant policies and programmes, Nigeria and indeed Africa would be able to solve most of these challenges (HRH Alh. Dr. Sheban Audu, Nizazo III, Etsu Kwali, Etsu Kwalis Palace, Abuja, Nigeria).

**The Principles and Benefits of Change** Myles Munroe,2009 Reveals how we can respond positively rather than react negatively to change that happens to us, around us, and within us and how we can initiate change, enabling us to fulfill our God-given purposes--Provided by publisher.

Applying the Kingdom Myles Munroe,2007-08-28 In Applying the Kingdom, the third book in his Kingdom series, Dr. Myles Munroe makes the case that the key to abundant living is found in establishing priorities in one s life and living by them. Topping his list is the priority, Kingdom First!

**Making of an African Giant** Dan Mou,2015-10-16 The performance of Nigeria has recently been vehemently criticized as not commensurate with her human and material potentialities. The hope that Nigeria is, by destiny, the African Giant appears to be fading. Some analysts, seeing this, have blamed it on the character defects of the leadership in Nigeria. They

argue that because the leaders are predatory and corrupt, they have preoccupied themselves with their interests, which are primitive accumulation and luxurious lifestyles. Meanwhile, the rest of the citizens are suffering. This book argues that such character defects may indeed exist in some of Nigerian leaders. However, these are not the main reasons for their dismal performance regarding the welfare of the citizens. The main problem is that Nigerian leaders seem to have largely lost control over the state and its policies, which appear to have been captured by the dominant classes and groups local and international. Nigeria's main problem is, therefore, a structural one. Nonetheless, the book concludes as the security, economic, political, and social crises intensify Nigerian leaders, even if it is simply for self-preservation, will be forced by the objective conditions to move against the interests of these dominant classes and groups. It is only then that Nigeria can realistically be restored to the possibility of becoming an African Giant.
