

# Curleys Wife Character Traits

**Richard Beach,James Dennis Marshall**

**The Famous and the Dead** T. Jefferson Parker,2014-07-01 For fans of Michael Connelly and CJ Box, from New York Times bestseller and Edgar-award winner T. Jefferson Parker, author of *The Room of White Fire*, comes the explosive finale in his Charlie Hood series, which will bring together the destinies of three men caught between light and darkness.... Los Angeles County sheriff's deputy Charlie Hood is attached to the ATF, working undercover on the illegal arms trade that flows across the U.S.-Mexico border. The sparkle of the diamond fillings he wears in his left canine distracts his task force targets and is often the first step toward a long stay behind bars. Meanwhile, Bradley Jones—sheriff's deputy, employee of the Baja Cartel, and son of the love of Charlie's life—is expecting a son of his own. Bradley, supposedly descended from the famed Mexican outlaw Joaquin Murrieta, has reaped the rewards of his treachery, keeping a hoard of cash and jewelry in a secret lair on his property. Charlie knows Bradley's secrets, all of them; the question is what he'll do with the information. But he still has to contend with the devilish Mike Finnegan, who flits in and out of the lives of his friends, knows things he should not know, is seemingly immortal, and delights in the havoc he wreaks in the orbits of everyone he touches.... All three are about to meet. But all will not survive....

**The Dramatic Writer's Companion** Will Dunne,2017-10-04 Spark your creativity, hone your writing, and improve your scripts with the self-contained character, scene, and story exercises found in this classic guide. Having spent decades working with dramatists to refine and expand their existing plays and screenplays, Dunne effortlessly blends condensed dramatic theory with specific action steps—over sixty workshop-tested exercises that can be adapted to virtually any individual writing process and dramatic script. Dunne's in-depth method is both instinctual and intellectual, allowing writers to discover new actions for their characters and new directions for their stories. The exercises can be used by those just starting the writing process and by those who have scripts already in development. With each exercise rooted in real-life issues from Dunne's workshops, readers of this companion will find the combined experiences of more than fifteen hundred workshops in a single guide. This second edition is fully aligned with a brand-new companion book, *Character, Scene, and Story*, which offers forty-two additional activities to help writers more fully develop their scripts. The two books include cross-references between related exercises, though each volume can also stand alone. No ordinary guide to plotting, this handbook centers on the principle that character is key. "The character is not something added to the scene or to the story,"

writes Dunne. "Rather, the character is the scene. The character is the story." With this new edition, Dunne's remarkable creative method will continue to be the go-to source for anyone hoping to take their story to the stage. "Dunne mixes an artist's imagination and intuition with a teacher's knowledge of the craft of dramatic writing." —May-Brit Akerholt, award-winning dramaturg

*Of Mice and Men by John Steinbeck - The Bookaholic Academy Study Guide Series* The Bookaholic Academy, Ace your literature studies with this comprehensive study guide for *Of Mice and Men* by John Steinbeck. **John Steinbeck** Tetsumaro Hayashi,1993 Ten essays by the North American delegates to an international Steinbeck Congress in Honolulu, May 1990. They cover the period during which the American writer grew from a struggling regional writer to an international figure with immense production, focusing on his women characters and his well known worker trilogy. Annotation copyright by Book News, Inc., Portland, OR

Autistic-Coded Representation and Autism Stereotypes Martin Brick,2024-04-01 Autistic-Coded Representation and Autism Stereotypes: Looking for the Spectrum takes a fresh approach to examining autism representation in literature, film, and television by looking particularly at characters who are not directly identified as falling on the Autism Spectrum. As autism becomes an increasingly popular topic to explore in literature and visual media, it is important that representations present people with autism as real humans with complex interior lives. Too often autistic characters fall into broad stereotypes – victims, villains, fools, or heroes – and autism emerges as the defining aspect of their personality. This book looks at autistic-coded characters, both classic and contemporary, to examine the benefits of looking for the spectrum in characters not explicitly labeled. Autistic audiences see a diverse and fully fleshed representation of themselves and neurotypical audiences gain a greater understanding of ASD through exposure to characters who defy stereotypes.
