

# Dazai No Longer Human

Jeffrey HILARY

**No Longer Human** Osamu Dazai, 2012-09-30 The poignant and fascinating story of a young man who is caught between the breakup of the traditions of a northern Japanese aristocratic family and the impact of Western ideas. Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Portraying himself as a failure, the protagonist of Osamu Dazai's *No Longer Human* narrates a seemingly normal life even while he feels himself incapable of understanding human beings. His attempts to reconcile himself to the world around him begin in early childhood, continue through high school, where he becomes a "clown" to mask his alienation, and eventually lead to a failed suicide attempt as an adult. Without sentimentality, he records the casual cruelties of life and its fleeting moments of human connection and tenderness. Still one of the ten bestselling books in Japan, *No Longer Human* is an important and unforgettable modern classic: "The struggle of the individual to fit into a normalizing society remains just as relevant today as it was at the time of writing." (The Japan Times)

*No Longer Human* 人間失格, 1958 A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage.

**Osamu Dazai's No Longer Human** Osamu Dazai, 2023-11-21 I've led a life full of shame. Human beings are a complete mystery to me. This manga version of novelist Osamu Dazai's masterpiece *NO LONGER HUMAN*—the #2 bestselling novel of all time in Japan—tells the story of Yozo Oba, a young man growing up in Japan in the immediate aftermath of World War II, who finds himself caught between the disintegration of the traditions of his aristocratic provincial family and the impact of the new postwar world. Oba is tormented by a failure to find any value in himself or in human relationships, despite being surrounded by women who love him. He creates the persona of a buffoon who mocks himself while entertaining others. But inside he is tortured, and as he moves from childhood to adulthood he becomes addicted to sex and alcohol. Largely autobiographical, *No Longer Human* explores Dazai's own sense of failure and alienation which drove him to self-destruct with alcohol and numerous suicide attempts. Osamu Dazai (1909—1948) is Japan's second most popular novelist (after Soseki), and his works are seeing a huge surge in popularity among young people worldwide thanks to the success of the recent manga, anime and film series *Bungo Stray Dogs*, whose protagonist, a detective called Osamu Dazai, has similar character traits to Yozo Oba. Fans of manga and anime are turning to the original *No Longer Human* novel, whose themes of

alienation from society and an inability to reconcile social appearances with inner self—told with great wit, irony and pathos—strike a deep chord among readers today. \*\*Recommended for readers ages 16+ due to mature themes and graphic content\*\*

**No Longer Human Complete Edition (manga)** Usamaru Furuya, Osamu Dazai, 2022-11-01 Osamu Dazai's classic tale retold by Usamaru Furuya is now in a complete omnibus edition! No Longer Human, the searing semi-autobiographical novel by Osamu Dazai, Japan's Dostoevsky, trades its original prewar setting for the brave new world of the aught years in this adaptation by the enfant terrible of manga. This unique omnibus, previously available in three installments, features left-to-right (rather than "flipped") art drawn by the creator himself for Western audiences. Find out how a self-described clown awakens to his dark genius.

Osamu Dazai's No Longer Human Osamu Dazai, 2023-10-10 I've led a life full of shame. Human beings are a complete mystery to me. This manga version of novelist Osamu Dazai's masterpiece NO LONGER HUMAN--the #2 bestselling novel of all time in Japan--tells the story of Yozo Oba, a young man growing up in Japan in the immediate aftermath of World War II, who finds himself caught between the disintegration of the traditions of his aristocratic provincial family and the impact of the new postwar world. Oba is tormented by a failure to find any value in himself or in human relationships, despite being surrounded by women who love him. He creates the persona of a buffoon who mocks himself while entertaining others. But inside he is tortured, and as he moves from childhood to adulthood he becomes addicted to sex and alcohol. Largely autobiographical, No Longer Human explores Dazai's own sense of failure and alienation which drove him to self-destruct with alcohol and numerous suicide attempts. Osamu Dazai (1909--1948) is Japan's second most popular novelist (after Soseki), and his works are seeing a huge surge in popularity among young people worldwide thanks to the success of the recent manga, anime and film series Bungo Stray Dogs, whose protagonist, a detective called Osamu Dazai, has similar character traits to Yozo Oba. Fans of manga and anime are turning to the original No Longer Human novel, whose themes of alienation from society and an inability to reconcile social appearances with inner self--told with great wit, irony and pathos--strike a deep chord among readers today. \*\*Recommended for readers ages 16+ due to mature themes and graphic content\*\*

**No Longer Human - Dazai Osamu** Osamu Dazai, 2025-08-08 No Longer Human is a deeply introspective exploration of alienation, identity, and the struggle for self-acceptance in a rapidly changing society. Osamu Dazai presents the fragmented life of Ōba Yōzō, a man unable to reconcile his outward persona with his inner despair, navigating a world where human connection feels impossible and authenticity seems unattainable. Through a series of confessional notebooks, the narrative confronts the psychological disintegration of its protagonist, revealing the corrosive effects of isolation, guilt, and societal expectations. Since its publication, No Longer Human has been recognized as one of the most significant works of modern

Japanese literature, praised for its unflinching honesty and emotional depth. Its exploration of universal themes such as the fear of rejection, the search for meaning, and the destructive consequences of self-alienation has resonated with readers across cultures and generations. The novel's stark portrayal of mental anguish and existential crisis continues to speak to those grappling with the tension between their inner selves and the facades they present to the world. The enduring power of *No Longer Human* lies in its capacity to strip away illusions and confront the raw, uncomfortable truths about the human condition. By examining the fragile boundaries between authenticity and performance, belonging and estrangement, Dazai invites readers to reflect on the cost of disconnection — and on the profound human need for understanding, compassion, and genuine connection.

No Longer Human Osamu Dazai, 2027-05-04 The classic Japanese novel of alienation and the search for meaning and connection in the modern world, in a brilliant new translation—for fans of Salinger, Camus, Sartre, Hesse, and the hit anime series *Bungo Stray Dogs* and *No Longer Allowed in Another World*, both of which feature a character based on *No Longer Human*'s author, Osamu Dazai. A Penguin Classics Graphic Deluxe Edition, with flaps, deckle-edged paper, and specially commissioned cover art by award-winning illustrator Yuko Shimizu featuring neon pink ink! Portraying himself as a failure, the protagonist of Osamu Dazai's *No Longer Human* narrates a seemingly normal life even while he feels himself incapable of understanding human beings. Oba Yozo's attempts to reconcile himself to the world around him begin in early childhood, continue through high school, where he becomes a "clown" to mask his alienation, and eventually lead to a failed suicide attempt as an adult. Without sentimentality, he records the casual cruelties of life and its fleeting moments of human connection and tenderness. Semi-autobiographical, *No Longer Human* is the final completed work of one of Japan's most important writers. It has come to "echo the sentiments of youth" (*The Mainichi Daily News*) from postwar Japan to the postmodern society of technology. Still one of the ten bestselling books in Japan, *No Longer Human* is a powerful exploration of an individual's alienation from society.

No Longer Human , 2014

No Longer Human Junji Ito, 2019-12-17 Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Plagued by a maddening anxiety, the terrible disconnect between his own concept of happiness and the joy of the rest of the world, Yozo Oba plays the clown in his dissolute life, holding up a mask for those around him as he spirals ever downward, locked arm-in-arm with death. Osamu Dazai's immortal—and supposedly autobiographical—work of Japanese literature, is perfectly adapted here into a manga by Junji Ito. The imagery wrenches open the text of the novel one line at a time to sublimate Yozo's mental landscape into something even more delicate and grotesque. This is the ultimate in art by Ito, proof that nothing can surpass the terror of the human psyche. -- VIZ Media

Summary of No Longer Human by Osamu Dazai Jeffrey HILARY, 2021-08-15 Can't read the main book? Don't worry. Here is the summary of No Longer Human by Osamu Dazai. The poignant and fascinating story of a young man who is in a dilemma as regards to the impacts of Western ideas Vs Core Northern Japanese Aristocratic Family. He does the following: Portrays himself as a failure. Narrates a supposed normal life even when he felt incapable of understanding human beings. He tries to reconcile himself to the world around. His failed suicide attempts as an adult. He equally records the cruelty of life and it's sparks of human connection and tenderness All these are efficiently summarized in this small book of great value!

The Contemporary Writer and Their Suicide Josefa Ros Velasco, 2023-07-05 This volume is the continuation of the book Suicide in Modern Literature, edited by Josefa Ros Velasco. Considering the positive reception of this book, Ros Velasco launches the second part, entitled The Contemporary Writer and their Suicide. This time, leading representatives of various disciplines analyze the literary, philosophical, and biographical works of contemporary writers worldwide who attempted to commit suicide or achieved their goal, looking for covert and overt clues about their intentions in their writings. This book aims to continue shedding light on the social and structural causes that lead to suicide and on the suicidal mind, but also to show that people assiduous to writing usually reflect their intentions to commit suicide in their writings, to explain how these frequently veiled intentions can be revealed and interpreted, and to highlight the potential of artistic, philosophical, and autobiographical writing as a tool to detect suicidal ideation and prevent its consummation in vulnerable people. This book analyzes several case studies and their allusions to their contexts and the socio-structural and environmental violence and pressures they suffered, expressions of their will and agency, feelings of dislocation between the individual, reality, and existential alienation, and literary styles, writing techniques, and metaphorical language.

**A Shameful Life** Osamu Dazai, 2018-11-13 Recipient of the 2018 William F. Sibley Memorial Subvention Award for Japanese Translation A new, definitive translation of the postwar classic known to the west as No Longer Human—a tortured vision inspiring the likes of Junji Ito and Bungo Stray Dogs Osamu Dazai is one of the most famous—and infamous—writers of 20th-century Japan. A Shameful Life (Ningen Shikkaku) is his final published work and has become a bestselling classic for its depiction of the tortured struggle of a young man to survive in a world that he cannot comprehend. Paralleling the life and death of Dazai himself, the delicate weaving of fact and fiction remorselessly documents via journals the life of Yozo, a university student who spends his time in increasing isolation and debauchery. His doomed love affairs, suicide attempts, and constant fear of revealing his true self haunt the pages of the book and reveal a slow descent into madness. This dark tale nevertheless conveys something authentic about the human heart and its inability to find its true bearing. Gibeau's translation cements A Shameful Life's place in the existentialist literary canon from Dostoevsky to Camus. Fans of Bungo

Stray Dogs will recognize Osamu Dazai as one of the characters named after the giants of Japanese literature. Those familiar with the numerous adaptations in graphic novels and animation can experience the source material in faithful, modern prose.

*The Columbia Companion to Modern East Asian Literature* Joshua S. Mostow, 2003-07-10 This extraordinary one-volume guide to the modern literatures of China, Japan, and Korea is the definitive reference work on the subject in the English language. With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries, this companion is an essential starting point for the study of East Asian literatures. Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined, including nationalism, gender, family relations, and sexuality. Following the thematic essays are the individual entries: over forty for China, over fifty for Japan, and almost thirty for Korea, featuring everything from detailed analyses of the works of Tanizaki Jun'ichiro and Murakami Haruki, to far-ranging explorations of avant-garde fiction in China and postwar novels in Korea. Arrayed chronologically, each entry is self-contained, though extensive cross-referencing affords readers the opportunity to gain a more synoptic view of the work, author, or movement. The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature. Although the literatures of China, Japan, and Korea are each allotted separate sections, the editors constantly kept an eye open to those writers, works, and movements that transcend national boundaries. This includes, for example, Chinese authors who lived and wrote in Japan; Japanese authors who wrote in classical Chinese; and Korean authors who write in Japanese, whether under the colonial occupation or because they are resident in Japan. The waves of modernization can be seen as reaching each of these countries in a staggered fashion, with eddies and back-flows between them then complicating the picture further. This volume provides a vivid sense of this dynamic interplay.

**Proceedings of the 2024 7th International Conference on Humanities Education and Social Sciences (ICHESS 2024)** Feiru Zeng, Asad Khalil, Feng Wu, Jianfei Luo, 2024-12-20 This is an open access book. ICHESS started in 2018, the last five sessions of ICHESS have all been successfully published. ICHESS is to bring together innovative academics and industrial experts in the field of Humanities Education and Social Sciences to a common forum. The 7th International Conference on Humanities Education and Social Sciences (ICHESS2024) will be held on October 11-13, 2024 in Ningbo, China. This conference serves as a platform for the exchange of innovative ideas, cutting-edge research, and collaborative initiatives that address the pressing issues faced by our communities today. The overarching theme of this year's conference is Bridging Traditions and Innovations, which underscores the importance of harmonizing classical perspectives with modern advancements to foster a holistic understanding of human behaviour, culture, and societal development. By facilitating dialogue and connections among diverse fields such as history, philosophy, sociology, education, and psychology, the

conference aims to promote interdisciplinary research and enhance educational practices. Ultimately, the goal is to inspire actionable insights and foster sustainable solutions that contribute to societal well-being and global progress. This year's conference distinguishes itself from previous editions by emphasizing a set of unique and timely research themes designed to address the evolving landscapes of humanities and social sciences. One of the primary themes is Digital Humanities and Society, which explores how digital technologies are transforming historical research, cultural preservation, and educational methodologies. Another significant theme is Social Justice and Equity, focusing on contemporary challenges related to race, gender, class, and access to education, and fostering discussions on policies and practices that aim to create a more just society. Globalization and Cultural Identity is another key theme, examining the effects of global interconnectedness on local cultures and identities, and how these dynamics shape both individual and collective experiences in diverse societies. Additionally, Sustainability and Ethics invites scholars to delve into the ethical dimensions of environmental sustainability, social responsibility, and the role of humanities and social sciences in promoting sustainable development. Furthermore, this year's conference introduces a theme on Interdisciplinary Approaches to Crisis Management, addressing the critical need for humanities and social sciences perspectives in understanding and managing global crises such as pandemics, economic instability, and political upheavals. By focusing on these distinct research themes, the conference aims to not only advance academic discourse but also inspire concrete actions that address the multifaceted challenges of our time.

**No Longer Human: Bukan Lagi Manusia** Osamu Dazai, 2022-03-05 “Hidupku begitu memalukan. Aku bahkan tidak sanggup memikirkan bagaimana rasanya menjalani kehidupan sebagai manusia.” Meskipun peristiwa “No Longer Human” sangat mirip dengan kehidupan pribadi Dazai sendiri, gayanya yang blak-blakan — tanpa sentimen atau nostalgia — menjauhkannya dari nada otobiografi yang sebenarnya. Novel ini memiliki kualitas yang tak lekang oleh waktu: Perjuangan individu untuk menyesuaikan diri dengan masyarakat yang normal tetap sama relevannya saat ini seperti pada saat penulisan. —Japan Times

Lives and Deaths of Werther Johannes Kaminski, 2023-12-21 An investigation of how interpretations, translations, and literary adaptations of Goethe's novel, *The Sorrows of Young Werther* have left their mark on the original text. Kaminski situates the text's legacy among Italian, French, Chinese, and Japanese writers, and explores the dynamics of world literature.

**The Setting Sun** Osamu Dazai, 2014-08-01 This powerful novel of a nation in social and moral crisis was first published by New Directions in 1956. Set in the early postwar years, it probes the destructive effects of war and the transition from a feudal Japan to an industrial society. Osamu Dazai died, a suicide, in 1948. But the influence of his book has made people of the setting sun a permanent part of the Japanese language, and his heroine, Kazuko, a young aristocrat who deliberately abandons her class, a symbol of the anomie which pervades so much of the modern world.
