Leading Mind Peter Hey, 2019-02-14 With his blend of engineering and the fields of personal transformation, Peter Hey takes us on a deep, yet accessible journey into the inner recesses of our minds. He presents a unique model of the mind and the mechanisms that define our behavior. Based on his own personal experiences as the son of a Holocaust survivor, his sessions with his own clients and his background in computer design, he brings the concept of programs in our unconscious as the basic mechanism that determines our actions. Millions of programs operating below our everyday awareness, each of them associated with emotions that, in fact, are the actual power behind our decisions in daily life. *Leading Mind* explains how these programs are created from all our experiences, starting already at conception, through our time in the mother's womb, all the way to full adulthood. It also shows how, when accessing our deep unconscious, we discover aspects in us that

transcend our current physical life. Based on thousands and thousands of sessions done by practitioners around the world, with remarkably consistent results across cultures, education, social status and personal beliefs. Leading Mind shows how the current events that are impacting our civilization nowadays are the result of our emotional ignorance. It brings to light an urgent call to reform our educational curriculum to teach how our mind works and tools for personal transformation and conflict resolution. Understanding our minds brings tolerance and compassion for all. It gives us the knowledge to change our limiting behaviors. The start of real personal power to direct our lives in the direction that is our authentic individual expression.

Reflections Peter James Ford, 2024-03-27 Peter James Ford, *The Unlikely Messenger*, is a unique individual with a broad understanding of life from having lived life from many lifestyles. Peter experienced the good, the bad, the ugly, and then an awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the sixties, with having learning disabilities, including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age Peter crawled into the 12-step recovery program a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful "Kundalini Awakening" within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings, or at least that they will bring a smile to your face when thinking about Peter, this "Unlikely Messenger."

Fall Down Nine Times, Get Up Ten Martin Avery, 2014-07-06 You're going to die, the doctor said. But Canadian author Martin Avery laughed and walked away. *Fall Down Nine Times, Get Up Ten* tells the story of a man who was told he would never work or walk again, in Canada, but lived to get a better diagnosis of jing-chi-shen in China.

Destiny Peter James Ford, 2024-03-04 "DESTINY" is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid visions in his mind of 'seeming' past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. One source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and

knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title “MYSTICISM IN NEWBURYPORT” then the eighth and ninth bonus/companion books called “MYSTIC” & “VISION QUEST.” Then “SHAMBHALA’S GHOSTS” was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself “An Unlikely Messenger” as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

Mystic Peter James Ford, 2023-10-19 “Mysticism in Newburyport” is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter’s powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading toward New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter’s love of Nature had brought him to the Newburyport area. This area is rich with Nature’s treasures, Native American Heritage, and many tales from the tall cargo ships of olden days. High Street was lined with homes of these Sea Captains. Peter’s awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past-life experiences with his Mystery Woman guide named Layne. Layne was a mystic who would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth’s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter’s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet. Peter was to share the secrets that were revealed to him in his writings.

The Power of Now: by Eckhart Tolle | Summary & Analysis Elite Summaries, In today's society, it is easy to get caught up in the daily droll of life and lose touch with your spirituality. Since its publication in 1999, *The Power of Now* has sold over 2 million copies, and it's easy to see why: Eckhart's revolutionary insight into the return to spirituality has changed lives everywhere. p.p1 {margin: 0.0px 0.0px 10.0px 0.0px; text-align: justify; font: 11.0px 'Trebuchet MS'; color: #000000; -webkit-text-stroke: #000000} span.s1 {font-kerning: none} In the first chapter, Tolle presents a simple yet dynamic idea: that you are made up of your spirit and your mind, and they are separate from one another. He goes on to teach us how to free ourselves from the mind and introduces the concept that we are a source of our own pain. Again, a simple enough concept, but it's the groundbreaking revelation many people have found to help them break free from a bleak existence devoid of spirituality. The book is masterfully written and expertly deconstructs the obstacles that often stand in the way of being a spiritually enlightened person. If you are intrigued by the idea of spirituality or want to return to a more enlightened state of being, pick up a copy of *The Power of Now* and discover how to move into the present.
