The Dark Master William Knell, 2009-01-19 This is not just another Vampire Story. It's the amazing tale of a powerful being bent on revenge. Discover how a common man became The Dark Master and move with him through the centuries until he winds up in New York City. It's there that we meet the fascinating characters that interact with him over one hundred years. It's there that he reaches into the heart of the New York City Mob and pulls out a man in need of his unique powers.

Contesting the Will: A Material Witness Mystery Diane Vallere, 2025-10-28 It's curtains for somebody at the reading of the will... Poly Monroe never expected to inherit anything from Reginald Villamere, the recently deceased millionaire who preserved San Ladron's historic movie theater. As the owner of the town's fabric shop, Poly never knew the theater owner—but her relatives, who left her the fabric shop—did. When his thirty-year-old will names them among the beneficiaries, Poly finds herself thrust into a mystery—one that turns deadly when one of Villamere's lawyers is found murdered in a theater storage room after the will reading concludes. Town residents are more abuzz over the will than the murder of a stranger, and rumors ensue. The historical society contests the will, determined to wrest control of the theater for themselves. The Villamere's most devoted employee, who spent years tending to the old playhouse, has been snubbed. Another staff member is keeping his past neatly folded away, hoping no one pulls at the wrong thread. And the murdered lawyer may have had his own secret: a hidden connection to an heir no one saw coming. As suspicion stitches into every corner of the small California town, Poly must rely on her eye for patterns and her knack for unraveling the truth. But the closer she gets to mending the gaps in this case, the more she risks becoming the next victim in a plot tailored for murder.

Money Changers and False Profits Jane M. Bell, 2022 New York, 1973. A seasoned NYC detective following a low-level mobster finds himself on a global journey to uncover a shocking hidden world where religion, faith, and diplomacy collide with unmitigated debauchery, greed, crime, lust for power, corruption, collusion, and murder. Based on true historical events.

A Scary Little Christmas Matthew C. DuPée, 2022-06-17 Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with *Silent Night, Deadly Night* (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors, producers, special effects artists, photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre. Psycho Santa films such as *Christmas Evil* (1980) and *3615 code Pere Noel* (1989) are examined, along with Yule-Die slashers like *The Dorm that Dripped Blood* (1982), *Black Christmas* (1974) and *Silent Night, Bloody Night* (1972). Commercial successes like *Gremlins* (1984) and *Rare Exports: A Christmas Tale* (2010) are covered, as well as more recent releases such as *Better Watch Out* (2016), *Red Christmas* (2016) and *Deathcember* (2019). Rare photographs, promotional materials and an annotated filmography are provided.

Oversight Dennis Batchelder, 2023-03-02 “A dramatic tale of past lives, dark treachery, and the true nature of good and evil, *Oversight* by Dennis Batchelder is a stunning work of YA science fiction.” - The Independent Review of Books Seventeen-year-old Zelly is a self-proclaimed computer geek growing up in present-day Seattle. She's also one of the last three reincarnated leaders of Soul Identity, an ancient organization that promises to pass people's fortunes and memories to their future selves. Along with her two closest friends, she'll ascend to power when she turns nineteen...if she lives that long. Zelly suspects her friend Ying is trying to kill her. Her fears escalate when they both get their hands on a vike portal, a new technology that lets them vividly see, feel, hear, touch, and smell what happened in their past lives. To her dismay, Zelly realizes that Ying is the reincarnation of a power-hungry leader, and their rivalry has played out for centuries. In a page turning thrilling ride, Zelly scrambles to outwit her friend and rival. She thinks the vike technology will help her predict her future, which she believes is preordained by the past. Each trip to her past life brings Zelly wisdom, but what she uncovers from her shared history with Ying threatens to upend everything she knows about friendship... and her very soul. “Batchelder has done what seems impossible in this day-and-age by creating a refreshing new world.” - Hollywood Book Review, Starred Review
