Larry Burkett

God's Way to Ultimate Health George H. Malkmus, Michael Dye, 1995 Malkmus and Dye base natural healing on the premise that a diet rich in raw fruits and vegetables, and the elimination of processed dead foods, will result in the ultimate health.

Why Christians Get Sick George Malkmus, 2011-07-28 With a diagnosis of colon cancer, George Malkmus launched an intensive biblical and scientific search to find out why he, a Christian, got sick—and to possibly find an alternative treatment to the medical profession's usually unsuccessful ones. *Why Christians Get Sick* by George Malkmus, is the most important book Christians can read, after the Bible. It delves into the questions of why we get sick, and provides the Biblical answers. With more than 150 Bible verses, this book clearly shows how we can avoid sickness and disease and experience superior health through a natural diet and lifestyle. People the world over have been transformed by the truth of the teachings found in this book.

Preventing and Reversing Arthritis Naturally Raquel Martin, Karen J. Romano, 2000-11 The authors take a holistic approach to finding the causes of arthritis pain and offer a self-help treatment program designed to heal the body from the inside out by incorporating medicinal herbs, nutritional supplements, exercise, diet, and chiropractic care.

Run the Race to Win! Regina D. Williamson, 2022-11-03 Have you ever been the person waiting for the doctor's office to call and give you the results of a recent biopsy? Maybe you were waiting with someone dear to you, your mother, a beloved aunt, your sister, a niece, or even your best friend. Those hours and days of waiting can fill even the most calm and stoic person with a sense of dread. And then the results from the pathology report finally come in. You get a phone call from the doctor's office or a nurse calls and says the doctor wants you to come in. Your heart is pounding, your mouth becomes completely dry, and every nerve cell is on edge with anxiety. And then you hear the words, I'm sorry, but the news is not good. You have cancer. The tumor is malignant and is growing fast. We want to schedule you for surgery as soon as possible. If any of you reading these words are honest with ourselves, when we first hear the words, You have cancer, we see it as a death sentence. Our mind begins to suddenly flash through our family history like a computer retrieving stored files. We see images of all the people who we've known, and lost. A mother, an aunt, a sister, two cousins, and yes, a coworker who lost her battle to breast cancer just last year. These images flood us with a sense of fear and hopelessness. But it doesn't have to

be that way for a believer in Jesus Christ. In Jesus's own words, He said, The thief comes to steal, kill, and destroy, but I have come that you might have life, and have it more abundantly (John 10:10). This memoir will give some of you a roadmap for hope, but it will certainly be a road less traveled. The roadmap is based on the divinely inspired Word of God. That is the starting point for the race you are about to begin. It will also share one woman's courageous journey through multiple bouts with breast cancer, her faith in God's plan, and her eternal hope. The Goal: A radical change in diet, based on God's eating plan for His children from the very beginning, and the courage to resist the medical profession's plan for us. Let's begin the journey. The Ultimate Prescription James L. Marcum, 2012-01-05 Would you like to discover the powerful ways God is part of the healing process? Do you think the media, the government, or your doctor is telling you the whole truth when it comes to health care? Are you tired of taking medications that really don't fix the problem? In *The Ultimate Prescription*, Dr. James Marcum, a board-certified cardiologist, in-demand speaker, and radio host, discusses these questions and many more from a biblical point of view. He encourages you to find the real answers about your health—and the health of your loved ones. Dr. Marcum explains what he believes is wrong with our current health care system, how to get back on track, and how the spiritual dimension of our health is often being ignored. Discover today the true path to healthy living in *The Ultimate Prescription*.

Pregnancy, Childbirth, and the Hallelujah Diet Olin Idol, Olin Idol, N.D., C.N.C., 2002 Olin Idol acquired an interest in health and nutrition over 30 years ago while serving in the military. At that time he began using a multitude of vitamin and mineral supplements, and distilled water while continuing to eat the typical American Diet. This regime was maintained faithfully until the early 90's when he read a book by Rev. George H. Malkmus entitled *Why Christians Get Sick*. The impact of this book on his lifestyle and diet was tremendous -- the dietary supplements were tossed aside as was the Standard American Diet (SAD). He embraced the Hallelujah Diet and lifestyle. While he had no major physical problem himself, the little aches and pains associated with aging, life-long sinus problems and headaches, and stomach problems simply disappeared. Olin had accepted Christ as his personal Saviour at the age of 14. After his discharge from the military in 1972, he attended college where he graduated with a degree in Religion with the intent of entering the ministry. Just prior to enrolling in seminary a chain of events in his personal life seemed to close the door to a full time ministry. While taking advantage of various opportunities to preach and teach it wasn't until after attending the Hallelujah Acres' Health Ministers training program that he developed his own health ministry. He began teaching others the basic essential of the Hallelujah Diet and lifestyle while at the same time continuing his personal studies in nutrition. Ultimately he earned his N.D. degree and subsequently attained Certification as a Nutritional Consultant (C.N.C.) by The American Association of Nutritional Consultants.
