

If I Cant Love Her

Annelies Wilder-Smith

Just Love Her D. E. Fast, 2022-06-09 What you need is a good woman. That was my mother's consistent counsel from the time I didn't get asked to play on the neighborhood little league team to when Donna and I broke up in high school. What you need is a good woman, Don. I believed my mother when she said it. I didn't walk around on a daily basis and repeat the mantra of the good wife, but I did take it to heart. It wasn't until I got married that I realized that although I had a good woman, life wasn't getting easier or more fulfilling--in fact, it was getting much, much harder. One of the goals of *Just Love Her* is to identify a number of the fallacies that many of us men have hung onto, believing like me in my younger days that when you find the right woman, all your problems will magically disappear. Most of the time (not all, but most) it's after marriage that the real problems begin. It's not that they weren't there before, it's just that our good woman turns into a full-length relational mirror exposing the sin and idolatries that were already there, but were easy to run away from, before we got hitched to our eventual bad wife. This little book will identify one of the main causes of bad marriages: idolatry. Many if not most, men worship the ground she walks on instead of just loving her.

Wanting What She Can't Have Yvonne Lindsay, 2014 Craving the Forbidden... Billionaire Raoul Benoit lets Alexis Fabrini, his late wife's best friend, become his daughter's nanny for one reason only: the baby deserves love and attention. Raoul doesn't--he has to pay for his sins, which means steering clear of Alexis no matter how much he wants her. The least Alexis can do is help out with this child. But she can't let herself fall into bed with Raoul. She's lived with her unrequited feelings for a long time--what's a little while longer? The problem is, the feelings are more than requited, and can no longer be denied....

And I Love Her Marie Force, 2015-03-03 A Green Mountain Romance from the New York Times bestselling author of *I Saw Her Standing There*. As the oldest of the ten Abbott siblings, Hunter prides himself on his ability to solve other people's problems, but now he has a problem of his own—how to convince the woman of his dreams that his love is for keeps. As the chief financial officer, Hunter Abbott manages the family's various business interests while “fixing” things for the people he loves. But the one thing he can't fix is his undeniable attraction to Megan Kane. Instead, Hunter is prepared to do whatever it takes to show Megan that he's the man for her. Megan's sister rocks her with the news that she and her husband are moving overseas, leaving Megan truly alone. With her sister—and her job at the diner—going away, Megan finds herself leaning on

the sexy, button-down accountant who isn't afraid to lay it all on the line for her. But Megan has watched too many people she loves leave her. Can she risk her heart on Hunter? Contains a bonus Green Mountain short story!

Because I Love Her Andrea N. Richesin,2009-04-01 This profound and poignant collection highlights some of the best literary writers of our time in an era when the roles of mothers and daughters are constantly being questioned and redefined. Because I Love Her explores the deepest bonds and truths of motherhood by sharing stories and secrets of becoming a mother and grandmother. Ranging from established and bestselling authors to exciting new voices, these women reveal what their mothers taught them, what they in turn hope to impart to their daughters and, finally, what they've learned as a bridge between the two.

Marry And Love Her For Life Na LanJingYu,2020-06-24 Inside the luxurious and comfortable hotel suite, a click could be heard and the door was opened by someone from outside. The drunk woman was carried into the room by a slightly sneaky figure. When she realized that the owner of the room had left temporarily, she sent the alcohol reeking woman to the large and soft bed without hesitation.

HIS LOVE. HER FANTASY Adrian Gabriel Dumitru,Annie P David, His love ... Her fantasy ... understanding what love is about. As friends, as a man, but also as a woman, we try to define the undefined from a love story. Dreaming about love and being in love ... the path from the fantasy to the love story itself ... is just a matter of luck ... or maybe where you find yourself, on the timeline of your own life. Maybe is the perfect time for you to explore what love is about, or maybe other things are important at the moment ... and the love story can only be a future "project". Exploring what love is about ... in our minds, as a fantasy ... or in the real life, as a real love story ... is depending only and only if we are ready or not. But what is the difference between fantasy and reality, when even the Bible is saying that everything we see is just an illusion? Well ... i believe that the fantasy is only the begining of defining what we want ... and the love story is the "experiment" itself. Is it too much to name a love story ... an "experiment"?! Well ... exploring ... as a fantasy or as reality is letting your soul understand what love is about. And ... sometimes is even a life lesson. The moment when you jump into the fairy tale ... the real fantasy ... and you understand the meaning of love ... the fact that love is about giving and not about receiving ... that is the moment when you also understand what life is about. Accepting your partner, just as he / she is ... just as accepting all the people from our lives is the moment of awakening. Me, Adrian ... and my dear Annie ... are only trying to define the unseen path from fantasy to the love story itself. And also ... let you know that this path is leading you to point when your thinking will be

totally redefined. Life itself ... is about love. Seeing what love is about ... is understanding the meaning of life. If the "love chapter" started for you ... even if it's just a fantasy of reality ... you should be happy. The awakening will come to you!

ABC David Plante,2008-12-02 An original and radiant novel about grief, obsession, and the need for meaning from the author of *The Family*, a finalist for the National Book Award. When his young son dies in a freak accident, Gerard struggles to find a reason in the smallest of details, including the scrap of paper containing the Sanskrit alphabet that is found at the site. Latching on to this final "clue," he delves into the origins of Indo-European alphabets, his fascination taking him to England, Greece, and finally, to an ancient site in the Syrian desert where the alphabet was born some 4000 years ago. Along the way he meets other grieving parents, who accompany him on a journey that extends beyond historical knowledge and right into the heart of love and loss.
