

It Happened One Summer

Tessa Bailey

It Happened One Summer Tessa Bailey, 2021-07-13 The first in a spicy and unforgettable rom-com duology from #1 New York Times bestseller and tik tok favorite Tessa Bailey, in which a Hollywood “It Girl” is cut off from her wealthy family and exiled to a small Pacific Northwest beach town... where she butts heads with a surly, sexy local who thinks she doesn’t belong. Piper Bellinger is fashionable, influential, and her reputation as a wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father’s dive bar... in Washington. Piper hasn’t even been in Westport for five minutes when she meets big, bearded sea captain Brendan, who thinks she won’t last a week outside of Beverly Hills. So what if Piper can’t do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She’s determined to show her stepfather—and the hot, grumpy local—that she’s more than a pretty face. Except it’s a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there’s an undeniable attraction simmering between them. Piper doesn’t want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan—and this town full of memories—may have already caught her heart. As seen on E!Online, PopSugar, CNN, EliteDaily, Vulture, Buzzfeed, Bustle, the Nerd Daily, PARADE, LA Magazine, Country Living, USA Today, and more!

It Happened One Semester Aurora Rey, 2025-10-14 After years of hard work, Hudson Greene is keen to launch her tenure-track career at the illustrious Coteau College. But her first day takes an unexpected turn when she walks into new faculty orientation and discovers that Callie Shaw—her unforgettable one-night stand from the local Pride festival—is also the dean of advising. Callie loves guiding students through the chaos of academia, even if it means dealing with clueless professors. She goes with the flow, and her covert *Shit Professors Say* social media account provides an outlet for chronicling faculty missteps. Dating one, though? Definitely not on her syllabus. Mutual attraction proves hard to resist, and technically there's no rule against faculty-staff relationships. But between campus politics and Callie's secret, policy might be the least of their problems. Can Hudson and Callie navigate office hours and off-the-clock romance, or will their shot at love turn into an epic fail?

It Happened One Christmas Chantel Guertin, 2023-10-31 AN INSTANT NATIONAL BESTSELLER *It Happened One Christmas* is irresistibly Christmassy with all the sparkle of a Hallmark movie. So festive I could almost smell the scent of pine through the pages. —Jenny Bayliss, author of *Meet Me Under the Mistletoe* A charming and rollicking holiday rom-com

about a big-city film director who must convince the dreamy, yet grumpy, mayor of a small town to give her the permit to shoot her Christmas movie in his idyllic hometown. Perfect for fans of Hallmark holiday movies, and readers of Maggie Knox's *All I Want for Christmas* and *The Hating Game* by Sally Thorne. Will her Christmas wish come true? Zoey Andrews lives and breathes Christmas. She loves everything about the season, and after years of directing countless holiday movies, she certainly knows her way around a festive tale. So, when she finally gets the chance to bring her own script to life, she isn't about to let anything, or anyone, stand in her way--not even the stupidly sexy, utterly frustrating plaid-clad tree farmer Benoît Deschamps. Moonlighting as mayor of Chelsea--the cozy Quebec hamlet at the center of Zoey's screenplay--Ben maddeningly refuses to grant her a film permit in his enchanting town. With just four days left before Christmas, Zoey must change Ben's mind, but not before an unscripted ice storm leaves them stranded in the middle of nowhere, with nothing except . . . each other. Will Ben's chilly resolve shatter Zoey's Christmas movie wish? Or will Zoey be able to melt his stubbornness--and maybe even his heart?
