

# Losing My Mind Piano Sheet Music

**Donald J. Stubblebine**

*The Lighthouse at the Edge of the World* J.R. Dawson, 2025-07-29 *The Lighthouse at the Edge of the World* is a powerful and poignant contemporary Queer fantasy perfect for fans of *Hadestown* and *Under the Whispering Door*. At the edge of Chicago, nestled on the shores of Lake Michigan, there is a waystation for the dead. Every night, the newly-departed travel through the city to the Station, guided by its lighthouse. There, they reckon with their lives, before stepping aboard a boat to go beyond. Nera has spent decades watching her father—the ferryman of the dead—sail across the lake, each night just like the last. But tonight, something is wrong. The Station's lighthouse has started to flicker out. The terrifying, ghostly Haunts have multiplied in the city. And now a person—a living person—has found her way onto the boat. Her name is Charlie. She followed a song. And she is searching for someone she lost. Gorgeous, lyrical, heartfelt, and true in all the ways that matter! This is an achingly beautiful book that is as much about life as it is about death.—Sarah Beth Durst, *New York Times* bestselling author of *The Spellshop* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Beach in November* Alexis Larsh, 2024-07-22 In a world where the Supernatural exists, you'd think bullies and homophobes would be the least of my problems. But when you lived in the quiet, beachside town of Ryterville, South Carolina, anything was possible. Everything there was routine, picturesque, and simple. Made to fit the mold seventy years ago and never changed. So, naturally, when a new family who didn't fit the mold moved in, it didn't take long for everyone to know. I met Sebastian Hwang after getting embarrassingly beaten up by my bully, Rachel. He asked if I was okay and ended up being in two of my classes. He sat with me at lunch the first day he arrived, and things went on from there. If only I knew how involved our lives would get. How entangled and destined our fates were. I played classical piano, and he was a ballet dancer. My high school put on an annual talent competition where you combine two or more of the performing arts, and I asked him to perform with me. Tchaikovsky's *Swan Lake*. In the dizzying whirlwind of romance, secrets, a talent competition, and the Supernatural; there was no way to predict what would happen next. Let's just hope it wasn't death. (It was almost death). .

*Down a Dark Hall* Lois Duncan, 2024-09-24 A paranormal rollercoaster ride with goosebumps at every turn--now a motion picture starring Uma Thurman and Anna Sophia Robb! Kit Gordy sees Blackwood Hall towering over black iron gates, and

she can't help thinking, This place is evil. The imposing mansion sends a shiver of fear through her. But Kit settles into a routine, trying to ignore the rumors that the highly exclusive boarding school is haunted. Then her classmates begin to show extraordinary and unknown talents. The strange dreams, the voices, the lost letters to family and friends, all become overshadowed by the magic around them. When Kit and her friends realize that Blackwood isn't what it claims to be, it might be too late.

**Ghost Music** An Yu, 2023-01-10 From the author of the “original and electric” Braised Pork (Time), An Yu’s enchanting and contemplative novel of music and mushrooms follows a former concert pianist searching for the truth about a vanished musician For three years, Song Yan has filled the emptiness of her Beijing apartment with the tentative notes of her young piano students. She gave up on her own career as a concert pianist many years ago, but her husband Bowen, an executive at a car company, has long rebuffed her pleas to have a child. He resists even when his mother arrives from the southwestern Chinese region of Yunnan and begins her own campaign for a grandchild. As tension in the household rises, it becomes harder for Song Yan to keep her usual placid demeanor, especially since she is troubled by dreams of a doorless room she can’t escape, populated only by a strange orange mushroom. When a parcel of mushrooms native to her mother-in-law’s province is delivered seemingly by mistake, Song Yan sees an opportunity to bond with her, and as the packages continue to arrive every week, the women stir-fry and grill the mushrooms, adding them to soups and noodles. When a letter arrives in the mail from the sender of the mushrooms, Song Yan’s world begins to tilt further into the surreal. Summoned to an uncanny, seemingly ageless house hidden in a hutong that sits in the middle of the congested city, she finds Bai Yu, a once world-famous pianist who disappeared ten years ago. A gorgeous and atmospheric novel of art and expression, grief and survival, memory and self-discovery, Ghost Music animates contemporary Beijing through the eyes of a lonely yet hopeful young woman and gives vivid color and texture to the promise of new beginnings.

**Broadway Sheet Music** Donald J. Stubblebine, 1995 Stubblebine, also the author of Cinema Sheet Music (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**The Sondheim Review** ,1997

*Basics of Singing* Jan Schmidt, 2003 Suitable for all voices, this comprehensive introductory text uses a variety of pedagogical approaches to introduce students to the art and pleasure of singing. The text is flexibly organized, presenting the basic principles of voice production, musicianship, song interpretation, and vocal health in a format that can be adjusted to meet the needs of the classroom and the individual. The text consists of two parts. Part One discusses such topics as breathing, basic vocal health, learning to read music, how to learn a song, and performance techniques. Part Two is an anthology of 50 songs - folk, musical theater, art songs, and rounds (for group performance). A companion 2-CD Set includes all the melodies and accompaniments for the song anthology.
