**My Name Is Iris** Brando Skyhorse, 2023-08 Brando Skyhorse, winner of the PEN Hemingway Award, returns with his ... second novel, a literary dystopian tale set in a near-future America where mandatory identification wristbands make second-generation immigrants into second-class citizens--

Heart of a Desert Warrior Lucy Monroe, 2013-04-22 A widowed sheikh returns to claim the woman he has always loved in this sexy international romance from a USA Today–bestselling author. The sheikh’s last challenge . . . Stepping off his private jet in his designer suit, Sheikh Asad returns to his kingdom ready to secure his legacy. For beneath the starched white shirt beats the heart of a desert warrior! Iris Carpenter barely recognizes the man standing before her. He’s more magnificent than he was six years ago and even more dangerous. Especially when the searing heat of his eyes burns hotter than the fierce desert sun. Iris can resist all she likes, but Asad knows it’s just a matter of time before the flame-haired temptress is back in his bed—where she belongs!

Trial of Silence Diane Haun, 2013-12-17 The 1st trial of silence is history. Jurors have gone home satisfied with their contribution. Zachariah found a host mother for his child and the assassins sister decides to join the UN team while one of theirs goes rogue. The twins have to say adios to their famous father. While Sean enjoys a chair on the Junta, Iris visits the psychiatric wing of the UN Hospital, for a rest. Sean must break his silence to release her. Did Rutledge escape UN destruction of the space station? If so, he will be a big Junta headache i.e. numerous progeny and a gigantic fortune, in which he erroneously included Iris, ignorant of what she signed. If he shows, Zachariah has plans for the once famous attorney: a visit to families of those he destroyed. Iris suggests the indignity of a 2nd TOS trial, his infamy judged by an International UN Tribunal.

**Three Plays by Monica Wood** Monica Wood, 2025-09-09 From award-winning novelist Monica Wood comes a masterful collection of three plays that shattered attendance records and captured hearts across New England. In this powerful trilogy, Wood explores the complex bonds of family, the weight of secrets, and the transformative power of human connection. From a tense standoff between mill owners and workers during a bitter strike, to a skeptical professor's unexpected journey into the supernatural, to a family's loving deception of their miraculously recovered father, each play

delves deep into the heart of human relationships. These acclaimed works feature: *Papermaker*: A labor dispute becomes personal when a mill owner and his daughter confront the human cost of their decisions *The Half-Light*: A rational college professor questions everything she believes about life and death after meeting an unusual psychic *Saint Dad*: Three siblings navigate love, guilt, and family bonds as they try to protect their father from a difficult truth Written by the 2024 recipient of the Sara Josepha Hale Award for excellence in New England literary arts, these plays have earned both critical acclaim and unprecedented audience attendance at Portland Stage.

**Voodoo Shack** Terri Martin,2023 Join Iris and the Voodoo Shack gang as they investigate a mysterious death and an unsolved crime! (For ages 9 and up) When 11-year-old Iris Weston discovers a ramshackle hunting cabin deep in Hazard Swamp, she and her friends decide it's perfect for a secret clubhouse. The gang dubs it the Voodoo Shack and meets there to swap stories and play card games. Ol' Man Hazard, the former owner, died under mysterious circumstances, and the kids speculate whether it was an accident, suicide or maybe even murder! The gang believes that cash from an unsolved crime may have been stashed within feet of the cabin. Even as things go badly awry, feisty Iris learns how to use her wit and independence to put things right, discovering what family really means in this adventurous and often humorous coming-of-age story set in rural Michigan in 1962. Set in the early 1960s, Martin's novel traces a girl's journey toward understanding the true meaning of love, family and friendship. Iris is an appealing character whose relationships with friends and family are realistically portrayed as she struggles to find her place. --School Library Journal Martin has drawn on her childhood memories to create an engaging, feisty heroine, lively supporting characters and an easy-to-visualize early 1960s rural Michigan setting. And, although Iris doesn't solve all her mysteries, she finds the answers to the most important ones in this fast-paced story. --ALA Booklist Readers fond of lightweight mysteries solved by spunky heroines will take to this fiction debut, though a heavy ballast of tragedy and near-tragedy keeps it low to the ground. Some of the dialogue and set pieces show a promising authorial gift for comedy.
