Not Without My Sister Celeste Jones, Kristina Jones, Juliana Buhning, 2007 The true story of three girls violated and betrayed.

Not Without My Sister Marion Kummerow, 2021-03-25 1944, Germany. Two sisters seek to overcome impossible odds to be reunited, in this utterly devastating and unforgettable novel about sisterhood, courage and survival. All they had left was each other. Until the Nazis tore them apart. After years of hiding from the Nazis, Rachel Epstein and her little sister Mindel are captured by the Gestapo and sent to the concentration camp at Bergen-Belsen. The only ray of light for either girl is that they are together. But on arrival they are separated. As she's seventeen and deemed an adult, Rachel is sent to work in a brutal factory whilst four-year-old Mindel is sent into the so-called "star" camp for Jewish prisoners. All on her own, Rachel knows her sister will have no chance of survival—unless she can find someone to take care of her. Working in the windowless, airless factory—filling munitions casings with chemicals that burn her fingers and make her eyes sting—the only thing that keeps Rachel going is the thought of her little sister. Because if there's even a chance Mindel is alive, Rachel knows she must try to save her. But, separated by barbed wire, and treated brutally by SS guards who do not even see them as human beings, can either of the orphaned sisters ever dare to hope that they'll find their way back to each other? And to freedom? A completely heartbreaking, utterly gripping tale of courage, loss and overcoming impossible odds, perfect for fans of *The Tattooist of Auschwitz*, *The Ragged Edge of Night* and *The Orphan's Tale*. Not Without My Sister: The True Story of Three Girls Violated and Betrayed by Those They Trusted Kristina Jones, Celeste Jones, Juliana Buhning, 2015-07-22 The bestselling, devastating account of three sisters torn apart, abused and exploited at the hands of a community that robbed them of their childhood. It reveals three lives, separate but entwined, that have experienced unspeakable horror, unrelenting loyalty and unforgettable courage. From as early as three years old, Juliana, Celeste and Kristina were treated as sexual beings by their 'guardians' in the infamous religious cult known as the Children of God. They were made to watch and mimic orgies, received love letters and sexual advances from men old enough to be their grandfather, and were forced into abusive relationships. They were denied access to formal schooling, had to wander the streets begging for money, and were mercilessly beaten for 'crimes' as unpredictable as reading an encyclopaedia. Finally, unable to live with the guilt of what had happened to her children, their mother escaped with Kristina, cutting herself off from her remaining children in a bid to save at least one child. Desperate to save her sisters, Kristina eventually returned to the place of her torture to free Celeste. Years later, Juliana found the courage to escape, knowing that the child she was carrying would be subjected to the same fate if she did not. Now the three sisters have finally come together to reveal in full and horrific detail their existence within the Children of God cult. Their stories reveal a community spread throughout the world and its legacy of anorexia, depression, drug abuse, suicide and even murder. Lives are ripped apart and painstakingly mended with a shared strength that finally enabled the sisters to free themselves from the shadows of their past.

“Not without my husband” Love-Chess in Paris Dantse Dantse, 2022-01-07 The thirty-eight years old, beautiful French dentist Mireille is looking for a housemaid. She finds the friendly twenty-seven years old Cameroonian woman Ayossi, who’s staying in France illegally. As Mireille’s living alone in a big house she inherited, she offers Ayossi to live there with her and work as her maid. A little later – seemingly by accident – Mireille meets her new maid’s alleged brother, Johnny

Walker. The twenty-nine years old Cameroonian has been in France for a few months now, also without papers. He comes to the house sometimes to visit his alleged sister at work. During these visits, Mireille and Johnny get closer and closer and, in the end, she falls in love with him due to systematic, very subtle and well-planned manipulation. They get married and start living together. Everything seems fine and idyllic – everyone seems happy. But when, two years later, Mireille happily announces to the alleged siblings that she's pregnant, even though a doctor told her ten years ago that she couldn't bear children, Ayossi loses control and attacks Johnny in rage: "Pregnancy wasn't planned, you traitor! You've fooled me, and I won't tolerate that!" Only then does Mireille get to know the truth. Her whole life is turned upside-down. But when Johnny explains everything, apologises to her and confesses that he's actually fallen in love with her, wants to be with her and is happy about the pregnancy, the situation changes once again: Mireille wants to keep her husband now. But Ayossi wants the same thing: she can't accept that she's supposed to lose the man she loves and the opportunity to get French papers after everything she's been through. Johnny, now with French papers, has to choose between commitment, promise, deal and love – or put on another act.
