Sex Education Books for Young Adults, 1892-1979 Patricia J. Campbell, 1979 [This book] is an analysis of sexual advice literature for American teenagers from the late Victorian era to the present. The history of the sex education book documents the almost unconscious movement of our culture's ideas and attitudes toward sex and youth; it reveals both the heritage of our own sexual beliefs and the foundation for contemporary codes of behavior --Preface.

New York Women of Wit in the Twentieth Century Sabrina Fuchs Abrams, 2023-12-05 Seen as too smart, too sassy, too sexy, and too strident, female humorists have been resisted and overlooked. New York Women of Wit in the Twentieth Century corrects this tendency, focusing on the foremothers of women's humor in modern America, who used satire, irony, and wit as indirect forms of social protest. This book focuses on the women who stood on the periphery of predominantly male New York intellectual circles in the twentieth century. Sabrina Fuchs Abrams argues that the advent of modernism, the women's suffrage movement, the emergence of the New Woman and the New Negro Woman, and the growth of urban centers in the 1920s and '30s gave rise to a new voice of women's humor, one that was at once defiant and conflicted in defining female identity and the underlying assumptions about gender roles in American society. Her study gives special attention to the contributions of the satirists Edna St. Vincent Millay (pseudonym Nancy Boyd), Tess Slesinger, Dorothy Parker, Jessie Redmon Fauset, Dawn Powell, and Mary McCarthy. Grounded in theories of humor, feminist and critical race theory, and urban studies, this book will find an audience among scholars and students interested in women writers, feminist humor, modern American literature, and African American studies.

Re-making Love Barbara Ehrenreich,Elizabeth Hess,Gloria Jacobs,1986 This provocative book reveals how the real sexual revolution was initiated by women -- not men -- and how it transformed both our behavior and our understanding of what sex means in our lives. The Merry Wives of Windsor William Shakespeare,1904 The Merry Wives of Windsor, Shakespeare's only thoroughly English comedy, created an archetypal literary figure in the shape of the devious, irrepressible John Falstaff. This stimulating new edition celebrates the play as a joyous exploration of language, but also places elements of its plot firmly in a continental, specifically Italian, tradition of romantic comedy. It draws out the complexities of Merry Wives as a multi-plot play, and takes a fresh and challenging look at both textual and dating issues; a facsimile of the first Quarto is included as an appendix. The play's extensive performance history, both dramatic and operatic, is fully explored and discussed. This is a significant and substantive edition, in that nothing has been taken for granted, everything has been opened to reconsideration. The commentary is exceptionally detailed and attentive to questions of language and meaning. John Jowett, Shakespeare Institute, University of Birmingham, Shakespeare Quarterly

Quotes on Sex, Love and Marriage Robert H. Williams,2012-11 A G rated compilation avoiding harsh swear words; yet is a group of relevant quotes that vividly tell how our fellow Humans live, act, dream and hopes yet to be, in our life's journey. For life IS the journey. From the time we first scribbled on cave walls humans have attempted to put into writing their ideas, feelings, sites, sounds and their lives into a lasting state. When words and sentences came along our sophistication improved and today with advent of internet there are unlimited possibilities to gather and keep the most fun and insightful thoughts we have had. This compilation has been in the works since 1983 and is now available for purchase and keepsake. It is a large grouping of quotes from the Bible to recent modern times including some of my own insights into family life, relationships, sex, love and marriage. It is a fun and comprehensive list that I treasure and use often to lift spirits up, or to help make my

point in a discussion. Finding the right quote for the right situation has never been easier. Also I have found that I just enjoy reading what others have thought about these subjects throughout history and engaging others with their interpretations on the quotes. In literature often a single string of words can give a Universe of meaning within those who choose to delve into the mystery of communication between the sexes and between lovers. This is a must have reference and readable book for enjoyment and usefulness.
