**Moses Maimonides, James Townley**

The Law of Moses as a Rule of National and Individual Life and the Enigmatical Enunciation of Divine Principles and Purposes Robert Roberts, 1899

**The Law of Moses VERSUS the Law of Messiah** John B Metzger, 2025-05-29 Which must we follow - The Law of Moses or the Law of Messiah? A multitude of false doctrines are being taught in churches and Messianic Jewish groups today that impede, block, and spiritually frustrate believers in their growth in Messiah Yeshua, our Savior and Redeemer Jesus Christ. The problem comes when believers who have skewed biblical doctrine invent new, corrupted doctrines to suit their own biases and then become spiritual leaders. The issue of Tradition versus Faith in God's promises was controversial in Jesus' time and is well-documented. Most of the New Testament reveals the conflict between the two interpretations. One such area is the teaching that believers must be Torah keepers, whether Jewish or Gentile, to please God and work out their salvation. Is this teaching biblical, or are such teachings obstructing believers from their walk in Messiah and from being yielded to the Rauch Ha-Kodesh? The only way to know for sure is to carefully study the Bible from God's perspective. What does the Author say about this particular doctrine in His Word? The answer is spread throughout both the Old Testament Scriptures and New Covenant Gospels and Epistles. Let's take a look!

**If One Uses It Lawfully** Matthew E. Ferris, 2018-05-16 Are the Ten Commandments the standard for Christian living? There are many viewpoints on the place of the Mosaic Law today. Some affirm that while we are not saved through keeping the law, it remains our standard for living, a pattern to be followed. Others say we are free from the law. This brief examination of the law affirms all of God's revelation as Christian Scripture, but acknowledges covenantal differences in God's dealings with believers. The progress of salvation history, and our identification with Christ, has altered our relationship to the Mosaic Law. Using the Law "lawfully" requires us to recognize the way in which the New Testament, and chiefly the Apostle Paul, treats the law. Paul presents the believer as having died to the law, and serving now in the new way of the Spirit, a way that does not depend on the Mosaic law. The pattern for the New Testament believer remains Jesus himself. While keeping all of God's law, he went beyond its requirement to demonstrate a love for sinners that the law did not know.

The Law of Moses Roderick O. Ford, 2017-01-18 The Law of Moses: Commentaries on the New and Old Testament Law is a simple yet thought-provoking analysis of the Mosaic legal code found in the books of Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. It carefully analyzes the Old Testament Law as the foundation of the New Testament Gospel, and it places them within the context of parables and teachings of Jesus of Nazareth. The Law of Moses is especially useful for those persons who are familiar with the New Testament and the teachings of Christ but who have not yet studied the deeper meanings of the Old Testament Law. This book is also a great Bible-study companion that is practical and useful for knowledgeable and experienced Christians, Muslims, and Jews, including lawyers, pastors, and theologians.
