**The Wolf Never Sleeps, Vol. 3** Shienbishop,Kiichi Taga,2023-02-21 After overcoming countless trials, Lecan has proven himself worthy to Sheila, a “humble” apothecary of immense magic power. While her knowledge of pharmacy is more than valuable enough, Lecan also learns how to use an entirely new form of magic under her tutelage, a discovery that has the stoic, hardened adventurer grinning with childish delight. Armed with more abilities than ever before, Lecan resolves to take on the greatest challenge he’s faced in this world—Golbul dungeon...

The Wolf Never Sleeps, Vol. 2 Shienbishop,Kiichi Taga,2022-09-20 After leaving Zeidmoore Manor and returning to the life of a traveling adventurer, Lecan’s first order of business is to find an apothecary capable of replenishing his limited stock of effective medicine. His best bet lies in the city of Volka, and he is soon hired as a bodyguard for a wagon headed there—a position he will share with the (self-professed) master adventurer Eda. Can Lecan survive attacks by monsters and bandits with only someone who couldn’t fight her way out of a paper bag watching his back?!

The Wolf Never Sleeps, Vol. 1 Shienbishop,Kiichi Taga,2022-05-24 Seeking strength and glory, the adventurer Lecan challenges monster and maze alike. Until one day, he finds a mysterious black hole...leading to another world! But even in a different world, the path of the “One-Eyed Wolf” remains unchanged. The only question is—can he survive the new world?

**Violent Order** David Correia,Tyler Wall,2021-08-17 This book 's radical theory of police argues that the police demand for order is a class order and a racialized and patriarchal order, by arguing that the police project, in order to fabricate and defend capitalist order,must patrol an imaginary line between society and nature, it must transform nature into inert matter made available for accumulation. Police don 't just patrol the ghetto or the Indian reservation, the thin blue line doesn 't just refer to a social order, rather police announce a general claim to domination--of labor and of nature. Police and police violence are modes of environment-making. This edited volume argues that any effort to understand racialized police violence is incomplete without a focus on the role of police in constituting and reinforcing patterns of environmental racism.
