Bloody Sunshine And Deathly Starlight. Life is a Story - story.one Gloria Stella Neubert, 2025-02-26 England, London in the year 2127 The Government, named The Order, fights a group of rebels who try to overthrow them. But why? Tara Winter, daughter of General Winter and leader of The Order, was raised in this system. She believes in it and she wants to help and protect the citizens as best as she can, no matter the costs, her moral code leading her through everything. Because in her mind, loyalty and doing the right thing are the most important things to exist. That is why she decides to become a The Order agent. But right after she finally is an agent and the thing that she supposedly wants most came true, a woman dies under mysterious circumstances. By coincidence, Tara finds out more. Why did that woman die and who killed her? Where will Tara's moral compass lead her? What if her most important morals start to contradict each other? And is she really on the right side of a war between the Government and the people they were originally meant to serve?

Last Moment fabulousqueenangel, At the last chance, in the final moment, in the final chapter of the story of life, grief and suffering prevail, ever since everything was lost. In the end, comes regret. When the time has come to realize and know the truth, it's already too late to feel it. To feel the love that knows no bounds. In a person's life, there are many trials, many problems. But you can overcome them if you trust yourself and have faith in Him. Life's wheel keeps turning, round and round, repeating, yet we continue to live, to love, and to be loved. There are times when certain things, memories, or whatever it may be, must be forgotten, must be erased from our minds because they bring pain when recalled, or evoke anger and guilt in life. Some are brought together by destiny, some are separated, but there are memories that cannot be erased for a lifetime. A past that should be revisited, remembered, and valued as long as it's in our minds. 'In the final moment of my life, I am with her. In the final moment, I held her. In the final moment, I saw her smile. And in the final moment, we will leave this world peacefully and together, heading to the afterlife. And in the next life, it will still be her and me, until the last moment of my life.' True love will never disappear, but if it's a lie, it will. In the name of love, anything can be done, no matter what. A love tested by fate, hindered by destiny, but fought for until the last moment of love. Inspired by the song 'Huling Sandali' by the band December Avenue, a story filled with love, liberation, appreciation, and sacrifice for family, friends, and the beloved. And a love that is fought for, even unto death. 'Love can sacrifice everything, true love never fades, unless it was a lie.' Huling Sandali.

Blue Ocean Faith Dave Schmelzer,2017-02-28 People and churches across America are discovering that their secular friends and neighbors have been unknowingly waiting for the chance to experience the good God. Blue Ocean Faith is a network of churches that have seen thousands of secular people—from Harvard deans to public housing residents—connect with God. Blue Ocean founder Dave Schmelzer details six profound paradigm shifts that unlock a depth of connection to God that's new for many churchgoers and that's unprecedented for their secular neighbors. Embracing centered-set faith, becoming solus Jesus, and taking a third-way approach to LGBTQ congregants are among the game-changers that empower this rich life of faith. Rather than retreating from or drawing lines against our increasingly secular world, people of faith can join Jesus—as followers like Saint Francis of Assisi have done for millennia—in joyfully entering the world around them with profound wonder and an equally-profound offer of a life that really is life. "Blue Ocean Faith is a riveting book about an exciting new movement of churches emerging out of the ashes of American evangelicalism/fundamentalism. This could be a charter document for a new kind of Jesus movement. Everyone should read it," writes David P. Gushee, Distinguished University Professor of Christian Ethics and Director of the Center for Theology and Public Life at Mercer University. With plenty of engaging storytelling, Schmelzer brings together ancient and cutting-edge insights in a book that might revitalize your experience of God, open up your connection to your neighbors and your city ... and maybe even kick off a new Jesus movement.

The Man Who Would Be King Karen Elliott House,2025-07-08 Based on exclusive interviews, an eye-opening

biography of Crown Prince Mohammed bin Salman (MBS), head of the House of Saud, the calculating ruler of the Kingdom of Saudi Arabia, and a central Middle East power broker. Pulitzer Prize-winning reporter and former Wall Street Journal publisher, Karen House has gained unprecedented insights into Saudi Arabia and its controversial leader, Crown Prince Mohammed bin Salman through her more than forty years of experience covering the Arab kingdom. House reveals a leader who like Peter the Great, is a reformer determined to modernize his kingdom but also an autocrat who jails political opponents and rival princes to assure his grip on power. Drawing on extensive interviews with the Crown Prince, his royal relatives, and his inner ring of advisors, *The Man Who Would Be King* explains in full what shaped the man who is reshaping Saudi Arabia. Drawing on fresh, headline-making reporting, House balances both sides of this complex ruler. We are introduced to MBS the visionary, who has ushered in reforms for women to participate more equitably, encouraged tourism to the Kingdom, and placed long term bets on green energy and trillion dollar mega-projects like The Line, a hundred-mile-long enclosed futuristic city in the desert that will be run by AI. And we meet MBS the Machiavellian prince, widely accused of having Washington Post columnist and Saudi dissident Jamal Khashoggi murdered, and of sports washing the kingdom's reputation by investing billions in teams globally, from Premiere League soccer to the LIV (liv) golf tour to the World Cup which the Kingdom will host in 2034. *The Man Who Would Be King* reveals MBS in all his complexities, from his rise to power and his vision for the future of his Kingdom, to his ruthless maneuvers to project power—a shrewd broker working to seal a viable deal with Israel and bring peace to Gaza while he cuts oil supplies to manipulate Western politics. It is an unprecedented and much needed in-depth portrait of the leader who, at only thirty-nine, will be a major player on the world stage for the next half century.

Indian Antiquary ,1885 At a time when each Society had its own medium of propagation of its researches ... in the form of Transactions, Proceedings, Journals, etc., a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects. [This] encouraged Jas Burgess to launch the 'Indian antiquary' in 1872. The scope ... was in his own words 'as wide as possible' incorporating manners and customs, arts, mythology, feasts, festivals and rites, antiquities and the history of India ... Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West ... 'Indian antiquary' also dealt with local legends, folklore, proverbs, etc. In short 'Indian antiquary' was ... entirely devoted to the study of MAN - the Indian - in all spheres ...--Introduction to facsimile
