

You Can Trust Me

Mary Elizabeth Summer

You Can Trust Me Wendy Heard, 2024-04-02 In a “thriller with a sharp take on wealth and privilege” (People, Book of the Week), two best friends grift their way through the California elite—until one scam goes awry. “A propulsive, sun-drenched adventure with smart, sharp commentary on wealth and power.”—Grace D. Li, New York Times bestselling author of *Portrait of a Thief* A BEST BOOK OF THE YEAR: PopSugar, Harper’s Bazaar, CrimeReads Summer and Leo would do anything for each other. Inspired by the way each has had to carve her place in a hostile and unforgiving world, and united by the call of the open road, they travel around sunny California in Summer’s tricked-out Land Cruiser. It’s not a glamorous life, but it gives them the freedom they crave from the painful pasts they’ve left behind. But even free spirits have bills to pay. Luckily, Summer is a skilled pickpocket, a small-time thief, and a con artist—and Leo, determined to pay her own way, has learned a trick or two. Eager for a big score, Leo catches in her crosshairs Michael Forrester, a self-made billionaire and philanthropist. When her charm wins him over, Leo is rewarded with an invitation to his private island off the California coastline for a night of fabulous excess. She eagerly anticipates returning with photos that can be sold to the paparazzi, jewelry that can be liquidated, and endless stories to share with Summer. Instead, Leo disappears. On her own for the first time in years, Summer decides to infiltrate Michael’s island and find out what really happened. But when she arrives, no one has seen Leo—she’s not on the island as far as they know. Plus, there was only one way on the island—and no way off—for the coming days. Trapped in a scheme she helped initiate, could Summer have met her match?

You Can Trust Me Sophie McKenzie, 2015-04-14 The suspicious circumstances of her best friend's apparent suicide drive a young woman to the possibility that it was murder, and might involve the same man who killed her sister eighteen years ago.

You Can Trust Me Gina Blaxill, 2022-01-10 An addictive cocktail of shifting alliances, shaky alibis and dark secrets. When a girl is found drowned the reports discover date-rape drug GHB in her blood. GHB from a drink Alana knows was meant for her. Can Alanna uncover what happened - and stay alive?

Trust Me, I'm Lying Mary Elizabeth Summer, 2023-02-25 NEVER JUDGE A CROOK BY HER COVER. Julep Dupree tells lies. A lot of them. She’s a con artist, a master of disguise, and a sophomore at Chicago’s swanky St. Agatha High, where her father, an old-school grifter with a weakness for the ponies, sends her so she can learn to mingle with the upper crust. For

extra spending money, Julep runs petty scams for her classmates while dodging the dean of students and maintaining an A+ (okay, A-) average. She's a fixer, and she's good at it. But it's not what she wants. And soon, she'll hang up her grifter skills for good. But when she comes home one day to a ransacked apartment and her father missing, Julep's carefully laid plans for going straight start to unravel. Even with help from St. Agatha's resident Prince Charming, Tyler Richland, and her loyal hacker, Sam, Julep struggles to trace her dad's trail of clues through a maze of creepy stalkers, hit attempts, family secrets, and worse, the threat of foster care. With her literal life at stake, Julep will need to use every grift in the book to find and save her dad before his mark finds--and eliminates--her. Fans of Ally Carter's Heist Society novels will love this teen mystery/thriller with sarcastic wit, a hint of romance, and Ocean's Eleven-inspired action. Will Julep outsmart her enemies and find her father? Or is she too late? Buy the book now to join Julep's crack team and discover each new twist along the way.

Voices of Reason, Voices of Insanity Ivan Leudar, Philip Thomas, 2005-08-19 Hearing voices is equated with madness in our society but Leudar & Thomas show that this has not always been the case and that it may be a normal experience.

Munsey's Magazine for ... , 1901

The Principal's Daughter Russ Katz, 2021-06-01 At just ten years old, playing in the lush trees, starting mischief with the boys; Kim loved her family and friends, the sounds of the market, the tastes of the foods, she enjoyed life, and wished it would never change. What she didn't know yet was all that she loved was about to be torn from her prying fists. Wake up, wake up... her sister yelled, shaking her. Looking out the window behind their bed, Vi?ng marched just a hundred meters from her home just outside Saigon. Pop pop pop pop gunshots from the AK-47's jolted their muscles as a full scale attack on the American Army base began. Their small home caught in the crossfire, they spent the night of T?t, the 1968 New Year, in the safety of a small dark makeshift cellar. The war finally came to an emotionally sad ending, the streets in crisis, people fleeing by the thousands. The North Vietnamese Army declared victory renaming Saigon to Ho Chi Minh City. April 30th, 1975...this was a day that will change Kim's life forever. Forced into oppressive Communist life was hard and depressing. Kim's dreams of an education in America were crushed, her husband taken to prison, her brother in law taken to a reeducation camp, their family business ransacked and closed by the police; food became scarce, money even worse. Stories of boat people attempting escape caught her attention. Such sad stories though, a coworker captured by pirates, beaten, and then tossed to the sea to die. A mother losing her children, drowning in the seas. The list goes on but her desire for freedom outweighed the risks. In less than a year she found herself being stuffed into a hidden compartment at the bottom of a small wooden fishing boat with many other desperate souls seeking freedom. The darkness, rancid smells, and thick air choked her lungs. Cramped, her body ached and below her waist was all but numb. Without warning the diesel engine kicked up louder and the boat started moving faster. Pah pah pah pah she heard in rapid succession. Bullets pinged off the side of the

vessel, splintering the wood through to the cabin. Still, the boat did not slow. Again Pah pah pah pah pah. The sounds of bullets hitting the side of the boat echoed in her ears. Everyone jumped. The engines kicked off and the boat came to a dead stop. Oh my god they already caught us. Falling over into the dirty sea-ridden floor of the boat, fish juice mixed with unthinkable bodily fluids washed back and forth around her face. Reaching her hand to her side, feeling a sharp searing pain. It was wet, blood was everywhere. The shimmering brilliant lights of the spot lights and yelling faded into the background as her head became light, dizzy, as everything went black... Book Review 1: I knew little about Vietnam other than living through the war myself. I watched the protests here at home and lost friends over there. One of my favorite movies remains "The Killing Fields" about the journalist Sydney Schanberg and his friend Dith Pran. While that movie is primarily about Cambodia, I believe much applies to Vietnam as well. This book opened my eyes to a whole new facet of the Vietnam war; the people; the villagers who had to live through it, not only when the US pulled out, but for years after as well. It is a well written and thoughtful accounting of the day to day life of one young woman. Her terror and hardships were heart wrenching. If you'd like a down to earth account of the war, this is the book for you. No who is right or wrong, just what was the reality for one woman. I would like to read more from Russ Katz. Thank you to Netgalley and Dog Ear Publishing for allowing me the opportunity to read this book. -- Tripower53, NetGalley Book review 2: This manuscript tells an extraordinary story, a story that deserves to be told to as many people as want to know about it. And there are many facets of the present draft of The Principal's Daughter that are very, very well done indeed. It is, up to a point, very effectively put together. The material is rich, that characters are vivid, and the narrative itself is riveting and moving. Whatever you do with this, keep Kim's spirit alive. She is a Personage. You are lucky to know her. I am lucky to know something about her now. That character, that family, that place in the mango trees: magic. You got yourself a million acres of magic here, pal. Don't screw it up! (You won't, because you know it's magic.) I don't think I've ever read a piece of prose that so galvanized my attention-- -- Kevin Anderson & Associates Book Review 3: This was a fantastic story about an inspirational woman, Kim who lives during the Vietnam war and experiences not only their quest for freedom, but also her own. Kim is a resilient soul whose dreams are destroyed and it is up to her bravery and hope to remake them. This is not a typical story and it is one that will both teach you something about Vietnam and touch your heart. Rich in description and food references, the world comes alive and while we will never be able to know these experiences, we begin to get a glimmer of these moments: both good and bad. Notes: I loved the book! I will be posting a review on my blog, utopia-state-of-mind.com, on December 7th and will update this review when it goes live. Additionally I will be posting my review on Netgalley within the next two days from now. -- Lili Hadsell, NetGalley

The Center of the Spiral Cecille Ravenscraft, 2013-09-25 Meet (meat) Thomas, a hitchhiker walking by a deserted road at two in the morning. Thomas has a dark secret and is hiding from the police. Too bad he isn't hiding when an old Mustang

approaches him. A friendly old lady and her grumpy husband, the Moerfields, invite Thomas into their car. Thomas doesn't like the strange, coppery smell inside that car ... The Moerfields are hungry. And they want a son ...

The Brown Study Grace Smith Richmond,1919 1919. With frontispiece by Herman Pfeifer. The Brown Study begins: Brown was so tall and thin, and his study was so low and square, that the one in the other seemed a misfit. There was not much in the study. A few shelves of books-not all learned books by any means-three chairs, one of them a rocker cushioned in a cheerful red; a battered old desk; a broad and rather comfortable looking couch: this was nearly all the study's furniture. There was a fireplace with a crumbling old hearthstone, and usually a roaring fire within; and a chimney-piece above, where stood a few photographs and some odd-looking articles of apparently small value.
