Deacon Training Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor. Unquestionable, God is looking for a special breed of deacons—a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons.

The Jesus Training Manual Richard Mull, 2011-04-19 What happens when you look into the box where you think God is contained and you find He isn't there? What happens next may surprise you! You will learn how to hear God's voice, that God still does miracles, that demons are real and how to deal with them, and truths about the Kingdom of God, healing, your spiritual authority, spiritual battles, and your armor. Written by a former traditional Baptist pastor, Mull's unique story is one of God destroying religious constraints, allowing His people to reel in miracles of healing, salvations, and supernatural experiences in the presence of God. His journey will help you overcome skepticism, toss away theological hang-ups you once

thought were from God, and stand solidly on biblical principles. This book is filled with amazing real-life stories and practical applications of the same things Jesus taught His 12 disciples. You will be challenged to believe God is able to do more than you have ever imagined!

A Process for Formulating an Elder and Deacon Training Manual for the Wheaton Evangelical Free Church, Wheaton, Illinois R. Ivan York, 1981

The Baptist Deacon Robert E. Naylor, 1955 Dr. Robert Naylor addresses the subject of deacons in the Baptist church, discussing their qualifications and selection, their tenure, and every area of their work, beliefs, home life, and rewards.

The Deacon Ministry Calvin Eugene Moore, Jr, 2025-06-23 The Deacon Ministry: A Training Manual is a comprehensive guide designed to equip aspiring deacons with the spiritual foundation, practical skills, and servant-hearted mindset essential to their calling in the Christian church. Rooted in biblical principles and enriched with real-life applications, this manual offers step-by-step instruction on the roles, responsibilities, and heart posture of a deacon. Ideal for pastors, church leaders, and ministry teams, it serves as both a training resource and a reference tool to support the growth, unity, and effectiveness of the deacon ministry within the local church.

Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life. Most Baptist individuals and churches have strongly opposed women deacons. Some Baptist associations have even disfellowshipped churches that have approved women deacons. And women in general have been suppressed by many recent actions of the Southern Baptist Convention, thereby affecting women deacons. However, thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions. The book presents arguments on both sides of the topic, but lands squarely in support of women deacons.
