

Book Series About Genghis Khan

Conn Iggulden

The Khan Series 5-Book Bundle Conn Iggulden, 2012-04-23 From the co-author of *The Dangerous Book for Boys*, the Khan series is a triumph of historical fiction—a bold, epic account bursting with gritty realism and exhilarating action. Now this eBook bundle assembles the entire series—*Birth of an Empire*, *Lords of the Bow*, *Bones of the Hills*, *Empire of Silver*, and *Conqueror*—sparing no detail, from the Great Khan's first conquest and the heights of his unprecedented empire, to his brutal ancestral legacy and the rise of Kublai Khan. **GENGHIS: BIRTH OF AN EMPIRE** "Invigorating . . . zesty historical fiction, the kind with plenty of unbridled combat, accurate research, rampaging hordes and believable characters."—USA Today Genghis Khan was born Temujin, the son of a khan, raised in a clan of hunters and driven by a singular fury: to survive in the face of death, to kill before being killed. Through a series of courageous raids, Temujin's legend grew until he was chasing a vision: to unite many tribes into one, to make the earth tremble under the hoofbeats of a thousand warhorses, to subject all nations and empires to his will. **GENGHIS: LORDS OF THE BOW** "Readers who enjoy well-researched tales of historical adventure with an emphasis on political intrigue, exotic settings, and military conflict will enjoy the ride."—Library Journal For centuries, primitive tribes have warred with one another. Now, under Genghis Khan, they have united as one nation to face the ultimate test: the great, slumbering walled empire of the Chin. In Yenking—modern-day Beijing—the Chin will make their final stand. But Genghis will strike with breathtaking audacity, never ceasing until the emperor himself is forced to kneel. **GENGHIS: BONES OF THE HILLS** "Page-turning . . . a sweeping historical saga [that] will appeal to fans of gritty combat fiction."—Booklist As Genghis enters a strange new land of towering mountains and arid desert, he stirs an enemy greater than any he has met before. Shah Ala-ud-Din Mohammed has under his command thousands of fierce Arab warriors, teeming cavalry, and terrifying armored elephants. But another battle is taking shape—between two of Genghis's feuding sons. Soon the most powerful man in the world must choose a successor, touching off the most bitter conflict of all. **KHAN: EMPIRE OF SILVER** "Epic . . . alpha-male fiction . . . The book has much to teach about a time and a people long shrouded in legend."—The Wall Street Journal The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Even as the sons of Genghis Khan maneuver for supremacy, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

CONQUEROR “A rip-roarin’ read, and inspiration to go and sack a few cities on your own.”—Kirkus Reviews A succession of ruthless leaders have seized power in the wake of the Great Khan’s death—all descendants of Genghis, but none with his indomitable character. It is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world.

Genghis: Lords of the Bow Conn Iggulden, 2010-07-13 For centuries, primitive tribes have warred with one another. Now, under Genghis Khan—a man who lives for battle and blood—they have united as one nation, overcoming moats, barriers, deceptions, and superior firepower only to face the ultimate test of all: the great, slumbering walled empire of the Chin. Genghis Khan comes from over the horizon, a single Mongol warrior surrounded by his brothers, sons, and fellow tribesmen. With each battle his legend grows and the ranks of his horsemen swell, as does his ambition. In the city of Yenking—modern-day Beijing—the Chin will make their final stand, confident behind their towering walls, setting a trap for the Mongol raiders. But Genghis will strike with breathtaking audacity, never ceasing until the emperor himself is forced to kneel.

Wolf of the Plains Conn Iggulden, 2007 Tells the story of the young warrior who conquered peoples from Baghdad to Beijing.

Genghis: Birth of an Empire Conn Iggulden, 2007-05-01 From the author of the bestselling *The Dangerous Book for Boys* Genghis Khan was born Temujin, the son of a khan, raised in a clan of hunters migrating across the rugged steppe. Shaped by abandonment and betrayal, Temujin endured, driven by a singular fury: to survive in the face of death, to kill before being killed, and to conquer enemies who could come without warning from beyond the horizon. Through a series of courageous raids, Temujin’s legend grew until he was chasing a vision: to unite many tribes into one, to make the earth tremble under the hoofbeats of a thousand warhorses, to subject all nations and empires to his will. **BONUS:** This edition contains excerpts from Conn Iggulden's *Genghis: Lords of the Bow* and *Khan: Empire of Silver*.

Genghis Khan, Makers of History Series Jacob Abbott, 2022-01-29

Khan: Empire of Silver Conn Iggulden, 2010-12-28 From the author of the bestselling *The Dangerous Book for Boys* **BONUS:** This edition contains an excerpt from Conn Iggulden's *Conqueror*. The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Now, with the sons of Genghis Khan maneuvering for supremacy, the very qualities that united the fierce Mongol tribes threaten to tear them apart. Genghis’s tough and canny heir, Ogedai, is on the verge of becoming the new Khan. Inexplicably, Ogedai has delayed his coronation to complete a project many deem a folly: the building of Karakorum, a magnificent city amid the wild plains. His decision emboldens his arrogant brother Chagatai to violently challenge him, leaving their noble sibling Tolui caught between them. Yet even as they clash, the Khan’s armies extend his reach farther than ever before, into southern China and

across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

Conqueror Conn Iggulden, 2011-12-27 For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller *The Dangerous Book for Boys* has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in the wake of Genghis Khan's death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan's age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. BONUS: This edition includes an excerpt from Conn Iggulden's *The Blood of Gods*. "Conqueror is as real as military fiction gets. Conn Iggulden's story of one of history's most ferocious and brilliant warriors is full of lessons for our warfighters today."—Gunnery Sergeant Jack Coughlin, USMC (ret.), New York Times bestselling author of *Shooter* and *Kill Zone: A Sniper Novel* "A rollicking, dangerous and often very gory gallop through the largest land empire the world has ever known."—Sunday Express (U.K.) "A thrilling journey, rippingly told . . . Iggulden's most satisfying to date."—The Daily Telegraph (U.K.)

Empire of Silver Conn Iggulden, 2010 The eagerly awaited 4th novel in the bestselling Conqueror series, continuing the life and adventures of the mighty Khan dynasty.

Lords of the Bow Conn Iggulden, 2010 The action-packed second novel in the No. 1 bestselling Conqueror series, bringing to the epic story of Genghis Khan brilliantly to life The gathering of the tribes of the Mongols has been a long time in coming but finally, triumphantly, Temujin of the Wolves, Genghis Khan, is given the full accolade of the overall leader and their oaths. Now he can begin to meld all the previously warring people into one army, one nation. But the task Genghis has set himself and them is formidable. He is determined to travel to the land of the long-time enemy, the Chin and attack them there. The distances and terrain—the wide deserts, the impenetrable mountains—make it a difficult venture even for the legendary Mongolian speed of movement, but the greatest problem is that of the complex fortifications, a way of fighting wars of a settled urban population which the nomadic Mongolians had never come across. Finding ways to tackle that and keeping his tribes together in a strange environment presents another new and exciting challenge for Genghis Khan. Not only must Genghis succeed in this incredible campaign, but he must also reconcile the restless factions among his own generals, mediate between his ambitious brothers and cope with his own reactions to his growing sons. The young warrior

has become a notable and victorious military commander of thousands: he must now learn to become a great leader of peoples of many different races and religions. *Lords of the Bow* is a deeply satisfying novel. It is epic in scope, convincing, and fascinating in the narration of an extraordinary story. Above all Genghis Khan continues to dominate the scene as he matures from the young boy of Wolf of the Plains to the great Conqueror.

Genghis: Bones of the Hills Conn Iggulden, 2010-07-13 From the author of the bestselling *The Dangerous Book for Boys* From Conn Iggulden, #1 bestselling author of six historical epics and coauthor of the international sensation *The Dangerous Book for Boys*, comes a magnificent new work of fiction. Here, the Mongol conqueror Genghis Khan, stalked by enemies seen and unseen and plagued by a divided family, leads a sprawling force of horsemen beyond the realm of their known world. He will bring a storm to Arab lands and face the armies of the shah in all their strength. From the fierce cold plains of Mongolia to the Korean Peninsula, Genghis's brothers, sons, and commanders have made emperors bow, slaughtering vast armies of fighting men. But as Genghis enters a strange new land of towering mountains and arid desert, he stirs an enemy greater than any he has met before. Under his command, Shah Ala-ud-Din Mohammed has thousands of fierce Arab warriors, teeming cavalry, and terrifying armored elephants. When Genghis strikes, the Arabs prove their mettle. On the verge of defeat, Genghis is forced to leave his own vast encampment, and the women and children in it, in the path of an enraged, savage enemy. While the Mongols—men, women, and children—fight back, as secret assassins are sent into the night, another battle is taking shape. Two of Genghis's sons, Jochi and Chagatai, are steeped in enmity. Warriors choose between them, and a murderer commits an unspeakable crime. Soon the most powerful man in the world, who has brought devastation to this land, must choose a successor. And when he does, it will touch off the most bitter conflict of all. In a novel that ranges from the fertile lands of the Chin to the dust and rock of Afghanistan, Conn Iggulden weaves the epic story of history's most enigmatic conqueror—those who feared him, those who defied him, and those whose bones he left behind.

Bones of the Hills Conn Iggulden, 2008 The third of a new four book series focusing on an important historical event.

Khan: Empire of Silver Conn Iggulden, 2011-11-22 From the author of the bestselling *The Dangerous Book for Boys* The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Now, with the sons of Genghis Khan maneuvering for supremacy, the very qualities that united the fierce Mongol tribes threaten to tear them apart. Genghis's tough and canny heir, Ogedai, is on the verge of becoming the new Khan. Inexplicably, Ogedai has delayed his coronation to complete a project many deem a folly: the building of Karakorum, a magnificent city amid the wild plains. His decision emboldens his arrogant brother Chagatai to violently challenge him, leaving their noble sibling Tolui caught between them. Yet even as they clash, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

Bones of the Hills Conn Iggulden,2009

Genghis Khan, Makers of History Series Abbott Jacob,2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Conqueror: The Complete 5-Book Collection Conn Iggulden,2013-03-28 Conn Iggulden's No.1 bestselling series, which tells the epic story of Genghis Khan, his warrior sons, and their fight to rule an empire, now in one complete eBook for the first time.

Wolf of the Plains (Conqueror, Book 1) Conn Iggulden,2008-09-04 From the No.1 bestselling author of 'Emperor', 'Wolf of the Plains', is the much anticipated beginning of the Conqueror series on Genghis Khan and his descendants. It is a wonderful, epic story which Conn Iggulden brings brilliantly to life.

Genghis Khan (Illustrated) Jacob Abbott,2020-08-26 Possessed of great energy, discernment, genius and understanding. —Juzjani on Genghis Khan - A Classic Book! - Includes the Original Illustrations

Encore Empire of Silver Conn Iggulden,2017-02-01 The 4th novel in the bestselling Conqueror series, continuing the life and adventures of the mighty Khan dynasty. Genghis Khan is dead, but his legend and his legacy live on. His son Ogedai has built a white city on a great plain and made a capital for the new nation. Now the armies have gathered to see which of Genghis' sons has the strength to be khan. The Mongol empire has been at peace for two years, but whoever survives will face the formidable might of their great enemy, China's Song dynasty. The great leader Tsubodai sweeps into the west: through Russia, over the Carpathian mountains and into Hungary. The Templar knights have been broken and there is no king or army to stop him reaching France. But at the moment of Tsubodai's greatest triumph, as his furthest scouts reach the northern mountains of Italy, Tsubodai must make a decision that will change the course of history forever.

Genghis Khan Jacob Abbott,2020-03-02 The northern part of China was at that time entirely separated from the southern part, and was under a different government. It constituted an entirely distinct country, and was called Katay This country was under the dominion of a chieftain called the Khan of Katay. This khan was very jealous of the increasing power of Yezonkai, and took part against him in all his wars with the tribes around him, and assisted them in their attempts to resist him; but he did not succeed. Yezonkai was too [Pg 46]powerful for them, and went on extending his conquests far and wide.At last, under the pretense of some affront which he had received from them, Yezonkai made war upon a powerful tribe of Tartars that lived in his neighborhood. He invaded their territories at the head of an immense horde of Mongul troops, and began seizing and driving off their cattle.

- Book Series About Genghis Khan Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its

research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Book Series About Genghis Khan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless

experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Book Series About Genghis Khan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and

genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Book Series About Genghis Khan free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Book Series About Genghis Khan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms

mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Book Series About Genghis Khan any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Book Series About Genghis Khan Books

1. Where can I buy Book Series About Genghis Khan books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Book Series About Genghis Khan book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Book Series About Genghis Khan books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
