The Politics of Post-9/11 Music: Sound, Trauma, and the Music Industry in the Time of Terror Brian Flota, 2016-02-24 Seeking to extend discussions of 9/11 music beyond the acts typically associated with the September 11th attacks"U2, Toby Keith, The Dixie Chicks, Bruce Springsteen"this collection interrogates the politics of a variety of post-9/11 music scenes. Contributors add an aural dimension to what has been a visual conceptualization of this important moment in US history by articulating the role that lesser-known contemporary musicians have played"or have refused to play"in constructing a politics of protest in direct response to the trauma inflicted that day. Encouraging new conceptualizations of what constitutes 'political music,' The Politics of Post-9/11 Music covers topics as diverse as the rise of Internet music distribution, Christian punk rock, rap music in the Obama era, and nostalgia for 1960s political activism.

Revenge of the Translator Brice Matthieussent, 2018-09-25 The work of a novelist and translator collide in this visionary and hilarious debut from acclaimed French writer Brice Matthieussent. Revenge of the Translator follows Trad, who is translating a mysterious author's book, Translator's Revenge, from English to French. The book opens as a series of footnotes from Trad, as he justifies changes he makes. As the novel progresses, Trad begins to take over the writing, methodically breaking down the work of the original writer and changing the course of the text. The lines between reality and fiction start to blur as Trad's world overlaps with the characters in Translator's Revenge, who seem to grow more and more independent of Trad's increasingly deranged struggle to control the plot. Revenge of the Translator is a brilliant, rule-defying exploration of literature, the act of writing and translating, and the often complicated relationship between authors

and their translators.

The Legacy Letters Carew Papritz,2014-01-01 Winner of 5 national awards including the Mom's Choice Award, The Legacy Letters is an inspirational bestseller that the The Huffington Post calls, A Must-Read Book of Wisdom for Life...exquisite, intimate, passionate, humorous, and genuine... "Live Life to the Fullest" becomes a father's passionate plea to his family throughout the letters—and to all of us desiring to live the same way. Woman's World Magazine writes, "This inspirational classic is the perfect comfort book for people hungry to find meaning in their lives." The Legacy Letters—In a race against time and separated from his loved ones through tragic circumstances, a dying father discloses to us his most intimate and hopeful thoughts about life and love through private letters to his wife and his children. Ultimately revealed within the letters is the father's extraordinary emotional and spiritual journey. In his race with death, writing with inspired clarity and passion, the father transforms his words of self-discovery and wisdom, interwoven between deeply moving personal stories and poignantly-told memories, into the practical, moral, and spiritual guidebook for his children he'd never live to see, and for his wife, his redemptive act of love. The Legacy Letters, though fictional, has also won acclaim as a life lessons book for all ages, gaining the distinction of being the only book in publishing history to win awards in both fiction and non-fiction categories. Combining the best elements of such popular bestsellers as Tuesdays with Morrie, The Last Lecture, and Chicken Soup for the Soul, author Carew Papritz creates with his award winning book, The Legacy Letters, a timeless gift, filled with a hopeful, positive, and powerful message for all generations for all parents and children of any age; for spiritual seekers and the perpetually curious; for lovers of the written word and lovers of the passionate heart for all those who long to be reconnected with universally important values that keep our hopes alive, defends our big dreams and our belief that we can reach them, and gives us the courage we need to change our own lives . . . The Legacy Letters is for you . . .
