**Thousand More Hindu Quotations For Speakers And Students** London Swaminathan,2023-04-25 This is my second volume of 1000 more quotations mostly from Hindu scriptures. This is a Book of Quotations with a difference. I have included books from Sanskrit and Tamil languages. Most of the quotation books sold in India have more foreign quotations than Hindu quotes. It is very rare to see Kalidasa or Tamil Tiru Valluvar in such books. I have given quotations from Panchatantra, Hitopadesa, Kalhana's Raja Tarangini, Tamil poet Bharati, Sikh Gurus, Manu and Sanskrit dramas. The date of first posting in my blogs and the serial number are in all the posts. Last but not the least, I have divided them topic wise or subject wise.

**Keep praying god is listening** Kritika Khetarpal Malik,2022-11-18 Being very much part of this material world , i find solace , comfort , peace with God. this book is about prayers ,Prayer is communicating with God as you would with a friend, parent , partner or with a sibling.God doesn't require us to come to Him with large words or fancy language. He longs to hear what our heart desires, our worries and what we're thankful for. The best part of building a bond with god is absence of judgment.. you can be yourself ..nothing is hidden from him.. he knows exactly how you are feeling .. when no body understands . He knows the causes, the reasons, the things that brought you to this point. He understands because he made you, and he sees the hurt in your heart like nobody else can. No human being has this ability And whatever you ask in prayer, you will receive, if you have faith. for all my worldly needs I only pray to God because asking from humans only brings disappointment, but praying to God gets my material and worldly desires fulfilled. I got connected to guru Nanak Dev ji , through my grandmother (dadi ma) . It was my daily evening ritual during my teenage days to go to my grandmother while she was doing paath . It was through Gurbani and katha , I understood the preaching of Gurunank dev ji and power of Ardas ( prayers).Just as dirt is washed by soap , in the same way man's evil thoughts may be washed by prayer and meditation . Sinners have turned into saints through prayer. God is the helper of the helpless , the strength of the weak , the supporter of the fallen . As a human being We all make mistakes, we all slip up and make mistakes and that too on a daily basis. But no matter the storms you are facing , no matter your past God loves you and his love is perfect.I am writing this book while going through my toughest phase of life .. through this book I am encouraging my self and hoping to encourage millions of people to not loose patience and hope . While we may not like the hard circumstances we are stuck in we can have hope. A day will come when there will be no more tears and no more pain . It's a small nudge to have faith in power of prayers and God . God answers our prayer in four ways:- the first is "Yes". We ask for something; we pray to God, and he says, "Yes, my child. Here it is; I give you what you asked for." The second is "No". For a good reason God tells us, "No my child, I will not grant your prayer." The third is "Wait". It is as if God tells us that the time is not right for us to receive what we want. So, he tells us, "Wait. The time is not yet." The fourth is, "Here is something better." We have asked for one thing, but he grants us something else and says, "Here is something different, something better that I want to give you." So keep praying,because He hears you. God's listening right now, and He'll still be listening tomorrow. . "One of the main reasons that we lose our enthusiasm is because we become ungrateful, we let what was once a miracle become common to us." When God is our strength, we begin to not only see miracles in the lives of others, but in our lives as well. E'yen A Gardner, Chosen One.

Sending my love, light and healing energy through this book .

*History of the Sikhs: The Sikh Gurus, 1469-1708* Hari Ram Gupta,1994 Illustrations: 3 Maps Description: History of the Sikhs is a five volume series dealing with all aspects-religious, philosophical, political, military, social, economic and cultural, and the contribution of Sikhism to world civilization, in particular to human rights, principles of liberty, equality and fraternity, and to the creed of democracy and secularism. The aim is to present a comprehensive view of the rise, growth and development of Sikh thought and action almost in every direction. The entire series is based on original contemporary sources in English, Gurmukhi, Marathi, Persian and Urdu known to exist in India and abroad. This first volume gives the story of Ten Masters who provided leadership to the downtrodden people of the Punjab both in religious and political fields for about two centuries. Their aim was to remove the bitterness that had persisted between the rulers and their subjects for the past five hundred years. They wished to create a new society based upon mutual brotherhood, and freedom of thought, expression and action. It was under the circumstances almost an impossible task. But there is nothing like a dream to create the future. Utopia today, flesh and blood tomorrow. Man's onward march requires that the heights around him should be ablaze with noble and glorious deeds of valour and self-sacrifice to serve as guiding lights. Such evolutionary and revolutionary models were furnished by Guru Arjan, Guru Tegh Bahadur, Guru Gobind Singh, and his four sons-Ajit Singh (18 years), Jujhar Singh (14 years), Zorawar Singh (8 years), and Fatah Singh (5 years)-as well as by their numerous disciples like Bhais Mati Das, Sati Das and Dayal Das. The main feature of this book are: A critical appraisal of Guru Nanak's Janam Sakhis, justification for celebrating Guru Nanak's birthday in November instead of in April, Guru Nanak's compositions, Mardana's death at Baghdad, how Amritsar developed into a Sikh centre, Guru Arjan's martyrdom, why Guru Hargobind took to militarism, Guru Har Rae's residence at Nahan, Hukam Namas of Guru Tegh Bahadur, Guru Gobind Singh's formula of five into five, his literary works and Hukam Namas, Emperor Bahadur Shah's pious fraud, eminent personalities and instructions, impact of Gurus'; teachings on Indian society, and why Jats became followers of Khatri Gurus.

The Evolution of the Sikh Community W. H. McLeod,1996 Sikh history has traditionally been regarded as a paradox.

Beginning in the early sixteenth century as a system of internal devotion. Sikhism emerges into prominence during the eighteenth century as a clearly defined belief laying powerful stress upon external symbols. In a series of five essays this book examines Sikh history, scriptures, and society, seeking to show that the evolution of the community during the last 500 years has been a direct response to circumstances in the Punjab.
