Pray the Gay Away Bernadette Barton, 2014-08-22 2013 Finalist for the Lambda Literary Awards, LGBT Studies category Barton argues that conventional Southern manners and religious institutions provide a foundation for homophobia in the Bible Belt. In the Bible Belt, it's common to see bumper stickers that claim One Man + One Woman = Marriage, church billboards that command one to "Get right with Jesus," letters to the editor comparing gay marriage to marrying one's dog, and nightly news about homophobic attacks from the Family Foundation. While some areas of the United States have made tremendous progress in securing rights for gay people, Bible Belt states lag behind. Not only do most Bible Belt gays lack domestic partner benefits, lesbians and gay men can still be fired from some places of employment in many regions of the Bible Belt for being a homosexual. In *Pray the Gay Away*, Bernadette Barton argues that conventions of small town life, rules which govern Southern manners, and the power wielded by Christian institutions serve as a foundation for both passive and active homophobia in the Bible Belt. She explores how conservative Christian ideology reproduces homophobic attitudes and shares how Bible Belt gays negotiate these attitudes in their daily lives. Drawing on the remarkable stories of Bible Belt gays, Barton brings to the fore their thoughts, experiences and hard-won insights to explore the front lines of our national culture war over marriage, family, hate crimes, and equal rights. *Pray the Gay Away* illuminates their lives as both foot soldiers and casualties in the battle for gay rights.

Don't Underestimate Me (Just Don't, Book 2): Gay Contemporary Romance Alina Popescu, 2018-12-12 The best first kiss ever should lead up to a wonderful holiday season. But what if it only heralds heartbreak? After a whole decade of pining over his brother's husband, Van finally gets a chance to kiss him. With Parker's taste still in his heart, Van's outlook on his romantic future is suddenly brighter. It doesn't last long, not when an out-of-town aunt with health issues and Parker's own choices keep them apart. Van buries himself in his work in a desperate attempt to deal with the heavy blow of not seeing Parker. When they're finally reunited, the outlook is just as bleak. As Van risks his entire family turning against him, Van might get a Christmas that's not even close to merry. He'll need a few miracles to sort everything out, but he's severely short on holiday cheer. *Don't Underestimate Me* continues the angsty story of the *Just Don't* gay romance serial. If you like to see

love interests bouncing between friendship and love, then you'll love this second installment in Alina Popescu's series. Get your copy of *Don't Underestimate Me* right now to find out what happens next in Evan and Parker's lives.

The Gay Times Book of Short Stories P.-P. Hartnett,2000 This anthology, is an exciting mix of the best established names plus an adventurous new wave of gay and bisexual voices from England, Ireland. Scotland and Wales, says Hartnett. This collection is a far cry from crap melodrama, the usual sentimental nonsense and all that paint by numbers porn that is as wincingly predictable as it is unlikely, and anything but erotic. It's important for writers to embrace their sexuality and lifestyle as completely and honestly as possible and at the same time to forget about it entirely.
