[In English] Kalki Puran - A Concise Guide The Divine Edits,2023-04-16 [In English] Kalki Puran - A Concise Guide

Sri Kalki Purana Sri Krsna Dvaipayana Vyasa,2013-10-01 The Sri Kalki Purana is one of the most sacred texts in the world. It concerns itself and its readers with the events at the end of the Kali Yuga - the current age in which we find ourselves today. It foretells the coming of Lord Krsna's final dashavatara, Sri Kalki, who will finally bring an end to sin and wickedness, and re-establish the righteous order. Sri Kalki will renew the varnas, perfect the dharma, and restore the prominence of the holy Vedas. This new edition presents the Sri Kalki Purana in a more modern style, making it more accessible for contemporary readers of English everywhere.

Kalki Purana B.K. Chaturvedi,2024-05-28 Puranas are almost like an encyclopaedia listing the human achievements in this part of the world till the time they were edited or compiled. In every cycle of time the master editor called Vedavyas emerges to edit, vet and compile these records. Their significance is enormous even in the present, as they give a peep into the distant past of Hindus when the world was evolving and the psyche of the race was being formed. These puranas record the arguments that make us to decide as to what is holy and what is vile; what is good and what is bad. By going through them we can compare our present day jurisprudence vis-à-vis the ancient norms. Apart from that, they are a huge store-house of information conceiving every subject under the sun. It is with the view of unearthing these gems that the present series of the puranas has been planned.

An Alternative Decision I. R. Jangharia,2010 It is a book which gives an insight into some fundamental questions of our existence, which you and I have considered within ourselves at one time or another in our lives. Some of us have been too afraid to tackle these type of questions, and some of us have not attempted to research the answers to the fundamental questions of our existence due to not being able to have the time to research them deeply in order to uncover the truth. Sadly, with regret, many of us are simply too ignorant to even consider or research certain truths because we think we know best. It is a book which highlights to the point, in a very concise manner. It is a book which allows you to think. It encourages you to go even deeper into establishing a certain truth for your own satisfaction in your own heart and mind. It is a book simplified even for the intellectuals in order to take up as a challenge for yourself. You certainly owe it to yourself. It is left for you to agree or disagree and come to your own conclusions after considering some or all of the points raised. Or you may

still sit on the fence. It opens up another window in your life highlighting the very fundamental issues of the existence of life, and leaves it upon you to come to a decision within yourself. An Alternative Decision, to the one that you might already hold.

An English translation of the Satyarth Prakash Swami Dayananda Sarasvati,1908 An English translation of the Satyarth Prakash; literally, Expose of right sense (of Vedic religion) of Maharshi Swami Dayanand Saraswati, 'The Luther of India,' being a guide to Vedic hermeneutics.
