IM Harris

*Oathbound* Tracy Deonn, 2025-03-04 Tracy Deonn's #1 New York Times bestselling Legendborn Cycle continues in the sensational third book about a dazzling contemporary fantasy world that blends Southern Black Girl Magic with secret societies and the legend of King Arthur! Severed from the Legendborn. Oathbound to a monster. Bree Matthews is alone. She exiled herself from the Legendborn Order, cut her ancestral connections, and turned away from the friends who can't understand the impossible cost of her powers. This is the only way to keep herself—and those she loves—safe. But Bree's decision has come with a terrible price: an unbreakable bargain with the Shadow King himself, a shapeshifter who can move between humanity, the demon underworld, and the Legendborn secret society. In exchange for training to wield her unprecedented abilities, Bree has put her future in the Shadow King's hands—and unwittingly bound herself to do his bidding as his new protégé. Meanwhile, the other Scions must face war with their Round Table fractured, leaderless, and missing its Kingsmage, as Selwyn has also disappeared. When Nick is detained by the Order's Merlins, he invokes an ancient law that requires the High Council of Regents to convene at the Northern Keep and grant him an audience. No one knows what he will demand of them...or what secrets he has kept hidden from the Table. As a string of mysterious kidnappings escalates and Merlins are found dead, it becomes clear that no matter how hard Bree runs from who she is, the past will always find her.

**Ashes of Gold** J. Elle, 2023-02-07 Half god and half human, Rue has made a vow to restore the magic that the Chancellor and the Grays have stolen from the Ghizoni and take back their land; she has more fully embraced her identity among the people of Yiyo Peak, but she is also from East Row in Houston, and girls from East Row do not give in to oppressors.

**Anārren Gifted: Mentor's Legacy** Christopher C. Dimond, 2023-10-18 Rescue the princess, save the kingdom. Why is it never quite that simple? When Tiryon summons Roen to help him rescue a neighboring kingdom's princess, Roen doesn't hesitate. But when they finally find the princess, Roen learns there was far more at stake than he'd realized, and the princess isn't alone. Worse still, the kidnapping was itself just the prelude to a war that soon engulfs not only the neighboring kingdoms, but also Tyshone itself. As Roen and the others struggle to hold back Moyaki and his Grey Brigands, Roen must once again grapple with a terrible choice—how far is he willing to go to stop the man who has killed so many? And are his own gifts finally strong enough to face the man who killed his mentor? Find out now in the thrilling series conclusion, *Anārren Gifted: Mentor's Legacy*! *Mentor's Legacy* is the action-packed conclusion of the sweeping, four book *Anārren Gifted*

sword and sorcery fantasy series. If you like loyal heroes, detailed fight sequences, and redemptive story arcs, then you'll love Christopher C. Dimond's character-driven tales.

**Medievalisms in a Global Age** Angela Jane Weisl,Robert Squillace,2024 Discusses contemporary medievalism in studies ranging from Brazil to West Africa, from Manila to New York. Across the world, revivals of medieval practices, images, and tales flourish as never before. The essays collected here, informed by approaches from Global Studies and the critical discourse on the concept of a Global Middle Ages, explore the many facets of contemporary medievalism: post-colonial responses to the enforced dissemination of Western medievalisms, attempts to retrieve pre-modern cultural traditions that were interrupted by colonialism, the tentative forging of a global medieval imaginary from the world's repository of magical tales and figures, and the deployment across borders of medieval imagery for political purposes. The volume is divided into two sections, dealing with Local Spaces and Global Geographies. The contributions in the first consider a variety of medievalisms tied to particular places across a broad geography, but as part of a larger transnational medievalist dynamic. Those in the second focus on explicitly globalist medievalist phenomena whether concerning the projection of a particular medievalist trope across borders or the integration of medieval pasts from different parts of the globe in a contemporary incarnation of medievalism. A wide range of topics are addressed, from Japanese manga and Arthurian tales to The O-Trilogy of Maurice Gee, Camus, and Dungeons and Dragons.

*The UnGandhian Gandhi* Claude Markovits,2004 Documentary about deceased photojournalist Tim Hetherington directed by Sebastian Junger. Together with his friend and long-term collaborator Sebastian, Tim travelled the world documenting conflicts in Afghanistan, Liberia and Libya, among other locations. Best known for their 2010 film 'Restrepo' which was nominated for an Academy Award, the two strived to capture the humanity within conflict situations and with their images they focused on the individuals involved and their experiences of the violence surrounding them. Unfortunately, in 2011 Tim

was killed by a mortar blast and this film is a tribute and celebration of the legacy he has left behind and includes interviews with those who knew him best.
