Marlena De Blasi

The Lady in the Palazzo Marlena De Blasi, 2008-01-01 A transplanted American chef and food writer continues the story of her life in Italy, describing her and her husband's move to Orvieto as they search for and find the perfect home, which turns out to be the former ballroom of a fifteenth-century palazzo.

That Summer in Sicily Marlena de Blasi, 2009-05-19 NEW YORK TIMES BESTSELLER “At villa Donnafugata, long ago is never very far away,” writes bestselling author Marlena de Blasi of the magnificent if somewhat ruined castle in the mountains of Sicily that she finds, accidentally, one summer while traveling with her husband, Fernando. There de Blasi is befriended by Tosca, the patroness of the villa, an elegant and beautiful woman-of-a-certain-age who recounts her lifelong love story with the last prince of Sicily descended from the French nobles of Anjou. Sicily is a land of contrasts: grandeur and poverty, beauty and sufferance, illusion and candor. In a luminous and tantalizing voice, *That Summer in Sicily* re-creates Tosca’s life, from her impoverished childhood to her fairy-tale adoption and initiation into the glittering life of the prince’s palace, to the dawning and recognition of mutual love. But when Prince Leo attempts to better the lives of his peasants, his defiance of the local Mafia’s grim will to maintain the historical imbalance between the haves and the have-nots costs him dearly. The present-day narrative finds Tosca sharing her considerable inherited wealth with a harmonious society composed of many of the women—now widowed—who once worked the prince’s land alongside their husbands. How the Sicilian widows go about their tasks, care for one another, and celebrate the rituals of a humble, well-lived life is the heart of this book. Showcasing the same writerly gifts that made bestsellers of *A Thousand Days in Venice* and *A Thousand Days in Tuscany*, *That Summer in Sicily*, and de Blasi’s marvelous storytelling, remind us that in order to live a rich life, one must embrace both life’s sorrow and its beauty. Here is an epic drama that takes readers from Sicily’s remote mountains to chaotic post-war Palermo, from the intricacies of forbidden love to the havoc wreaked by Sicily’s eternally bewildering culture.

Antonia and Her Daughters Marlena de Blasi, 2012-05-01 The next volume of memoir from the author of the international bestseller *A Thousand Days in Venice* introduces the extraordinary Antonia, imperious matriarch of four generations of strong-willed Tuscan women. The renovations to 34 via del Duomo now complete, Marlena de Blasi, the bestselling international author and the woman with the fairy-tale life needs to find time and space to finish a book. Lured by the offer of a simple stone cottage in the remote, mountainous region of western Tuscany, distant from the distractions of her

everyday life with Fernando in Orvieto, she sets off for some much-needed solitude. But her plans to live simply, in peace and quiet, are overturned when she meets the imperious, tempestuous Antonia, the still-stunning, elderly matriarch of a large, complicated family of four generations of beautiful blue-eyed Italian women, all with stories and ideas of their own. Antonia dislikes tourists and outsiders, and so Marlena at first spars and clashes with her before they reach an understanding. Over feasts and family dinners, walking in the dark before sunrise to harvest wild lettuces, preparing meals and exchanging recipes, the two women joust, joke, exchange confidences, and grow closer and closer until finally Antonia reveals the terrible secrets behind the vivid beauty of Il Castelletto. Evocative, powerful, and haunting, this is a compelling insight into Italy's recent past and a revealing glimpse into one extraordinary woman's story and her kitchen.

A Thousand Days in Venice Marlena De Blasi, 2013-01-01 De Blasi, a chef and food writer from St. Louis, begins a whirlwind romance with a man in Venice.

A Thousand Days in Tuscany Marlena de Blasi, 2005-09-27 They had met and married on perilously short acquaintance, she an American chef and food writer, he a Venetian banker. Now they were taking another audacious leap, unstitching their ties with exquisite Venice to live in a roughly renovated stable in Tuscany. Once again, it was love at first sight. Love for the timeless countryside and the ancient village of San Casciano dei Bagni, for the local vintage and the magnificent cooking, for the Tuscan sky and the friendly church bells. Love especially for old Barlozzo, the village mago, who escorts the newcomers to Tuscany's seasonal festivals; gives them roasted country bread drizzled with just-pressed olive oil; invites them to gather chestnuts, harvest grapes, hunt truffles; and teaches them to caress the simple pleasures of each precious day. It's Barlozzo who guides them across the minefields of village history and into the warm and fiercely beating heart of love itself. *A Thousand Days in Tuscany* is set in one of the most beautiful places on earth—and tucked into its fragrant corners are luscious recipes (including one for the only true bruschetta) directly from the author's private collection.

Amandine Marlena de Blasi, 2010-05-18 Marlena de Blasi, the acclaimed author of such delectable memoirs as *A Thousand Days in Venice* and *That Summer in Sicily*, now brings her luminous prose to the world of fiction with this

remarkable debut novel. Set against the backdrop of Europe as it moves inexorably toward World War II, Amandine follows a young orphan's journey in search of her heritage. The story opens in Krakow in 1931, as a baby girl is conceived out of wedlock, the byproduct of a foolish heart and a tragic inheritance. The child's grandmother, a countess, believes that she is protecting her daughter when she claims that the baby didn't survive. In truth, however, she deposits the infant at a remote convent in the French countryside, leaving her with a great sum of money and in the care of a young governess named Solange. Solange takes it upon herself to give the child a distinctive name, Amandine, and the two form a special bond. But even Solange's unconditional love cannot protect her charge. Mistrusted by both the abbess and the convent girls, the unusually astute and curious Amandine finds her childhood filled with challenges and questions: Who is she? Where does she come from? Eventually, Solange is forced to choose between the terrors of the convent and those of a global war looming outside its doors. Thus, with a purseful of worthless francs and a sack of provisions, the two flee north toward Solange's childhood home. But what should have been a two-day journey by train becomes a perilous, years-long odyssey across Occupied France—and deeper into the treacheries of war. Tracing the flight of Amandine and Solange while peering into the lives of the countess and her daughter, Amandine's mother, who still mourns and dreams of the child she thinks she lost forever, Marlena de Blasi's epic novel winds its way toward a dramatic and compelling conclusion, as mother and daughter draw ever nearer. Amandine is a sumptuous tale of identity and survival, persistent hope and unexpected love.

The Umbrian Supper Club Marlena de Blasi, 2015-04-01 'The only sauce is olive oil - green as sun-struck jade - splashed in small lustrous puddles, through which one skates the flesh, the fat, the bones, the potatoes, the bread. In the last, best drops, one skates a finger.' Luscious and evocative, *The Umbrian Supper Club* recounts the stories of a small group of Umbrian women who - sometimes with their men and, as often, without them - gather in an old stone house in the hills above Orvieto to cook, to sit down to a beautiful supper, to drink their beloved local wines. And to talk. During the gathering, the preparation, the cooking and the eating, they recount the memories and experiences of their gastronomic lives and, as much, of their more personal histories. For a period of four years, it was Marlena de Blasi's task, her pleasure, to cook for the Supper Club - to choose the elements for supper, to plan the menu and, with the help of one or another of the women in the club, to prepare the meal. What she learnt, what they cooked and ate and drank and how they talked is the fundamental stuff

of this book. Including a dozen recipes, drawn from the Supper Club, *The Umbrian Supper Club* is a delight to read and to taste.

Regional Foods of Southern Italy Marlena De Blasi, 1999 The essence of the region's traditional foods is distilled in a beautifully wrought amalgam of narrative and recipe. The two-color book features more than 150 recipes.

Dolce E Salata Marlena De Blasi, 2005 From the author of the bestselling *A Thousand Days in Venice*, these are the further adventures of Marlena and Fernando and their experiences as they move to a small village in Tuscany. Another delicious combination of authentic Italian life, food, recipes, love and memoir.

There - along with their friend, Marlena - they cook together, sit down to a beautiful supper, drink their beloved local wines, and talk. Surrounded by candle light, good food and friendship, the four women tell Marlena their evocative life stories, and of cherished ingredients and recipes whose secrets have been passed down through generations.

A Taste of Southern Italy Marlena de Blasi, 2009-03-11 "It has always been true for me that to know a place, I must first know how it eats and drinks. Everything unravels at the table." -Marlena de Blasi Marlena de Blasi's lifelong affair with cooking began at age nine on a beach along the coast of southern Italy, where she met an elderly woman roasting potatoes coated with olive oil, rosemary, and sea salt over an open fire. Now, in *A Taste of Southern Italy*, de Blasi brings to life the spirit as well as the cuisine of this bountiful region.
