The A to Z of Australian Radio and Television Albert Moran,Chris Keating,2009-08-04 Australians have become increasingly visible outside of the country as speakers and actors in radio and television, their media moguls have frequently bought up foreign companies, and people around the world have been able to enjoy such Australian productions as The Flying Doctors, Neighbours, and Kath and Kim. The origins, early development, and later adaptations of radio and television show how Australia has gone from being a minor and rather parochial player to being a significant part of the international scene.
