Young Adult Literature: From Romance to Realism, Third Edition Michael Cart, 2017-11-21

Date with Destiny Melissa Chambers, Welcome to Destiny Dunes where the only thing hotter than the Florida sun is the romance between this resort's employees. Each book in this steamy series focuses on your favorite romance tropes. Once you enter the gates of Destiny Dunes, you'll never want to leave! Down for Her: From champagne to salt water... Kylie McBride leaves her two-timing ex-fiancé along with a life of luxury for independence and a little self-respect...well, if you can call a job as pool girl respectful. The resort offers employee residence, which she desperately needs. But a housing screw-up has her thrown together with the hunky but helpful Brett. She just needs to keep the Florida panhandle's biggest player out of her heart. Up for Seconds: He won't get in her head again... Tori Jacobs has spent the past year moving on from her intense relationship with Jack Massey, but now he's trying to win her back. His jealousy ruined them. They're too different, anyway. He's a stuffy, number-cruncher from a wealthy family, and she's a hot mess from a place that would make his family clutch their pearls. But Jack has never failed at anything in his life except for his relationship with her, and he doesn't intend to lose at that again. Coming Around: Two fake dates, one growing connection... Inventing a fake boyfriend isn't the smartest thing Bailey's ever done. But what choice did she have after her relentless family kept hounding her with questions about her single status? When her good buddy Cohen at the resort where she works proposes they help each other out—Bailey comes with him to his high school reunion if he goes with her to her cousin's wedding—Bailey's dilemma is solved. The problem is she's finding herself growing more attracted to her co-worker by the date.

Please Me, If He Can't M E a The 63rd, 2022-10-30 Living with the fear of not being accepted feels like a suicide mission for Kevin, a young abled man born with a small penis who couldn't stop hating himself for living with this reality. Sometimes, he felt he could be lucky to have his pride as a man increase a little inch, but it's pretty sad; life doesn't always give us everything we wish for. His fate made him suffer rejection, bullying, and self-isolation from the opposite gender, which made him believe life is cruel. He shifted his attention from engaging with hot, sexy and steamy women to physical activities, as he thought no woman wanted a man with a small penis. However, his beliefs got countered, after Chanel, a sexy young adult, lusted over him after a date-turned-hot sex encounter. The fear of rejection struck Kevin, and he feared loosening up. PLEASE ME, IF HE CAN'T is a romance, erotica, hot, sexy, and steamy novel by M.E.A the 63rd, filled with love, humor, erotic scenes, self-doubt, rejection and acceptance. You can never get bored of reading alone or with your sexual partner!
