Sugar Daddies Jade West,2016-07-12 A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.

The Havana Habit Gustavo Perez Firmat,2010-10-26 Cuba, an island 750 miles long, with a population of about 11 million, lies less than 100 miles off the U.S. coast. Yet the island's influences on America's cultural imagination are extensive and deeply ingrained. In the engaging and wide-ranging Havana Habit, writer and scholar Gustavo Pérez Firmat probes the importance of Havana, and of greater Cuba, in the cultural history of the United States. Through books, advertisements, travel guides, films, and music, he demonstrates the influence of the island on almost two centuries of American life. From John Quincy Adams's comparison of Cuba to an apple ready to drop into America's lap, to the latest episodes in the lives of the "comic comandantes and exotic exiles," and to such notable Cuban exports as the rumba and the mambo, cigars and mojitos, the Cuba that emerges from these pages is a locale that Cubans and Americans have jointly imagined and inhabited. The Havana Habit deftly illustrates what makes Cuba, as Pérez Firmat writes, "so near and yet so foreign."

Dirty Daddies Jade West,2017-06 Some bad girls need a firm hand to keep them in line.I'm bad enough to need two.Two older men who can teach me a lesson when I misbehave.Two hot bodies to keep me warm in bed at night.Two best friends who can learn to share a filthy-mouthed little brat like me.After all... dirty girls need very dirty daddies. ***Carrie Wells is nothing but trouble.She's wild and difficult. Not worth anyone's time.Carrie Wells is a beautiful little brat. She's also a vulnerable young adult on my case list.She's half my age and totally off limits. I'm breaking every rule in the book by giving her somewhere to stay when she's out on the streets with nowhere to go. And I'm breaking every rule of friendship by holing her up in my best friend Jack's house while he's away on business.I thought life was difficult enough when I fell for the girl, but it gets a whole lot harder when Jack comes home early and finds a beautiful stranger causing chaos in his house. And a whole lot harder still when he falls for her too. He's the one guy on this planet I'd share my last supper with. I'd share it

gladly. I'm just not so sure how I feel about sharing Carrie Wells.

Call Me Daddy Jade West,2017-02-24 I want him to be my first.I want him to be the one.I want him to be my everything.I didn't expect to spend my eighteenth birthday stranded in the pouring rain with no way to make it home. But I like him... I like him like that. I've never liked anyone like that before...And it's weird, this thing we have... It's like I can't decide how we're supposed to be... what we are... Until he says the words...Call me Daddy.
