The Key Points! Faye Ivey-Jones, 2012-08-14 The BIBLE is a spiritual, detailed roadmap inspired by God that guides us through the Basic Instructions Before Leaving Earth, and undoubtedly enhances the lives of all who journey through its pages. The good news is, God really loves us and wants to bless us!! Reading The BIBLE helps us to understand how to receive our blessing! So get started. Learn how to take hold of your blessing by reading Gods Word. I thank God for His tender mercies that come upon me that I may live; His law is my delight! (Psalm 119:77 KJV) Therefore, if any man be in Christ, he is a new creature, old things are passed away: behold all things become new! (2Corinthians 5:17 KJV)

Sins of the Spirit, Blessings of the Flesh Matthew Fox,1999 In *Sins of the Spirit, Blessings of the Flesh*, visionary theologian and best-selling author Matthew Fox offers a new theology that fundamentally changes the traditional perception of good and evil and points the way to a more enlightened treatment of ourselves, one another, and all of nature. Through its marriage of spirit and flesh, Fox's *Theology of Spirit* sets forth a visionary but practical mysticism that lays out a blueprint for social transformation. In this book, Matthew Fox dissects the roots of our culture's spiritual malaise and offers *Creation Spirituality* and a *Theology of Spirit* as the medicine for our society's deep spiritual wounds. He shows how, contrary to mainstream church teachings, flesh is the grounding of spirit, and how spirit and flesh are entwined with each other in a felicitous and spiritually nourishing bond. He outlines a *Theology of Spirit*, an approach to the fusing of spirit and flesh which has been underdeveloped in Western thought. His cosmology stresses the need for diversity, the revelatory power of Nature, and the imperative of cooperation. Fox draws together the wisdom of East and West on the subject of human destructiveness by taking Thomas Aquinas's definition of sin as misdirected love and ushering us through parallels between the Eastern teachings of the seven chakras and the Western teachings of the seven capital sins. In doing so, he responds to Martin Buber's call to deprive evil of its power not by extirpating the evil urge, but by reuniting it to the good. Psychologist M. Scott Peck has said that humanity's naming of evil is still in the primitive stage. With this book, Fox ushers us beyond rudimentary naming and places our capacity for evil in the fuller context of our touching the natural beauty of our physical world, the complex texture of our emotional lives, and the splendid depths of our spiritual center. In *Sins of the Spirit, Blessings of the Flesh* Matthew Fox has created his most ambitious and profound book. The text crackles with his intelligence and wit, deftly moving the reader into an examination of our world and our perceptions about it and ourselves, expanding our minds and showing us paths of thought that you would swear were not there before you turned the page.
