

The Song Of The Marked Series

J Elliott

The Song of the Marked S. M. Gaither, 2022-02-17 The old gods are growing restless. An ancient evil is stirring. Can they stop the coming storm? Mercenary Casia Greythorne cares about two things: Completing whatever her latest job is, and earning enough coin to buy the expensive medicine that's keeping her mentor alive. So when the king himself offers her a job, she can't resist the massive reward he offers-even if it means working with Captain Elander, the arrogant, mysterious right-hand to that king. Her partner may be infuriating, but at least their mission seems simple and quick enough: Investigate the origins of the strange plague that's been ravaging their empire, help find a cure, and then call it a day. But in a land brimming with old magic and meddling gods, nothing is ever that simple, and nothing is ever what it seems. As the bodies pile up and strange monsters begin to wreak havoc throughout the realms, Cas and Elander will have to work together to protect their world whether they like it or not. Because one thing is clear: Something ancient and evil is stirring in the shadows of that world. And their empire will not survive its full unleashing.

Mercenary Casia Greythorne cares about two things: completing her latest job and earning enough coin for the expensive medicine that's keeping her mentor alive. So when the king commands her to investigate a strange plague devastating the empire, she can't resist the massive reward he offers - even if it does mean working with the arrogant and infuriating Captain Elander. But as the death toll rises and strange monsters wreak havoc across the realms, Cas and Elander find themselves up against meddling gods and very old magic. Because an ancient evil is stirring in the shadows. And their empire will not survive its full unleashing. The first book in the thrilling Shadows & Crowns series - perfect for fans of Sarah J.
