*The Gold Coast* Nelson DeMille, 2014-07-01 Fallen on bad times, attorney John Sutter and his wife, Susan Stanhope Sutter, struggle to keep Stanhope Hall and their fragile hold on the lifestyle to which they are heir. To return a favor, John is asked to defend Frank the Bishop Bellarosa in a murder trial. If Sutter accepts, he risks losing his reputation. Author DeMille creates a powerful and devastating study of how moral choices are never what they appear to be.

**Gold Coast** Nelson DeMille, 2015-11-24 The upmarket and salubrious area of Long Island is the stamping ground for a dying breed of America's super-rich. It is also the residence of John Sutter, lawyer - very top-drawer, old money, right clubs - and his sensual wife, Susan. Their lives are about to be turned dramatically upside down by their new 'next-door' neighbour - a certain Mr Frank Bellarosa, top Mafia don and master manipulator. It is he who will impress upon them a rule much older than the archaic etiquette of the old-money set: a favour accepted is a favour owed. Twenty-five years after it was first published, Nelson DeMille's *Gold Coast* stands as a modern thriller classic, a stylish, compelling and provocative novel will grip readers from beginning to end.

**The Gate House** Nelson DeMille, 2008-10-28 #1 New York Times bestselling author Nelson DeMille delivers the long-awaited follow-up to his classic novel *The Gold Coast*. When John Sutter's aristocratic wife killed her mafia don lover, John left America and set out in his sailboat on a three-year journey around the world, eventually settling in London. Now, ten years later, he has come home to the Gold Coast, that stretch of land on the North Shore of Long Island that once held the greatest concentration of wealth and power in America, to attend the imminent funeral of an old family servant. Taking up temporary residence in the gatehouse of Stanhope Hall, John finds himself living only a quarter of a mile from Susan who has also returned to Long Island. But Susan isn't the only person from John's past who has reemerged: Though Frank Bellarosa, infamous Mafia don and Susan's ex-lover, is long dead, his son, Anthony, is alive and well, and intent on two missions: Drawing John back into the violent world of the Bellarosa family, and exacting revenge on his father's murderer--Susan Sutter. At the same time, John and Susan's mutual attraction resurfaces and old passions begin to reignite, and John finds himself pulled deeper into a familiar web of seduction and betrayal. In *The Gate House*, acclaimed author Nelson Demille brings us back to that fabled spot on the North Shore -- a place where past, present, and future collides with often unexpected results.

**Night Fall** Nelson DeMille,2004-11-01 New York Times bestselling author Nelson DeMille does it again with Elite Anti-terrorist Task Force Agents John Corey and Kate Mayfield discovering corruption deep in the FBI and they set out to find the truth. On a Long Island beach at dusk, Bob Mitchell and JanetWhitney conduct their illicit love affair in front of a video camera, set to record each steamy moment. Suddenly a terrible explosion lights up the sky. Grabbing the camera, the couple flees as approaching police cars speed toward the scene. Five years later, the crash of Flight 800 has been attributed to a mechanical mal-function. But for John Corey and Kate Mayfield, both members of the Elite Anti-terrorist Task Force, the case is not closed. Suspecting a cover-up at the highest levels and disobeying orders, they set out to find the one piece of evidence that will prove the truth about what really happened to Flight 800-the videotape that shows a couple making love on the beach and the last moments of the doomed airliner.

**American Crime Fiction** Peter Swirski,2016-07-15 Peter Swirski looks at American crime fiction as an artform that expresses and reflects the social and aesthetic values of its authors and readers. As such he documents the manifold ways in

which such authorship and readership are a matter of informed literary choice and not of cultural brainwashing or declining literary standards. Asking, in effect, a series of questions about the nature of genre fiction as art, successive chapters look at American crime writers whose careers throw light on the hazards and rewards of nobrow traffic between popular forms and highbrow aesthetics: Dashiell Hammett, John Grisham, William Faulkner, Ernest Hemingway, Raymond Chandler, Ed McBain, Nelson DeMille, and F. Scott Fitzgerald.

**The New York Times Book Review**, 1992-10 Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

*Where All Hope Lies* James R. Van Tholen, 2003 This is a print on demand book and is therefore non- returnable. Where All Hope Lies presents fifty-six select sermons by James Van Tholen, a gifted young pastor who lost his battle with cancer in January 2001 at the age of thirty-six. Though Jim's untimely death gives a certain poignancy to this volume, these sermons are far from dark or despairing. Van Tholen's conversational style, thought-provoking insights into Scripture, and frequent interaction with such writers as Flannery O'Connor, Frederick Buechner, Kathleen Norris, and others make these sermons truly enjoyable as well as profitable to read. Through them all there runs a sense of concentrating on what really matters--trusting in God no matter what suffering or difficulties might come our way. Indeed, as demonstrated by the book's title sermon--first published in Christianity Today as Surprised by Death--more than anything, Van Tholen preached the grace and goodness of God. Including a foreword by Neal Plantinga and a closing reflection on the man behind the sermons by Jim's wife, Rachel, Where All Hope Lies offers gracious, powerful, uplifting words for believers throughout the church year.

*Long Island Alive* Fran Silverman, Francine Silverman, 2003 Each chapter of this guide to Long Island's fine dining, recreation, shopping, historic sites, and scenery focuses on a particular region of Long Island and presents its highlights from an insider's point of view. Some of the attractions described include tours and day trips, beaches and national parks, farm stands, wildlife preserves and museums.

*The Quest* Nelson DeMille, 2013-09-17 **AUTHOR'S NOTE:** An earlier, shorter version of *The Quest* was published in paperback in 1975. In 2013, I rewrote *The Quest* and doubled its length, making it, I hope, a far better story than the original, without deviating from the elements that made the story so powerful and compelling when I first wrote it. In other words, what made *The Quest* worth rewriting remains, and whatever is changed is for the better. I was happy and excited to have this opportunity to rewrite and republish what I consider my first big novel, and I hope you enjoy it as much as I did when I first wrote it. **BOOK DESCRIPTION:** A sweeping adventure that's equal parts thriller and love story, Nelson DeMille's newest novel takes the reader from the war torn jungles of Ethiopia to the magical city of Rome. While the Ethiopian Civil War rages, a Catholic priest languishes in prison. Forty years have passed since he last saw daylight. His crime? Claiming to

know the true location of Christ's cup from the Last Supper. Then the miraculous happens - a mortar strikes the prison and he is free! Old, frail, and injured, he escapes to the jungle, where he encounters two Western journalists and a beautiful freelance photographer taking refuge from the carnage. As they tend to his wounds, he relates his incredible story. Motivated by the sensational tale and their desire to find the location of the holiest of relics, the trio agrees to search for the Grail. Thus begins an impossible quest that will pit them against murderous tribes, deadly assassins, fanatical monks, and the passions of their own hearts. THE QUEST is suspenseful, romantic, and filled with heart-pounding action. Nelson DeMille is at the top of his game as he masterfully interprets one of history's greatest mysteries.

**The General's Daughter** Nelson DeMille, 2014-07-01 Here is an intriguing and sophisticated murder mystery of an upstanding military officer - the base commander's daughter - who's been leading an unsavory double life. When a professional military woman with a pristine reputation is found raped and murdered, a preliminary search turns up certain paraphernalia, and sex toys that point to a scandal of major proportions, The chief investigator is reluctant to take the case when he learns that his partner will be a woman with whom he had a tempestuous affair and an unpleasant parting. But duty calls and intrigue begins when they learn that several top-level people may have been involved with the golden girl - and many have wanted her dead. It's Nelson DeMille at his best - exciting, suspenseful and highly provocative.
