The Things We Leave Unfinished Rebecca Yarros, 2021-02-23 Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the “golden boy” of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

The Things We Leave Unfinished Rebecca Yarros, 2022-11-10 'MY #1 FAVOURITE BOOK OF ALL TIME...A literal MASTERPIECE' 'The Things We Leave Unfinished is so much better than *Forth Wing*' Two sworn enemies. One unfinished manuscript. The love story of a lifetime... When Georgia Stanton discovers that her late grandmother, Scarlett, the infamous romance author, didn't get the chance to finish her last book, she is determined to share her story. But first, it needs to be written. Enter Noah Harrison, the bestselling and most charismatic romance author of his generation. When Georgia meets him, she is distraught - he might be charming and handsome, but he's also totally vapid. As they start working together, though, Georgia begins to see that there might be more to Noah than meets the eye. Together, they realize that Scarlett was saving the greatest love story of all until last - her own. While serving in World War Two, she fell in love

with Jameson, the handsome and enigmatic fighter pilot. As Georgia and Noah work together to unravel her grandmother's past, are they about to discover that not all love stories have a happy ending...? **TTTTT TROPES** **Enemies-to-lovers** **Forbidden romance** **Small-town homecoming** **Slow burn** **Dual timelines** **The TikTok sensation from the global bestseller that readers worldwide have fallen in love with!** An epic and sweeping romance with a plot twist that will stun you, perfect for fans of Colleen Hoover and Nicholas Sparks! **I'M SOBBING.** This book depicted what it means to have and find love in the most stunning way. A Little Too Close Rebecca Yarros,2022-10-11 From USA Today bestselling author Rebecca Yarros comes a small town, single parent romance. Nine years ago, Weston Madigan saved me. I came to Colorado penniless, heartbroken, and pregnant, searching for a fresh start. Weston gave me a job at his family's resort, then left the next day and never returned, not even to visit. Then I stumble in on Weston cooking breakfast shirtless-gloriously, inappropriately shirtless-in the shared kitchen of my duplex in employee housing. Given the shock on both our faces, he wasn't expecting a roommate either, let alone two. The growly pilot is only home to start his family's new heli-skiing operation. I can handle being his temporary roommate, right? Chemistry and attraction aren't impossible to ignore when you agree on ground rules. Besides, even with those gorgeous, brooding brown eyes, the guy is a walking thundercloud...until my daughter, Sutton, makes him laugh and he smiles at me. Then everything changes. Cue inconvenient heart flip. This is only temporary. I can't fall for Weston. I. Will. Not. Fall. For. Weston. But rules go out the window when you're a little too close.
