What Happens in Vegas Jackie Paxson,2024-09-22 What's that saying? Oh yeah...what happens in Vegas stays in Vegas. Well, that's a damn lie, especially if you married the very man you've been trying to avoid for almost a year. He's an amazing guy who ticks off all the boxes a woman could ever want in a man. Only I'm not just any woman. I'm a career-driven journalist about to hit the big time with her newest scoop: an expose about a dating app. The only thing standing in the way of that is he wants anything but a divorce. To get where I want to be, I have to stretch the truth and agree to date my husband while pretending to be single on a dating site. It's just a little white lie, but when my lies start getting entangled, it becomes a problem when I can't remember who I told what. Mix all that with a demon cat, meddling grannies, football players, and old friends and I get a complicated life I didn't sign up for. The more I try to escape the storm, the more comfortable it becomes. That is especially true since I can't seem to keep my hands off my husband and realize I only want to spend more time with him. Can a happy ending begin with a trip down the aisle in Vegas?

Random Acts of Vegas (Random Series #9) Julia Kent,2017-08-15 Now, you know my mama's a gambler (sweeper,

whatever...), so I guess I got to blame her for a little of this. When the band got invited to do a big gig here in Las Vegas, I was so excited. Really excited. And when we got here, I was dazzled. A little too dazzled. I blame the lights and the money and does Vegas pump a scent through the entire town that makes you think you're a winner, or what? Because I gambled all our money away. And by "our," I mean the band's money. All of it. Every dang cent. Only no one knows. They'd kill me. So I have to find a way to make all that money back. I have an idea. I got a good body and a smart mind. (Quit laughing). I can do this. I can fix this. Really. It's just gonna get a little weird for a while. --- Random Acts of Vegas is the ninth book in Julia Kent's New York Times-bestselling Random series. When the band performs in Vegas, anything goes - including Darla's dignity and all of the band's savings. When a savior appears, though, there's a trade-off for being rescued. A big one. How far is Darla willing to go? Oh, please. It's Darla. Like you even have to wonder... This book is told from the point of view of Darla, Trevor, and Joe. [Note: this book was previously published under the title Random on Tour: Las Vegas]
