**Tom Symons** Ralph Heintzman, 2011 Tom Symons: A Canadian Life is a compelling portrait of one of Canada's pre-eminent educational and cultural statesmen of the twentieth century. An outstanding public figure, Symons was a leader in many areas of Canadian life, including as the founding president of Trent University, as a pioneer in Canadian and Aboriginal studies, as an architect of national unity and French-language education in Ontario, as a champion of human rights, and as the chief policy advisor to the federal Progressive Conservative party in the 1960s and 1970s. The volume's contributors are as remarkable as its subject. They include Madam Justice Rosalie Silberman Abella of the Supreme Court of Canada; the Honourable Tom McMillan, former federal Minister of the Environment; the Honourable Charles Beer, former Ontario Cabinet Minister; Ivan Fellegi, former Chief Statistician of Canada; John Fraser, one of Canada's most distinguished journalists; and Denis Smith, award-winning biographer of John Diefenbaker, among others. Tom Symons: A Canadian Life is a study in leadership. It brings to light the unique human and personal qualities that allowed Symons to lead in such a wide range of areas and to exercise such deep and lasting influence on so many Canadian institutions -- contributions that continue to be meaningful and relevant for Canada today.

*Montezuma* Jon Bowman,2002 The Montezuma Castle near Las Vegas, New Mexico ranks among the undisputed architectural gems of the state. Built in the 1880s as arguably the most opulent and fashionable resort west of the Mississippi, the Montezuma hosted US presidents and titans of industry as well as European and Japanese nobility and the outlaw Jesse James. Patrons enjoyed the first bowling alley in the West, the first electric lighting in New Mexico, celebrated hot springs and spas, and exquisite cuisine, including fresh fish and sea turtles hauled by rail from the West Coast and Mexico. In spite of its illustrious past, the Montezuma stood empty for much of the last century -- the structure vandalised and falling into ruin. Chances for its resurrection looked dim until 1997 when the National Trust for Historic Preservation designated the former hotel as one of America's eleven Most Endangered Historic Places. It was the first property west of the Mississippi to gain that attention, and a committed preservation effort followed. Here is the story of the castle's heritage, its architectural grandeur and its rebirth as an educational complex serving the diverse, global population of students attending the United World College of the American West, founded by Armand Hammer with help from Prince Charles.
