The Scarlet Letter Nathaniel Hawthorne, 2018-05-05 The Scarlet Letter by Nathaniel Hawthorne. The Scarlet Letter: A Romance, an 1850 novel, is a work of historical fiction written by American author Nathaniel Hawthorne. It is considered his masterwork. Set in 17th-century Puritan Massachusetts Bay Colony, during the years 1642 to 1649, it tells the story of Hester Prynne, who conceives a daughter through an affair and struggles to create a new life of repentance and dignity. Throughout the book, Hawthorne explores themes of legalism, sin, and guilt. In an extended introduction, Hawthorne describes his employment in the Salem Custom House, and how he purportedly found an old document and a piece of cloth embroidered with the letter A in a pile of old papers. This fictitious document being the germ of the story that Hawthorne writes, as follows. In June 1642, in a Puritan Boston, Massachusetts, a crowd gathers to witness the punishment of Hester Prynne, a young woman who has given birth to a baby of unknown parentage. She is required to wear a scarlet A on her dress when she is in front of the townspeople to shame her. The letter A stands for adulteress, although this is never said explicitly in the novel. Her punishment (because adultery was illegal at the time) is to stand on the scaffold for three hours, exposed to public humiliation, and to wear the scarlet A for the rest of her life. As Hester approaches the scaffold, many of the women in the crowd are angered by her beauty and quiet dignity. When demanded and cajoled to name the father of her child, Hester refuses.

The Scarlet Letter Nathaniel Hawthorne, 2019-12-21 The Scarlet Letter by Nathaniel Hawthorne is a real classic. You should grab it and read it to experience it yourself. Like all of Hawthorne's novels, The Scarlet Letter has but a slender plot

and but few characters with an influence on the development of the story. Its great dramatic force depends entirely on the mental states of the actors and their relations to one another, --relations of conscience, -- relations between wronged and wrongers. Its great burden is the weight of unacknowledged sin as seen in the remorse and cowardice and suffering of the Rev. Arthur Dimmesdale. Contrasted with his concealed agony is the constant confession, conveyed by the letter, which is forced upon Hester, and has a double effect, -- a healthful one, working beneficently, and making her helpful and benevolent, tolerant and thoughtful ; and an unhealthful one, which by the great emphasis placed on her transgression, the keeping her forever under its ban and isolating her from her fellows, prepares her to break away from the long repression and lapse again into sin when she plans her flight. Roger Chillingworth is an embodiment of subtle and refined revenge. The most striking situation is perhaps The Minister's Vigil, in chapter xii. The book, though corresponding in its tone and burden to some of the shorter stories, had a more startling and dramatic character, and a strangeness, which at once took hold of a larger public than any of those had attracted. Though imperfectly comprehended, and even misunderstood in some quarters, it was seen to have a new and unique quality; and Hawthorne's reputation became national. Nathaniel Hawthorne and His Wife Julian Hawthorne,2018-06-14 One of the chief literary events in biographical

writings is this work. Not only does its subject recommend it, but the fact that it is written by Mr. Julian Hawthorne, a man of genius himself, and probably the one of all others best able to appreciate his father's genius. The basis of the work is Hawthorne's letters, Mrs. Hawthorne's letters, and letters from intimate friends and relatives to either. Every one will rejoice that the author disregarded his father's wish, that no biography of him should be written. It would have been a misfortune if this delightful series of letters had been withheld from the world. The beautiful family life they describe, with scarcely a flaw in it from beginning to end, is a bright contrast to some other interiors of the homes of great writers offered us of late years. For the first time, too, we learn through them of Mrs. Hawthorne's lovely character, and all the depths and contrasts of her husband's many-sided nature. As the letters were written only for the eyes of intimate friends, they are often quite frank in expression of opinion regarding literary contemporaries. No one should miss reading the work, if only to learn what a model biography is.
