Daniel S. Cárdenas

Los paisajes naturales más fascinantes de Europa. 30 rutas imprescindibles en coche Jordi Canal-Soler, 2018-04-19

Cuando viajamos en coche, el paisaje nos hace compañía y nos ayuda a superar los kilómetros. ¿Cuántas veces hemos abierto la boca ante la belleza de las montañas que se apartan a medida que avanzamos? ¿Cuántas veces nos hemos detenido en la orilla de la carretera para contemplar el mar, una puesta de sol o un atardecer? Y ¿cuántas veces hubiéramos deseado no llevar tanta prisa para dar un paseo y adentrarnos en un bosque? Ahora, con el libro que tienes en tus manos, Los paisajes naturales más fascinantes de Europa, podrás reconocer, seleccionar y planificar tu próxima salida en coche para disfrutar y contemplar los escenarios más especiales —la mayoría únicos—, y los espacios naturales protegidos de Europa. Adentrarse en su interior ha de convertirse en el único objetivo del viaje. Solo así se podrán identificar los animales y plantas que lo habitan; observar la mayor reserva de bisontes de Europa, disfrutar de paseos a orillas de los lagos más bellos que se puedan imaginar; reconocer paisajes de series y películas como Juego de Tronos, Braveheart o Harry Potter, aventurarse en el centro de la tierra o retener en la memoria las fotografías que nunca hemos hecho.

El camino de Ida Ricardo Piglia, 2015-07-01 El camino de Ida, el último libro de Ricardo Piglia, le confirma como uno de los grandes escritores contemporáneos. Emilio Renzi, personaje recurrente en la obra de Piglia desde La invasión hasta Blanco nocturno, se ha convertido en un divorciado cincuentón, solitario e inseguro que mata el tiempo en Buenos Aires. Ni siquiera ha publicado nada en mucho tiempo. Cuando la bella y belicosa Ida Brown lo invita a impartir un seminario sobre los años argentinos de W. H. Hudson en la exclusiva Taylor University, cerca de Nueva York, todo cambia. Taylor le permitirá

huir de una realidad dolorosa, centrarse en alumnos y lecturas. Con el tiempo, le ofrecerá también la oportunidad de volver a enamorarse... Pero un suceso trágico trastoca de nuevo su vida y lo inmiscuye en una arriesgada investigación en torno al terrorismo. «Atrapa desde el primer párrafo y su interés no decae hasta el muy logrado final. Todo Piglia se encuentra destilado en El camino de Ida.» Edmundo Paz Soldán, El Boomeran(g)

Historia de Navarra: Antigüedad y Alta Edad Media Luis Javier Fortún,Carmen Jusué Simonena,1995
Tex Perkins has shown us many faces over the journey. Frontman for the evocative soundscapes of The Cruel Sea and the hard edged pub rock of The Beasts of Bourbon, collaborator on the Tex, Don and Charlie outings, and compadre to Tim Rogers on the TnT project. More recently seen leading the Tennessee Four in a night of memorable music in his turn in the Johnny Cash musical The Man In Black, Tex is now back once again to the lilting, dark country of Tex Perkins & The Dark Horses. The forthcoming self-titled release shows yet another direction for the enigmatic singer/songwriter, while still filled with Perkins' gravel-tainted vocals and poetic reveries, 'TEX PERKINS & THE DARK HORSES' is a mature, poignant follow up to 2003's Sweet Nothing. Dark and moody, while also raw and powerful, 'Tex Perkins & The Dark Horses' is an uncompromising record; one that is sure to cement Tex Perkins at the forefront of Australian songwriters. The highest form of praise has already arrived for the album; the praise of a fellow artist, with Tim Rogers of You Am I championing Tex in his own words: Languid and ropery; all good humour and cordiality. Only writers and bands totally assured of their worth would offer such comradeship. Whether satyrs, seducers or sonic reducers, Tex Perkins and The Dark Horses have invited you into their lair, and stolen your craven souls.
