

Get In The Van

John Robert Irelan

Get in the Van Henry Rollins, 1994

Get in the Van Henry Rollins, 2004 Rollins, a member of the seminal punk band Black Flag, shares his wry and raucous detailed tour diaries that provide a blistering account of a six-year career with the band.

Derde vervolg van de samenvatting der verschillende bepalingen, betreffende den aanvoer van vrije arbeiders in de Kolonie Suriname, etc. Third continuation, etc. Dutch and Eng, 1876

The Five Books of Van Gross's Kenneth Bruce Van Gross M.D., 2021-11-11 Reawaken, you awoken wokesters and anti-leftist xenophobes, and get your new bible. The Five Books of Van Gross's focuses hearkens back to the "Middle Aughts" which is the period that included launching weather crusades, being a birther or talking nonsense at Townhall Meetings about healthcare (which is really medical care plus a gym membership, glasses and teeth cleaning); here was the mid-Decade of the Zeroes or the zeros, or zorro, the fox so cunning and free, that epoch from 2003-2007, in that Aughts Decade, that Would've, Could've, Should've Oughts Decade, or as some have called it, That Aughtistic Period (or at least an ADD case) demanding an explanation, couched in brain/mind disturbances via satirical essays. This five-volume set containing nearly 500 humor essays opens with *They Shoot Lesbians Don't They?* covering most of 2004, followed by *Deep Tricksters-From the Felt Man to the Veep Man*-November 2004 to June 2005, the executive branch hunting related extravaganza *Duck, It's Dick..* Not me Dick, the Duck, June 2005- March 2006 and is followed by *Van Gross Misconduct* February 2006 to August 2006 and finally *Van Maniac* September 2006- March 2007. The urgency for this historic volume draws from where we were in the lead up to where we are. Has political and cultural satire dwindled over the century's first two decades plus? Hardly. And supporting works (essays and poetry) by Van Gross, MD dating back to the Bill Clinton Style impeachment period and post-Five Books works in pre-print that include the pre-teens to mid teen years constituting the sacred Obama period of carefully manufactured total boredom followed by the culminating late teen epoch of Donald Trump which featured our polarization insanity half decade 2016-2020 highlighted by *Impeachments Gone Wild*. If the country is not formally institutionalized in padded rooms by 2021, the roaring or throat clearing Jabiden '20's should offer opportunities for millions to hop, skip and jump over to their local bookstore or online outlet for Five Books to buttress the smirk packed absurdity that has become the rule in the dawn of this third millennium since Christ sashayed over hills, dales and water staying vigilant for some upcoming

Van Gross, MD masterpiece called the Jabiden Chronicles- Crash and Burn by '29 or Bust, Seems Like Old Times

The Van Rensselaer Manor Kiliaen Van Rensselaer,1929

Van Johnson Ronald L. Davis,2009-09-28 Van Johnson's dazzling smile, shock of red hair, and suntanned freckled cheeks made him a movie-star icon. Among teenaged girls in the 1940s, he was popularized as the bobbysoxer's heartthrob. He won the nation's heart, too, by appearing in a series of blockbuster war films—A Guy Named Joe, Thirty Seconds Over Tokyo, Weekend at the Waldorf, and Battleground. Perennially a leading man opposite June Allyson, Esther Williams, Judy Garland, and Janet Leigh, he rose to fame radiating the sunshine image Metro-Goldwyn-Mayer chose for him, that of an affable, wholesome boy-next-door. Legions of adoring moviegoers were captivated by this idealized persona that generated huge box-office profits for the studio. However, Johnson's off-screen life was not so sunny. His mother had rejected him in childhood, and he lived his adult life dealing with sexual ambivalence. A marriage was arranged with the ex-wife of his best friend, the actor Keenan Wynn. During the waning years of Hollywood's Golden Age, she and Johnson lived amid the glow of Hollywood's A-crowd. Yet their private life was charged with tension and conflict. Although morose and reclusive by nature, Johnson maintained a happy-go-lucky façade, even among co-workers who knew him as a congenial, dedicated professional. Once free of the golden-boy stereotype, he became a respected actor assigned stellar roles in such acclaimed films as State of the Union, Command Decision, The Last Time I Saw Paris, and The Caine Mutiny. With the demise of the big studios, Johnson returned to the stage, where he had begun his career as a song-and-dance man. After this, he appeared frequently in television shows, performed in nightclubs, and became the legendary darling of older audiences on the dinner playhouse circuit. Johnson (1916-2008) spent his post-Hollywood years living in solitude in New York City. This solid, thoroughly researched biography traces the career and influence of a favorite star and narrates a fascinating, sometimes troubled life story.

All the Presidents' Money Megan Gorman,2024-09-24 A journey through the personal money stories of the US presidents and how they built wealth—or didn't. Was Harry Truman really our poorest president or simply a man up at 2 a.m. struggling with financial anxiety? Did Calvin Coolidge get bad advice from his stockbroker to buy stocks in 1930 as the market continued to crash? Is it true George Washington enhanced his net worth by marrying up? We often think of the US presidents as being above the fray. But the truth is, the presidents are just like us—worried about money, trying to keep a budget, and chasing the American financial dream. While some presidents like Herbert Hoover and Gerald Ford became wildly successful with money, others like Thomas Jefferson and Joe Biden struggled to sustain their lifestyle. The ability to win the presidency is no guarantee of financial security, although today it's a much easier path to monetize. In *All the Presidents' Money*, tax attorney and wealth manager Megan Gorman takes us on a journey to understand the different personal money stories of the presidents. Grit, education, and risk are just some of the different ways that the presidents over the last 250 years have made (or lost) money. With lively storytelling and rigorous research, *All the Presidents' Money* reveals how some of the greatest leaders are the worst money managers and our least favorite presidents are good at making money.

Embark on a transformative journey with *Written by is captivating work*, Discover the Magic in **Get In The Van** .
