The Straight-A Conspiracy Hunter Maats, Katie O'Brien, 2013-07 What if the only reason you aren't doing well in school is that you've been lied to about your own brain? For centuries, students worldwide have been tricked into making school more difficult, more stressful, and less successful than it needs to be. In reality, you already have the ability to make anything that you do in school easy. From writing essays to mastering any math concept to acing even your most difficult final exam, *The Straight-A Conspiracy* takes you through the simple, stress-free ways to conquer any class in school. The truth about straight-A's has been kept from you. It's time you knew about *The Straight-A Conspiracy*. [Katie O'Brien and Hunter Maats] destroy the notion that you have to be born smart to understand complex concepts and get good grades. - GeekDad, Wired.com By using concrete research in a way that speaks directly to teenagers, Maats and O'Brien hope to dispel the image of the ruffled genius, being brilliant in spite of himself. - Holly Korbey, NPR's MindShift A guide to learning that is really entertaining. Even if you're not a reader and you get bored quickly...you won't get bored with this. This is a clear-cut win for common sense. - Jordan Rich, *The Jordan Rich Show*, WBZ Boston

Kabbalah and Sex Magic Marla Segol, 2021-09-08 In this provocative book, Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic. Drawing extensively on Jewish myth and ritual, Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism, in medieval kabbalah, and in New Age ritual practice. *Kabbalah and Sex Magic* traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic. Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium, Persia, Iberia, and southern France, Segol argues that in its fully developed medieval form, kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction. She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them, arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it. Segol explores the rituals acting on these models, attending especially to their inherent erotic power, and ties these to contemporary Western sex magic, showing that such rituals have a continuing life. Asking questions about its cosmology, myths, and rituals, Segol poses even larger questions about the history of kabbalah, the changing conceptions of the human relation to the divine, and

even the nature of religious innovation itself. This groundbreaking book will appeal to students and scholars of Jewish studies, religion, sexuality, and magic.

Red Light Dark Road Allen Dekeyser,2025-07-07 Red Lights, Dark Roads is a raw and gripping true story that takes you into the heart of trauma, survival, and unshakable resilience. After surviving multiple life-threatening encounters—being shot in the face by police, targeted in road rage shootings, and enduring betrayal and silence from loved ones—Allen De Keyser shares his journey through darkness, PTSD, and pain. But this is more than just a memoir. It's a call to be seen. To be heard. To be believed. With every red light comes a choice: freeze in fear or fight for your life. Through powerful storytelling, emotional honesty, and spiritual grounding, Allen reveals what it means to keep driving through the dark—when healing seems impossible and hope feels far away. For anyone who's ever been let down by the system, lost in the shadows of trauma, or desperate to find peace after chaos—Red Lights, Dark Roads will speak straight to your soul.

Lent Through Eastertide David L. Bartlett,Barbara Brown Taylor,2010-10-01 Feasting on the Word offers pastors focused resources for Sermon preparation, written by companions on the way. With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary, this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion. For each reading, preachers will find brief essays on the exegetical, theological, homiletical, and pastoral challenges of the text. The page layout is unusual. By setting the biblical passage at the top of the page and placing the essays beneath it, we mean to suggest the interdependence of these four approaches without granting priority to any one of them. Some readers may decide to focus on the Gospel passage, for instance, by reading all four essays provided for that text. Others may decide to look for connections between the Hebrew Bible, Psalm, Gospel, and Epistle texts by reading the theological essays on each one. Wherever they begin, preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions. These authors teach in colleges

and seminaries. They lead congregations. They write scholarly books as well as columns for the local newspaper. They oversee denominations. In all these capacities and more, they serve God's Word, joining the preacher in the ongoing challenge of bringing that Word to life.... We have been honored to work with a multitude of gifted thinkers, writers, and editors. We present these essays as their offering-and ours-to the blessed ministry of preaching.-From the introduction by David L. Bartlett, Barbara Brown Taylor

Feasting on the Word: Year A, Volume 2 David L. Bartlett,Barbara Brown Taylor,2010-10-12 With the twelve-volume series Feasting on the Word, Westminster John Knox Press offers one of the most extensive and well-respected resources for preaching on the market today. When complete, the twelve volumes will cover all of the Sundays in the three-year lectionary cycle, along with moveable occasions. The page layout is truly unique. For each lectionary text, preachers will find brief essays—one each on the exegetical, theological, pastoral, and homiletical challenges of the text. Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents. The printed volumes for Ordinary Time include the complementary stream during Year A, the complementary stream during the first half of Year B, the semicontinuous stream during the second half of Year B, and the semicontinuous stream during Year C. Beginning with the season after Pentecost in Year C, the alternate lections for Ordinary Time not in the print volumes will be available online at feastingontheword.net.
