

Michael Caine Acting In Film

Ariane Hudelet, Anne Crémieux

Acting In Film Michael Caine, 1990 The actor shares personal insights on the technique of acting, and the business of making a film.

Acting in Film Michael Caine, 1990 The actor shares personal insights on the technique of acting, and the business of making a film.

What's It All About? Michael Caine, 2012-03-31 From Alfred to Zulu, Michael Caine has been Britain's best-loved actor for half a century. Now, for the first time, he reveals the truth behind his remarkable life. From his time as an evacuee during the Blitz to his front-line military service in the Korean War, from his early days as an assistant stagehand to becoming Peter O'Toole's understudy, from walk-on parts in local theatres to blowing the bloody doors off with his legendary roles in Zulu and The Italian Job, Caine's life was never simple or easy. Discussing his little-known childhood and family alongside his hard-fought journey from London to Hollywood, Caine writes with astonishing candour about the good years and the lean years, bringing his unique charm and humour to his anecdotes and memories of a sprawling movie-making career. If you worked in Hollywood in the last few decades, you've probably worked with Michael Caine - and his accounts of his relationships with other superstars, both on and offscreen, make this autobiography essential reading for any fan not just of Michael Caine, but of film in general.

My Name is Michael Caine Anne Billson, 1991 In the 1960s, after films like The Ipcress File and Funeral in Berlin, Michael Caine could be easily identified. This book looks at his acting career in films such as Zulu, which made him a star, where he played the part of an aristocratic officer. Since then, with a few exceptions when he has played the part of a foreigner in films like The Last Valley and The Eagle Has Landed, his deadpan cockney tones have been his trademark in films such as Get Carter, Alfie, Educating Rita and Hannah and Her Sisters.

Blowing the Bloody Doors Off Michael Caine, 2018-10-23 Now in his 85th year, Hollywood legend Michael Caine shares wisdom and stories from his remarkable career in this engrossing memoir that shines with positive energy (Library Journal, starred review). One of our best-loved actors, Michael Caine has starred in over 100 films in his six-decade career, spanning classic movies like Alfie, Zulu, and The Italian Job (the inspiration for the book title) to playing Alfred opposite Christian Bale's Batman in Christopher Nolan's blockbuster Dark Knight trilogy. Caine has excelled in every kind of role--with

a skill that's made it look easy. Caine knows what success takes. He's made it to the pinnacle of his profession from humble origins. But as he says, Small parts can lead to big things. And if you keep doing things right, the stars will align when you least expect it. Still working and more beloved than ever, Caine now shares everything he's learned-and his fans will be rewarded, as will anyone seeking an enjoyable, inspirational read (Library Journal).

The Great Movie Musical Trivia Book ,1996 How much did Munchkins get paid? What great cultural institution stands on the site where West Side Story was filmed? Who was first considered for the role of Mary Poppins? The Great Movie Musical Trivia Book spins out revelation after revelation with entertaining answers to intriguing questions that will test the wits of even the most die-hard musical fan.

The Elephant to Hollywood Michael Caine,2024-08-06 The actor tells the story of his career comeback and surprising second act in a warm, funny memoir packed with amazing anecdotes (Entertainment Weekly). When he was in his late fifties, Michael Caine believed his glamorous, rags-to-riches Hollywood career had come to an end. The scripts being sent his way were worse and worse. When one script really disappointed, he called the producer to complain about the part. The producer said, No, no, we don't want you for the lover, we want you for the father. Salvation came in the unlikely form of his old friend Jack Nicholson, who convinced him to give acting one more shot. What followed was not only an incredible personal transformation but also one of the most radical comebacks in film history. Learning to accept his new role both on camera and in his own life, Caine went on to win his second Oscar, be knighted by the queen, and deliver some of his best performances to date. Now he shares the spectacular story of his life: his humble upbringing in London's poverty-stricken Elephant and Castle; his military service, marriage, and family life; lively adventures with friends; legendary meetings with fellow stars; forays as a restaurateur; and hilarious offscreen encounters from his glittering five-decade career. Caine has three things you want in a memoirist—an eye for detail, a knack for storytelling and a sense of humor about himself—and they all come out to play in *The Elephant to Hollywood*. — New York Times Book Review

Take it Personally Gordon Phillips,2000-02 (Applause Books). Gordon Phillips begins with the qualities possessed by the most exciting actors and then proceeds to the practical acting tools needed to make those qualities work for every actor. Each tool is accompanied by a clarifying exercise. Many of these tools can be used to enhance life as well as stage life.

The Big Picture William Goldman,Herb Gardner,2001-02 (Applause Books). William Goldman, who holds two Academy Awards for his screenwriting (Butch Cassidy and the Sundance Kid and All the President's Men), and is author of the perennial best seller *Adventures in the Screen Trade* , scrutinizes the Hollywood movie scene of the past decade in this engaging collection. With the film-world-savvy and razor-sharp commentary for which he is known, he provides an insider's take on today's movie world as he takes a look at the big picture on Hollywood, screenwriting, and the future of American cinema. Paperback.

Applause: New York's Guide To The Performing Arts Ruth Leon,1991 (Applause Books). Whatever is out there, rest assured that it's all here in Carey Simon's first-ever guide to the region's glorious performing arts. Includes: FREE events * Discounts * Ticket Info * Directions & Parking * Seating Plans * Nearby Eateries & Watering holes * Amenities: Snack Bar, Hearing Devices, Coat Room, Air Conditioning, Bar and Wheelchair Access * and more!

Borders, Boundaries and the Bible Martin O'Kane,2002-01-01 This collection focuses on the interdisciplinary nature of current biblical studies, especially the interpretation of the Bible through the arts. Its aim is to illustrate how the crossing of boundaries enriches our understanding of the text itself. Contributors include Robert Carroll, Mary Douglas, Wendy Porter, Edward Kessler, Larry Kreitzer, John Hull and Martin O'Kane. The themes embrace literature (Kipling), music (Bach) and art (Holbein). The editor contributes an introduction and an illustrated essay on the Flight into Egypt as an icon of refuge.>

A2 Film Studies Sarah Casey Benyahia,Freddie Gaffney,John White,2010-12-14 *A2 Film Studies: The Essential* Introduction gives students the confidence to tackle every part of the WJEC A2 Level Film Studies course. The Graham Greene Film Reader Graham Greene,1994 Gathers Greene's film writings, and offers a brief introduction to the role of motion pictures in his life and career

Exploring Seriality on Screen Ariane Hudelet,Anne Crémieux,2020-10-25 This collective book analyzes seriality as a major phenomenon increasingly connecting audiovisual narratives (cinematic films and television series) in the 20th and 21st centuries. The book historicizes and contextualizes the notion of seriality, combining narratological, aesthetic, industrial, philosophical, and political perspectives, showing how seriality as a paradigm informs media convergence and resides at the core of cinema and television history. By associating theoretical considerations and close readings of specific works, as well as diachronic and synchronic approaches, this volume offers a complex panorama of issues related to seriality including audience engagement, intertextuality and transmediality, cultural legitimacy, authorship, and medium specificity in remakes, adaptations, sequels, and reboots. Written by a team of international scholars, this book highlights a diversity of methodologies that will be of interest to scholars and doctoral students across disciplinary areas such as media studies, film studies, literature, aesthetics, and cultural studies. It will also interest students attending classes on serial audiovisual narratives and will appeal to fans of the series it addresses, such as Fargo, Twin Peaks, The Hunger Games, Bates Motel, and Sherlock.

International Dictionary of Films and Filmmakers: Actors and actresses Tom Pendergast,Sara Pendergast,2000 Contains over two thousand entries, arranged alphabetically within four volumes, that provide information about significant films, actors and actresses, directors, and writers and production artists in North American, British, and West European cinematic history.
