The Airline Industry - A Comprehensive Overview John Frankie O'Connell,2025-09-30 In recent years, airlines have faced unprecedented financial and operational uncertainties, not only in the wake of COVID-19 but across the industry. Their responses provide valuable lessons for the future - for airlines, for related industries, and for all sectors that find unexpected upheaval suddenly in their path. As a truly global business, the airline industry offers countless lessons in navigating uncertainty and the necessity of continual business transformation. *The Airline Industry - A Comprehensive Overview: Dynamic Trends and Transformations* is an up-to-date 'state of the nation' perspective on the airline industry. Its dedicated and detailed focus on airlines makes the book an invaluable tool in deciphering how airlines have been run and managed to date and provides a roadmap for the future evolution of the industry. The author has interviewed countless airline and related industry professionals in their respective fields of expertise, which adds layers of real-world insight to every chapter. Written in a lively and accessible style that will appeal to readers whether they are in academia or the airline industry, *The Airline Industry - A Comprehensive Overview: Dynamic Trends and Transformations* is essential reading for airline employees and undergraduate and postgraduate students and a vital point of reference for lecturers and researchers, economists, and business analysts looking for a thorough and commercial guide to the airline industry.

Sustainable Marketing S. M. Riad Shams,David M Brown,Kimberley Hardcastle,2025-03-25 This core textbook empowers and inspires students with sustainable marketing strategies to pursue the triple bottom line; People, Planet and Profit. The purpose is to underpin a brand's commercial competitive advantage through its societal and environmental impact. It presents complex cross-disciplinary and cross-functional theoretical and practical discussions in a simplified manner to specify how the learning outcomes from different chapters can address the grand challenges associated with climate change, economic instability, geopolitical uncertainty, and inequity whilst underpinning profit-making ventures responsibly. The authors also demonstrate how the learning outcomes from this book can be applied in pursuit of each of the 17 United Nations (UN) Sustainable Development Goals (SDGs). Each chapter features a chapter summary, preliminary vignette, key terms, web exercises, review and discussion questions, and a practice quiz. Throughout the text there are also

specific teaching features to provide students and instructors with an enhanced pedagogical experience. These features include: The Manager's Corner: These sections provide real-world examples that instructors may highlight to exemplify theory or as mini cases for discussion Sustainable Marketing in Action: These sections inspire students to apply concepts and theories to actual business situations This core textbook prepares the next generation of sustainable marketers to pursue their career goals with a commitment to fostering a positive and sustainable impact on society, the environment, the economy, their organizations, and themselves.

Integrating Business Management Processes Titus De Silva, 2020-08-18 Integrating Business Management Processes: Volume 2: Support and Assurance Processes (978-0-367-48548-1) Shelving Guide: Business & Management The backbone of any organisation is its management system. It must reflect the needs of the organisation and the requirements of its customers. Compliance with legal requirements and ethical environmental practices contributes towards the sustainability of the management system. Whatever the state of maturity of the management, this book, one of three, provides useful guidance to design, implement, maintain and improve its effectiveness. This volume provides a comprehensive coverage of the key support and assurance processes. Topics include document control, communication, marketing, information systems and technology, human resource management, training and development, customer relations management, financial management and measurement and analysis to name a few. This book, with its series of examples and procedures, shows how organisations can benefit from satisfying customer requirement and the requirements of ISO standards to gain entry into lucrative markets. Titus De Silva is a consultant in management skills development, pharmacy practice, quality management and food safety and an advisor to the newly established National Medicines Regulatory Authority (NMRA) in Sri Lanka.

DIGITAL MARKETING FOR SMALL AND MEDIUM SIZED TOURISM AND HOSPITALITY ENTERPRISES Salih Kuşluvan, Karel Van Isacker,

Creating a Customer Experience-Centric Startup Thomas Suwelack, Manuel Stegemann, Feng Xia Ang, 2022-02-01 This book explains how startups and brands in general can achieve a high level of customer experience (CX) in today's dynamic and competitive times. A well-structured and easy to apply customer experience framework defines customer experience as the start and end point of all business activities. The framework steps and tools (such as NPS, Empathy Map, Customer Journey, Golden Circle, Design Thinking, A/B-Testing) are designed to have a maximum impact on successful company building and the customer experience, which is key to generate first and repeat buyers that become fans of the company. The tools originate from different disciplines, such as management, design, digitisation or psychology - as only an interdisciplinary approach enables superior insights for initiating the right customer activities in today's highly competitive times. With this book, it is possible to look at customer experience systematically and derive your own strategy towards

success. The following are the main contributions of this book: · Provides a clear step-by-step guide to create a customer experience-centric company · Introduces most impactful tools that managers can use to successfully complete every step of our framework · Guides managers through the process of creating a start-up, which is less about magically coming up with innovative business ideas, but rather about applying proven principles in a new context

Marketing Communications Patrick De Pelsmacker, Maggie Geuens, Joeri van den Bergh, 2010 Marketing communication has an overwhelming impact on both society and business. This text offers a comprehensive overview of the cornerstones, techniques and applications of marketing communications practice in a European context.

E-marketing Judy Strauss, Adel I. Ansary, Raymond Frost, 2006 This best-selling book is unique in that it parallels the organization of an introductory marketing textbook, but it explores key marketing concepts in the context of today's digital/Internet environment. It fills the gap for those who have found Internet Marketing books suffer from too much E and not enough marketing or are too narrowly or technically focused on e-commerce. A five-part organization covers e-marketing in context, e-marketing environment, e-marketing strategy, e-marketing management, and a global perspective on e-marketing. Special topics include competitive strategies, e-marketing strategy development, marketing planning, and performance metrics; and coverage of cutting edge strategies beyond the Web--m-marketing (mobile), databases and analysis techniques, point of purchase scanning, and more. For an e-understanding of marketing and business.

Introduction to Business Communication Michael B. Hinner, 2005 This series seeks to illuminate, highlight, and spotlight (intercultural) communication in the world of business. In order to conduct any business, relationships need to be established which are primarily reciprocal relationships - whether between employer and employee, or provider and customer. Since business relationships are essentially human relationships, they rely on communication. Thus, an understanding of fundamental human communication principles serves to explain, comprehend, and foster business relationships. The texts included in this book cover various topics in general and intercultural communication that have direct relevance to the world of business.
