Being God'S Beloved Adrian D. van Breda, 2014-10-21 Many of us struggle to come to grips with the idea that God loves us. We may know it and believe it in our heads, but getting that into our hearts and into our lives is not easy. Sometimes what we have learned about God makes it even harder to really know that we are Gods beloved. Being Gods Beloved will lead you through forty reflections on what it means to be beloved of God, combining deep spirituality, thoughtful Bible study, and warm pastoral care. The reflections lead you on a journey from before creation, through the Old Testament, into the life and ministry of Jesus Christ, and on to the presence of the Holy Spirit. It tells the great love story of God for the Creation over thousands of years. Providing fresh insights into well-known passages, making thoughtful use of word studies, and inviting us to think creatively about God in relation to the world, this book will immerse you in an awareness of Gods love.

Messages from the Universe: Genesis Elbert H. Bolsen, 2008-12-09 The book *Messages from the Universe: Genesis* is a refreshing and personally candid view of Genesis. The book views unity of all life, as written in the Book of Genesis. The book is intended to show the Bible as a living book that is screened through each person who reads and ponders its message. It takes a look at each chapter of Genesis with the hope that each person who reads this book will be challenged to read Genesis from the perspective of finding his or her own truth. Screening the message of the Bible through each individual makes the message no less from God and gives the Bible's message a more personal impact. *Messages from the Universe* expresses belief that God is the energy and power of all life.

The God Who Is Triune Allan Coppedge, 2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others. Allan Coppedge draws out the implications for our understanding of God's nature, attributes, roles, relationship to creation and providence.

Judaism Is About Love Shai Held, 2024-03-26 A profound, startling new understanding of Jewish life, illuminating the forgotten heart of Jewish theology and practice: love. A dramatic misinterpretation of the Jewish tradition has shaped the history of the West: Christianity is the religion of love, and Judaism the religion of law. In the face of centuries of this widespread misrepresentation, Rabbi Shai Held—one of the most important Jewish thinkers in America today—recovers the heart of the Jewish tradition, offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity. Blending intellectual rigor, a respect for tradition and the practices of a living Judaism, and a commitment to the full equality of all people, Held seeks to reclaim Judaism as it authentically is. He shows that love is foundational and constitutive of true Jewish faith, animating the singular Jewish perspective on injustice and protest, grace, family life, responsibilities to our neighbors and even our enemies, and chosenness. Ambitious and revelatory, *Judaism Is About Love* illuminates the true essence of Judaism—an act of restoration from within.

Embracing the Love God Wants You to Have Taffi Dollar, 2014-06-24 In this loving, insightful guide that captures the spirit of T. D. Jakes, Taffi Dollar, renowned pastor of the World Changers Church International, speaker, and author, teaches every woman how to bolster her most pivotal relationship: The one she has with herself. Pastor Taffi Dollar invites us into an intimate conversation as a pastor, wife, mother, sister, and friend, exploring the topic that's closest to the hearts of every woman: relationships. So much of a woman's happiness hinges upon the quality of her bonds with others. But many women struggle in striking that all-important balance between giving and receiving love. In their determination to give to others, women often ignore their own need for self-sustenance. Neglecting their own foundation leaves them ill prepared to be in healthy, loving relationships with spouses, children, families, communities, and even God, Taffi reveals. With wry humor and clear-eyed insights, Taffi introduces women to timeless values and applies them in ways that are real and relevant. She offers words to live and love by, and a path towards healthy relationships that enhance rather than deplete us. Interweaving

anecdotes and the personal stories and experiences of people she meets each day, she shows women how to reconnect with themselves and find the fulfillment they seek.

Might from the Margins Dennis R. Edwards, 2020-09-08 God has empowered marginalized Christians to transform the church. The power of the gospel is often most visible among those who have been the least respected, including racial or ethnic minorities, people with disabilities, women, and people who have been displaced from their homeland. Yet in many faith communities, these are the same people whose leadership gifts are least likely to be recognized. But the power of the gospel comes from God, not from other humans. This book is a passionate affirmation of the power already present among marginalized Christians and a call to recognize and embrace this power for the sake of helping the church become more like Christ. Marginalized Christians are already changing the face of the church. Will we embrace their power to change the church's heart?
