I santuari mariani di Sicilia Carmelo Scellato,1983

La terra di Maria Ludovico Maria Mariani,1988

LA BASILICA DELLA SS. ANNUNZIATA DI ISPICA E LA SUA ARCICONFRATERNITA Melchiorre Trigilia, Il libro descrive con l'ausilio degli ultimi risultati di ricerche storiche, la storia, le opere d'arte e l'architettura dell'attuale Basilica inaugurata nel 1720 e ricostruita dopo il terremoto del 1693 che distrusse l'antica Annunziata al Parco Forza.

La Madonna delle Vittorie a Piazza Armerina Maria Katja Guida,2009

Santuari Mariani Siciliani Giuseppe Scandurra,2020-12-08 Questo libro vuol essere semplicemente, e nulla di più, che una piccola guida sui Santuari Mariani in Sicilia. Santuari, situati spesso in luoghi molto suggestivi, con origini, a volte, molto antiche. Intendendo per Santuario un luogo venerato per la presenza di sacre reliquie o per il ricordo di eventi miracolosi, concentreremo la nostra attenzione e descrizione, principalmente sui santuari mariani siciliani, sorti in seguito all'accadimento di fatti ritenuti miracolosi o straordinari, ma anche sugli altri (se ne troveremo sufficienti notizie). Di conseguenza, in questo libro, non saranno descritti tutti i Santuari, nè quelli che si riportano saranno tutti esaurientemente illustrati, anche a causa della sopravvenuta pandemia Covid-19. Nonostante ciò, due motivi hanno portato a questa pubblicazione: primo motivo, e più importante, rendere omaggio a Maria Immacolata, che, in ogni luogo (anche nella terra di Sicilia) ed in ogni tempo, quale Madre amorevole, instancabile, ancora oggi, continua ad indicarci la strada verso il Regno dei Cieli, che è Gesù Cristo; secondo motivo: diffondere la conoscenza dei Suoi Santuari che esistono in Sicilia, di cui, a volte, neppure i siciliani conoscono la storia, e, spesso, ancor meno, l'esistenza, con la speranza di suscitare la curiosità ed il desiderio, appena sarà possibile, di visitarli e (ri)scoprirli. Questi Santuari dedicati a Maria, del resto, come fari, nel mare tempestoso della storia, continuano a ripeterci, silenti, proprio questo messaggio: Gesù Cristo, anche con la presenza della Sua tenera madre, nonostante le intemperie dei secoli, continua a camminare, ancora oggi, sulle nostre stesse strade. Non siamo soli. Siamo amati.

Kore, la ragazza ineffabile Aa. Vv.,2018-06-12T00:00:00+02:00 Nel mito greco la giovane Persefone è chiamata Kore, ragazza: la figlia di Demetra e Zeus è infatti solo una ragazza quando viene rapita da Ade. Il dio dell'oltretomba, stregato dalla sua bellezza, la costringe a seguirlo nel regno dei morti, dove le fa mangiare alcuni semi di melograno, senza svelarle

che chiunque mangi i frutti degli inferi si condanna a rimanere lì per l'eternità. Nel frattempo Demetra, dea dell'agricoltura, disperata per il rapimento della figlia, provoca sulla terra un lungo e gelido inverno, minacciando di non far tornare la primavera finché Kore non sarà libera. Interviene Zeus, decretando che Kore, ormai diventata Persefone, passerà sei mesi negli inferi e sei mesi in superficie, dividendosi tra i due mondi e determinando così il susseguirsi delle stagioni. Dal mondo greco la storia entra in quello romano, dove Proserpina si sostituisce a Kore/Persefone, Cerere a Demetra e Plutone ad Ade. Delle tre figure femminili coinvolte, Kore, la «ragazza ineffabile», la fanciulla sospesa in un'adolescenza ferma e intoccabile, ha ricevuto minore attenzione, mentre Demetra e Persefone sono state oggetto di ampie rappresentazioni e ricerche. Nel tentativo di contraddire quell'indicibilità, studiosi di diversa formazione e di ambiti disciplinari distanti tra loro ricostruiscono nel volume una possibile fisionomia della ragazza, scoprendone le tracce in un dialogo serrato tra il presente e il passato. Tra archeologia e storia dell'arte, letteratura e scienze umane, antropologia e spettacolo, il libro indaga le apparizioni di Kore a partire dal territorio della Sicilia centrale, che fu il primo teatro del mito; ne confronta i tratti con quelli di altri personaggi, come Fedra; ne analizza l'attualità del connotato misterico; ne riscopre i segni nelle tradizioni popolari antiche e moderne. In questo modo la fanciulla si riaffaccia tra di noi, in tutta la sua complessità, svelandosi ancora come un potente catalizzatore di significati intorno alla natura umana e alle sue inevitabili metamorfosi.

Santuari mariani di Sicilia Ludovico Mariani, 1955

What's in the Past Ignazio E. Buttitta, 2023-10-09 Among the main questions relating to the interpretation of popular religiosity phenomena there are those on the usefulness of historical sources (archaeological and documentary) for the purposes of understanding the mythical-ritual present, on the presumed chronological continuity of practices and beliefs and on the legitimacy and effectiveness of historical-comparative method. These questions deserve to be taken up again on the basis of renewed investigations in the face of the now-occurring dissolution of what has been defined as peasant civilization and the renewed interest in intangible heritage both by communities in search of identity matrices and cultural memories and by part of the so-called cultural market. This volume presents important works by Ignazio Buttitta.

La città, il viaggio, il turismo Gemma Belli, Francesca Capano, Maria Ines Pascariello, 2018-11-06 [English]: The city as a destination of the journey in his long evolution throughout history: a basic human need, an event aimed at knowledge, to education, to business and trade, military and religious conquests, but also related to redundancies for the achievement of mere physical or spiritual salvation. In the frame of one of the world's most celebrated historical city, the cradle of Greek antiquity, myth and beauty, travel timeless destination for culture and leisure, and today, more than ever, strongly tending to the conservation and development of their own identity, this collection of essays aims to provide, in the tradition of AISU studies, a further opportunity for reflection and exchange between the various disciplines related to urban history./ [Italiano]: La città come meta del viaggio nella sua lunga evoluzione nel corso della storia: un bisogno primario dell'uomo, un evento finalizzato alla conoscenza, all'istruzione, agli affari e agli scambi commerciali, alle conquiste militari o religiose, ma anche legato agli esodi per il conseguimento della mera salvezza fisica o spirituale. Nella cornice di una delle città storiche più celebrate al mondo, culla dell'antichità greca, del mito e della bellezza, meta intramontabile di viaggi di cultura e di piacere, e oggi, più che mai, fortemente protesa alla conservazione e alla valorizzazione della propria identità, questa raccolta di saggi intende offrire, nel solco della tradizione di studi dell'AISU, un'ulteriore occasione di riflessione e di confronto tra i più svariati ambiti disciplinari attinenti alla storia urbana.
